

1000 DEAD AND HEAVY DAMAGE IN WAKE OF STORM

(Continued from Page One)

phin and four vessels in destroyer division No. 2 to the rescue. They were 40 miles away.

The Scotia carried a crew of about 30 men.

The storm thus far has wrecked only one vessel, the American schooner Abundance off Jamaica. Its crew was rescued. Several vessels were damaged, later proceeding on their way or awaiting assistance. These included the British Blue funnel line freighter Phenix, the American Quaker line vessel San Simon, the British steamer Euphonia, the steamer Velina Lykes, out of Houston, Texas, and the tanker Sunoil.

The storm appeared first on Nov. 2, off the Virgin Islands, cutting a swath through the open sea to the coast of Colombia, South America. The area around Baranquilla was damaged before the disturbance turned northward.

Due to the lateness of the "hurricane season," the churning winds were hard to trace until the Phenix was caught in them last Sunday, 250 miles off Nicaragua.

C. Ray Gilliland, president of the game farm, and Frank C. Jordan, secretary of state in California, were expected to be in the group arriving from Sacramento, according to a telegram received here yesterday.

UNKNOWN SOLDIER TRIBUTE MARRED BY BONUS GROUP

(Continued from Page One)

tribute of silence as the world paused in its work today, remembering the armistice which ended the World War 14 years ago.

In every nation which shared the victory men rose with bared heads and women bowed. Machines stopped at 11 a. m. and for two minutes there was silence.

In Washington America renewed its homage to the unknown soldier. In London the king laid a wreath at the monument to England's dead. In Paris, in far-off Australia, in Japan and China, in South America, in every country from which men went to fight with the allies, there were brief and solemn ceremonies.

Here and there disturbances arose. In Scotland the unemployed created a disturbance and there was a similar incident at Vincennes.

Catarrhal Deafness May Be Overcome

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels, you will be glad to know that these distressing symptoms may be overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Acquire from Jarmin & Woods or your druggist 1 oz. Parmitin (Double Strength). Take this home and add 1/4 pint hot water and a little sugar. One tablespoonful four times a day should quickly relieve distressing catarrhal head noises, clogged nostrils, difficult breathing and drooping mucous, and improve hearing. All victims of catarrhal deafness or head noises should give Parmitin a trial.
