Medford-University High Game to Feature Armistice Day Program

GAME IMPORTANT IN ARGUING FOR PORTLAND CHANCE

Win Over Eugene Squad Viewed As Bolstering Claim to Out-State Honors —Decision by Mid-Month

The Medford high school football squad will play the University High of Eugene on Van Scoyoc field Armistice Day—next Friday, as the main attraction of the annual celebration.

As soon as the excitement of the election is over, an effort will be made by local business men and sport fans, to have Portland interests name the Burghermeisters as the out-state team, in the Thanksgiving game there, for the mythical state championship.

Portland Trounced Twice.

In the two times that Medford high squads have appeared at Portland they have handed first-class trouncings to the metropolitan pride. The Burghermeisters are one of the few undefeated high school squads in the state, and have been scored against less than all the others. The 1932 squad is on a par with the Callison squads that ran rough shod over Grant and Benson in 1927 and 1928, and showed the upstate fans some high school football they are still talking about.

Last week the Portland Journal sport department announced it would be nice to have a team from "up the Columbia" play in Portland, as none had ever had the honor. The Dalles or Hood River played for the possible honor last Friday. The game was a scoreless tie. The state athletic board ruled that The Dalles played an ineligible. Undaunted it is now proposed that the two teams play another game to decide a winner.

Expense Is Factor.

Both cities are about two hours by auto bus from Portland and the expense of bringing them to Portland recommends. The Medford team would have to go by train. The Columbia river teams would come and go at the minimum of cost, and eat no meals. Furthermore, they would be no serious threat to Portland high school hopes of a title. The gate receipts would not be drawn upon very heavily.

It is not likely that the question of which team will play will be decided until the middle of the month, but Medford's cause will be pushed, in the hope they will get the call. This week, everybody connected with a newspaper will be too busy adding up election figures and recovering from the ordeal to do else.

COLGATE LEADING UNBEATEN TEAMS

NEW YORK, Nov. 7.—(AP)—Offensively and defensively, the Red Raiders of Colgate were leading the nation's fast-dwindling group of unbeaten football teams today.

With the defeat last week of Pennsylvania, Holy Cross, Dayton, Virginia Poly and North Dakota State, and tying of Susquehanna by Pennsylvania, the unbeaten and untied list shrank to 14 teams.

Colgate not only led this list in scoring, with 227 points in seven games, but also was the only team with an uncrossed goal line.

PORTLAND TITLE HANGS ON GAME

PORTLAND, Ore., Nov. 7. — (AP) — The title hopes of two Portland interscholastic league football teams are expected to be definitely settled Armistice day, when the Teddies of Roosevelt clash with Jefferson's Blue and Gold eleven, 1931 champions.

Playing to a scoreless tie last week with Commerce, Roosevelt remains unvanquished, along with Jefferson, which defeated the Quakers of Franklin, 14 to 0. Both are undefeated in the 1932 tilt quest.

OREGON TACKLES FORCES OF TROY NEXT SATURDAY

LOS ANGELES, Nov. 7.—(AP)—Two southern California football elevens maintained their strangle-hold on the Pacific coast conference leadership today as they turned into another week of grid gyrations with only a remote possibility of an immediate change in the situation.

The University of California at Los Angeles eleven, idle over the week-end, will hold the local spotlight with a non-conference struggle with St. Mary's on Armistice day.

University of Southern California takes another stand in defense of its national and conference titles at the Olympic stadium on Saturday against one of the strongest teams in the northwest, Oregon. After their 27-7 triumph over California here before the season's record crowd of 75,000 Saturday there were few who believed the Webfeet had a chance against the House of Troy.

The Galloping Gaels will return to the west for the Bruin tussle Armistice day with blood in their eyes. The setback handed them by Fordham, plus their defeat by Coach Bill Spaulding's proteges last year, serve as the setting.

NEWSPAPER, RADIO UNITE EFFORTS TO GIVE OUT RETURNS

(Continued from Page One)

Although the ballot is long, it is expected that by 11 o'clock or midnight, when all the result-gathering forces of the newspaper will be working at full speed, some idea of the election picture may be gained, although where the races are close, it will require nearly complete figures to tell the final winners.

Reports Accurate.

The Mail Tribune, over a long period of years, has been the only medium making a comprehensive effort to compile complete returns for Jackson county in each election. These returns have invariably proved nearly 100 per cent accurate, when compared with the official canvass of votes, made several days after election.

Through the cooperation of station KMED and the Mail Tribune, all election results, national, state and county, will be flashed to the radio by private wire and given to listeners throughout the evening and well after midnight.

Office for Workers.

Due to the necessity for fast and rapid work in compilation and the greatly increased force of workers necessary, the newspaper office will be closed to the public tomorrow evening, but the public address system in front of the building will be in operation, and all who desire are cordially invited to listen to the returns from that source.

A copy of election bulletins will also be furnished the Holly theater, where an all-night performance will be staged for those wishing additional amusement with their returns. A portion of the proceeds of the Holly entertainment will be turned over to the women's division of the Jackson county council for relief of unemployment.

Civic League On Air At 8:30 P. M.

The Jackson County Civic league will be on the air again tonight in a final plea to voters to support the eighteenth amendment by opposing all bills tending toward repeal. The broadcast, planned for 8:30 to 9 o'clock, will include an address by Rev. W. J. Howell and two vocal numbers by Dr. W. W. Howard.

Reasons Why!

Here are some good and sufficient reasons why James Stewart should be elected to the office of Justice of the Peace.

