

Tiger Hopes Rise Anew for Title Shot

LOCALS' CHANCE FOR CITY GAME EQUAL TO ANY

Ashland Will Be Asked to Switch Dates if Up-State Clash Looms—Hood River Would Play Burgherites

Medford high school authorities yesterday opened discussions with Ashland for an adjustment of the date of the Medford-Ashland high school annual football game, in the event that the local school has a chance for state title honors on Thanksgiving day. The local school has no desire to cancel the Ashland game, but does not want it to stand in the way of a state title game.

Principal C. G. Smith said this morning that a preliminary conference had been held with Ashland, but that a final decision would not be reached until the end of the week. Hood River languishes.

Preliminary negotiations were launched yesterday for a game here Saturday, November 19, between Hood River and Medford high, two of the leading state title claimants. The suggestion came from Hood River and favors playing in Portland. Two outside teams in Portland, however, would draw about as many people as a campaign speech, from now on.

As soon as the excitement of the election is over, Portland will probably get down to real business on selecting a team to meet the Portland champion Thanksgiving Day. The metropolitan title will not be decided until Friday, when the two leaders meet.

Medford Chance Good. Medford has as good a chance as any team in getting the call. Twice Medford has played in Portland and given the city fans a thrill and their team a good beating. The Burgherites of this year are on a par with the Callison squads with their weight, and just as spectacular. They have an offense and a defense, and do the unexpected. They think faster than the Callison crews.

In "Red" School Medford has as clever a field general as the well-remembered Al Melvin, and just as fast with his feet as with his head.

Eugene Here Friday. As the main athletic event of the Armistice Day celebration, Medford will play the University High of Eugene. Like all other squads, they have been "pointing" for a month for the game here, and while not expected to offer much resistance, may prove more of a problem than anticipated. The Burgherites are being drilled to take them seriously.

Granite Pass, which threatened to loom large as a state claimant, was removed from that class Saturday, when the Klamath Falls Pelicans came back to trounce them, 20 to 6.

The Lions' club of this city is sponsoring the proposed Hood River-Medford game as a charity event.

SWEDE'S RETURN HEARTENS SONS

By Estlin Phillips. SOUTHERN OREGON NORMAL SCHOOL, Ashland, Nov. 8.—(Sp.)—The chance for the Southern Oregon Normal varsity to repeat last year's victory over Chico State looked a little brighter today, as it became known that Harold "Swede" Anderson, Coach Howard Hobson's ace defensive lineman, would be in shape for the Armistice day clash with the Wildcats.

The big ex-Medford high school and Oregon freshman star has been bothered of late with a bone bruise in his leg and for a time it was feared he would be unable to play at top speed in Friday's tilt, but Hobson has declared him fit for service against the Wildcats.

Harvey Oakes, the young giant who works opposite Mike Balkovic in the tackle combination, is the only other man on Hobson's squad who has been hampered to any appreciable extent by injuries. He, also, had an injured leg, but is fully recovered now and will appear in the starting lineup.

AUTO ALLEYMEN WIN 3 STRAIGHT

Colton Auto bowling team took three straight from the Office Boys in last night's match on the city league schedule. Claude Saylor of the auto crew and Dr. Lantz of the Office Boys chalked up high games of the evening, rolling 211 and 216 respectively. Copo and Fluhrer's Bakery bowled tonight.

GRIDIRON SPARKS

(By the Associated Press.) PITTSBURGH—Pitt scouts may say Nebraska has an "even chance" against the Panthers Saturday, but there's nothing in the records to give the Cornhuskers much hope against the conquerors of Army, Notre Dame and Pennsylvania. Nebraska has beaten Iowa State and Kansas State by one touchdown, Kansas by two and a weak Iowa eleven by one point, as against their one defeat, 7-6, by Minnesota, and none of these teams looked to be anywhere near as strong as Pitt.

PROVIDENCE, R. I.—Perhaps the schedule maker knew something, or maybe it's just a coincidence, but so far five of Brown's first six opponents have been undefeated up to the time they met the Bruins. The seventh, Columbia, also is undefeated, and the eighth, Colgate, is almost certain to be in the same class.

SOUTH BEND, Ind.—For the second time in as many weeks, Notre Dame is going through a shakeup, something Rambler teams of the past seldom have been acquainted with. Hunk Anderson was so displeased with Notre Dame's showing against Kansas that he sent John Robinson, sophomore, to center, demoting Tom Gorman to the second team and Ben Alexander to the third. John Tobin is being tried at a halfback post and Captain Host returned to end.

