COUNTY BRIEFS

Table Rock

TABLE ROCK, Nov. 9.-(Special)-Resignation of Elmer Hull, foreman of the Modoc orchard, came as a complete surprise to his many friends here. Mr. Hull had been in the employ of the Palmer company since 1911 and had been foreman of the Modoc orchard since 1914, where he directed operations in care and upkeep which succeeded in developing what is considered by many to be one of the finest orchards in Southern Oregon. Mr. Hull has not as yet decided on his future plans.

Lester Hamilton has moved his focus from Klamath county to Jefferson, Ore., where he will be in partnership with a fox grower there. Very little hunting and trespassing indulged in here during the hunting season just closed owing to the united efforts of farmers in trying to combat this evil.

"Bob" Lewis of the Lewis Brothers' sheep firm, takes the "stay out of town prize" for this district, claiming to have gone to town but once since last June.

Very little grain has been seeded here owing to the dry weather which has prevented fall plowing.

Although several parties of Hallows' eiders were busy here and many pranks were played, no serious damage was done, interest seeming to center around the little outhouses.