1. Mr. Stewart was Justice of Medford District when but 21 years of age. His conduct of the office met with the approval of the public and he was re-elected at the next election by an increased majority.

Four years of experience gives to Mr. Stewart qualifications not possessed by any other candidate for this office.

2. His decisions while Justice were always fair and impartial and were so recognized both by members of the Bar and by the public generally. The same record will be maintained if you elect him now.

3. He is not now holding any public office or position, nor has he sought any for the past 30 years.

4. Politically he is a Democrat, but owes his nomination (and will owe his election) to no political faction or newspaper,—no one, but the public whom he is desirous of serving.

Citizens of Medford district, consider carefully and place the X in the right place. Thus:

64-X-James Stewart

SONS FACE CHICO TEACHERS ELEVEN IN TOUGH BATTLE

SOUTHERN OREGON NORMAL SCHOOL, Ashland, Nov. 7.—(Special)—Any traces of overconfidence that might have threatened the Sons' chances of winning the homecoming classic here Armistic day with Chico State Teachers' college have been wiped out as Coach Howard Hobson's men received the news that Chico had mowed down the California Aggies by a 16-to-6 count last Saturday.

The Chico victory served as a gentle reminder to the Sons that the best they could do against the Davis farmers was to finish with the score deadlocked at 12-all. While comparative scores are tricky things to juggle and often mean comparatively nothing at game time, this contrast brought Hobson's gridmen back to earth.

In spite of the fact that the Sons have as yet been undefeated and have amassed a total of 88 points in four games against their opponents' 12, they realize that they have a real obstacle in the Wildcat pack if the 1932 slate is to be kept clean.

The S. O. N. S.-Chico tussle is what is termed a "natural" in sport circles. The intense rivalry that has always marked the contests in which the two teams have participated will be ever fiercer than usual this year as the invading Wildcats will try to make up for the beating they received last year at the hands of the Sons.

Another big factor from the spectators' standpoint is that both Coach Art Hacker and Coach Hobson use the spectacular double wingback system of play developed by Pop Warner and used by the colorful Stanford grid teams.

As in the case of the Pacific game, this fracas Friday will feature both aggregations depending largely upon the "razzle-dazzle" type of attack, using spinners, reverses, passes and much open play.

Records this season show the Sons have a much better standing, winning four games and tying one, while Chico has won only two out of six. Acker and his men have been dogged by tough luck all season but the games they have dropped have been by small margins in every case.

The record this season for Hobson's crew:

S. O. N. S. 12; California Aggies 12.
S. O. N. S. 20; Pacific 0.
S. O. N. S. 25; Humboldt State 0.
S. O. N. S. 31; Eastern Oregon Normal 0.

MEDFORD DISTRICT TO PICK DIRECTOR

Final preparations were made today for the holding of an irrigation district election tomorrow for the Medford district, for the purpose of electing a director. David Rosenberg was the only candidate.

The district embraces the area south of the Barneburg road, and east of King's Highway.

The voting place will be in Cabin "D" at the Ever-Shady auto camp on the south Pacific Highway. The polls open at eight a. m., and will close at five p. m.

SALEM—Contract may be let for installation of heating boiler at Oregon state penitentiary.

EUGENE—Rae C. Newberry Handle Manufacturing Co. will resume operations.

What Are Your Answers Mr. Van Winkle?

The taxpayers have a right to know the answers to these questions. I am asking you for them.

ALFRED P.
DOBSON

1. WHAT'S the mater with your office? You have been Attorne General for 12 years. You claim to have the ability and experience to handle state legal matters. Why, then, do you spend taxpayers' money for special prosecutors and counsel? Aproximately $15,000 has or will be paid for work done within the past 6 months—work you should have done. Why?

2. WHY did you lend the prestige of your name to the J. C. Dennis Co. and the International Airbrake Control Co.? How much stock in these companies do you own? Where did you get it? How was it paid for? What has the Airbrake Company to show for the $874,321 worth of stock sold to the people by high pressure salesmen using your name? You knew the permit to sell this stock had been cancelled on two or three occasions. In fact, you lent your name not only to the sale of the above stock but also for an additional 40,000 shares of Brake stock, permit for which was issued in June or July, while at the same time, in writing, you approved employment of special assistant to prosecute other state officials for substantially the same thing. (Vouchers No. 732,250, No. 744,140 and others. Secretary of State's office).

3. WHAT do you mean in your public statements when you say "fitness, honesty and economical efficiency"? Or have you forgotten your trip to Boston? Vouchers No. 502,020 and No. 524,394 show you spendt $700 on this trip for yourself and your assistant. Was the trip necessary? Who was this "assistant"? Will you debate this in public? And, how about the auto expenses for your private car paid from public funds?

You have had many weeks to answer the above questions. Your alleged "Plain Statements of Fact and Law" wholly ignores these vital questions. You have been strangely silent on the questions that the taxpayers want to know. I am asking you for the taxpayers of Oregon to answer them honestly, now.

IT IS NO LONGER A LIGHTBILL

IT WAS IN 1890

BUT TODAY
LIGHT is a very small part of it

YOU USED TO CALL the monthly statement from the electric company your 'light bill'. It was a light bill then. It represented a few lights here and there about your home. But now... light is a small part of the total electric bill. Today electricity is used for cooking, refrigerating, washing, ironing, sweeping, cleaning and entertainment. Yes, indeed... the light bill disappeared with the pompadour and the bustle of 1890!