MILWAUKEE—A record Marquette football team had protected for five years went by the boards when West Virginia swamped the Gold Avalanche recently. Not until 1926 had an opponent scored on Marquette by a pass or an interception of a pass but West Virginia did both.

STAR 'SIGNS' FOR PRISON BASEBALL

DETROIT, Nov. 8.—(AP) The baseball team at dear old Jackson state prison can look forward to a winning season next year, if a capable catcher was all it needed. For with the aid of Recorder's Judge Henry S. Sweeney, Nicholas Gibich, 18, who was good enough for try-outs with the St. Louis Cardinals and the Pittsburgh Pirates has "signed" for from one to five years.

Gibich, who had pleaded guilty to burglary, said he had kept abreast of the athletic situation in Jackson prison through a brother.

"So if I have to go to prison, send me to Jackson," he asked Judge Sweeney. "They need a catcher for their ball team up there."

So Jackson prison it was.

M'EWAN TO QUIT HOLY CROSS, HINT

WORCESTER, Mass., Nov. 8.—(AP)—Reports that Captain John J. McEwan, coach of the Holy Cross football team, might leave at the end of the season, due to friction between him and other college athletic officials, brought the statement today from Cleo A. O'Donnell, director of athletics that "as far as the Holy Cross Athletic association is concerned, he will continue to coach the Holy Cross football team."

Captain McEwan, former Army coach, refused today to discuss the rumors. His contract extends through 1933.

WARREN PATTERSON IS NEW MASTER ELECTED BY C. POINT GRANGE

CENTRAL POINT, Nov. 8.—(Sp.)—Prior to Grange Friday, a talk on the 18th amendment was delivered by A. W. Shepard of Phoenix. Other measures were also discussed.

For the entertainment hour, the Rogue River Cowboys, in appropriate costumes, put on an enjoyable musical program, after which balloting on candidates and election of officers held.

Worthy master will be Warren Patterson, overseer, Morse Haley; chaplain, Mae Richardson (re-elected); gate keeper, Ed Lull; steward, John Blackford; assistant steward, Will Foley; lady assistant steward, Marion Patterson; secretary, Hildegard Lange (re-elected); treasurer, Perle Bonney (re-elected); lecturer, Eula Benson. Graces: Pomona, Dorothy Hammond, Flora, Ruth Lacey; Ceres, Kathryn Lathrop.

Executive committee named was Victor Bursell, Wats Bebe and Arnold Bohner; Juvenile matron will be Lola Blackford.

TROJAN INJURIES CREATE PROBLEM FOR OREGON TILT

LOS ANGELES, Nov. 8.—(AP)—Coach Howard Jones was faced with the University of Southern California another backfield problem today as prepared to meet Oregon's football team at the Olympic stadium Saturday.

Troy's head man was busy making fullback adjustments with Bob Getz, his latest find, out with a severe kidney injury. The big sophomore, who started against California, is in a local hospital and is not expected to be ready for the Webfoots.

Yesterday Dick Barber and Bob Morrison alternated at the position. Morrison saw action against California, but Barber has not played since the opening game of the season.

The Trojans were let off with a light workout yesterday but Jones planned to change the order of things again this afternoon and promised heavy drills on defense as well as some polishing of offense the rest of the week for Oregon.

Ray Spurling was not out yesterday. He was in the hospital with Getz, suffering from a blow on the head sustained Saturday, but is expected to be ready for the Oregon game.

Control of Colds Thru Vicks Plan Step To Economy

GREENSBORO, N. C.—"More money to spend—and more time in which to enjoy it!" That is the slogan of a brand new plan of economy. Another unique feature is that folks who follow it don't have to deny themselves the things they either want or need. On the contrary, all they give up or cut down on is something they neither want nor need—common colds.

That, in effect, is the promise of the new Vicks Plan for better Control-of-Colds—developed by the makers of Vicks VapoRub and widely tested in clinics and home use last season. Results of these clinical tests have just been announced.

Over 3500 people—in schools, colleges and homes—participated in the tests. For comparative results, these people were divided into two equal groups. One group followed the plan—the other group did not. The results, which follow, are really quite amazing:

Those following the plan had less than half as many colds. The colds they did develop lasted only about half as long as the national average duration of colds—as found a few years ago by the U. S. Public Health Service. The savings in this group—in money and loss of time from work—were more than half. The amount of such savings possible is indicated in the fact that these two items of the costs of colds—money and time—amount to over a billion dollars a year for the country as a whole.

Vicks Colds-Control plan was introduced last year, along with the new aid in preventing colds—Vicks Nose & Throat Drops. This new formula—developed by Vicks chemists after years of research—is considered the ideal companion to Vicks Vapo Rub, the modern, external method of treating colds. Together with a few simple rules of health, these preparations form Vicks plan for better control of colds. The plan is especially designed to provide proper medication, at the proper time, for every type and stage of a cold. It is absolutely unique in its field.

The remarkable success of the plan is evidenced not only by the results shown in clinical tests, but by the fact that it has been adopted already by millions of homes. Its immediate popularity is not only an indication of public faith in the Vicks name, but is another tribute to the power of advertising. For, last season, the Vicks people spent the greatest amount of money in their history—concentrated principally in newspaper advertising—to acquaint people with the story of Vicks Plan. It was evidence of their own faith in the belief that real economy is based, not on a blind cutting down of expenses, but upon wise spending.

Central Point

CENTRAL POINT, Nov. 8.—(Sp.)—Recreational club members, Faye Ritzinger, Mr. and Mrs. Arnold Bohner, Ed Elliott, Mrs. Eva Smith and Dr. Elliott met with other members at the court house Wednesday night.

Masonic and Eastern Star members, with invited guests, met November 2 at the Masonic hall for a social evening. The hall was beautifully decorated in autumn colors. There were about fifty in attendance with 12 tables of bridge in play. Refreshments were served during the evening.

Students attending homecoming at Corvallis were: Oliver Obenchain, Gene Woodford, Doris Bundy, Benton Newman and Sandy Green.

PITT, COLGATE OR BROWN TO GET ROSE BOWL CALL

NEW YORK, Nov. 8.—(AP)—There are other possible nominees but right now it appears that one of three eastern football machines—Pittsburgh, Colgate or Brown—will receive the bid to play the far western representative, probably Southern California, in the annual Rose Bowl game at Pasadena New Year's day.

Of these, Pitt, on the basis of its more taxing schedule, seems most likely to win the nomination. Provided the Panthers, conquerors of Army, Notre Dame and Pennsylvania, can get by Nebraska, Carnegie Tech and Stanford without defeat.

Pitt has had no luck in two previous appearances in the New Year's day classic, bowing to Stanford by one point in 1928 and to Southern California, 47-14, in 1930. Perhaps the Panther believes his luck will turn if he can get the bid this year.

Pitt will be heavily favored over both Nebraska and Carnegie Tech, but the battle with Stanford, November 26, may be the game which will decide whether the Rose Bowl invitation will go to Jock Sutherland's crew of huskies. A defeat by Stanford will ruin all Pitt's chances.

Colgate and Brown should reduce the field of possible winners of the award in their battle at Providence Thanksgiving day, assuming that both come through their games against Syracuse and Columbia, respectively, this week. The winner of the Thanksgiving day game might well be invited west in the event that Pitt comes a cropper.

Meteorological Report

November 8, 1932.
Medford and vicinity: Tonight and Wednesday, cloudy; moderate temperature.
Oregon: Cloudy tonight and Wednesday. Occasional rains northwest portion. Moderate temperature.
Local Data.
Lowest temperature this morning, 37 degrees.

Thanksgiving Day Excursions To Aid Holiday Travelers

Celebration of Thanksgiving day at family reunions and gatherings of friends in western states will again be furthered by lowered transportation costs over the Southern Pacific company's lines this year, it was made known here today.

At the same time, it was pointed out, travel to the holiday football games, such as the St. Mary's-Oregon contest in San Francisco will also be served by the excursion program.

In California, Oregon and Nevada, low transportation will be provided by 21-day winter roundtrip fares, while in Utah, Arizona and New Mexico similar fare reductions are to be offered by the company from November 19 to 24, with a three-week return limit, it was stated.

Fender and body repairing. Prices right. Brill Sheet-Metal Works.

J. Garbini & Co. COMMISSION MERCHANTS

WHOLESALE FRUITS AND PRODUCE—POTATOES—ONIONS—BEANS—POULTRY—EGGS—ETC.
330-341 Davis St. Telephone Kearney-7435
San Francisco, Calif., Nov. 3, 1932.
