Comment on the Day's News

By FRANK JENKINS

THE election is held on Tuesday, the votes are counted on Tuesday night and Wednesday morning, and by Wednesday evening the truly epochal nature of the Democratic landslide becomes known.

On Thursday, the stock market goes up 4.1 points, as measured by the Standard Statistics table of averages printed in this newspaper.

THE loss of confidence, temporary, at least, that was expected to follow the election of Roosevelt doesn't seem to have materialized, does it?

THERE is little croaking on the streets. Hard-boiled Republicans, who voted for Hoover and believed that Hoover's election would stimulate business whereas Roosevelt's would cause a set-back, are laughing already and admitting that they were wrong.

This writer, by the way, is one of them.

SENATOR MOSES, of New Hampshire, who has been a senator so long that no one can remember very distinctly when he wasn't, goes down to defeat along with the rest of the crew of ins.

It was Moses, you remember, who made the famous remark about the sons of wild jackasses. What do you reckon he thinks about it now?

THE landslide catches Smoot, of Utah, who was supposed to be a permanent institution in the senate of the United States.

NOTHING is permanent in a year like this. It seems probable that if even Borah, of Idaho, had been up for re-election he might have gone down.

THERE are some amusing angles. In Iowa, Henry Field battled Brookhart to a standstill last spring, beating him decisively. His victory was heralded all over the country as a matter of keen interest.

Brookhart, not being an especially good sport, jumped the reservation and ran independent after his defeat by Field.

A DEMOCRAT walks away handily with the job, leaving both Field and Brookhart stranded.

THE old leadership of the Republican party has been swept away, and new leaders will have to be developed before the Republicans can be even an effective party of opposition.

That is probably a good thing—both for the country and for the Republican party itself. If there is one conclusion on that stands out from Tuesday's election like a light house on a dark shore, it is this:

The country has lost confidence UTTERLY in the leadership of the Republican party, which with a few brief intervals has been the party in power ever since the Civil War.

IT WILL do the party good to be shaken loose from its old leadership. It will now have to go out and develop a new set of leaders in which the country WILL have confidence.

That is, it will have to if it has any hope of ever getting back into power.

The desire to get back into power is the most powerful of all political influences, so it may be assumed that the Republicans will make a mighty effort to develop leadership that will command public confidence.

HERE is an interesting thought: When the Republican party starts in to develop new leadership, it will find Senator McNary of Oregon, occupying a place of great prominence in the list of prospects.

And Senator Steiwer, by the way, will be something of a figure in Washington, for at this moment it appears that he was about the only Republican senator in the country who came up for re-election and got away with it.

A HUMOROUS angle to the election was the number of people who called this newspaper and asked how

Dog Stranded On Klamath Island

KLAMATH FALLS, Ore., Nov. 12.—(AP)—A party of men bent on befriending one of man's best friends, a dog, have so far failed in their efforts. A dog is stranded on a small island in Klamath lake, Joe O'Brien, hunter, landed on the island from a motorboat today to effect a rescue but the canine castaway, apparently frightened from his exile, refused to come near the hunter.

MEIER PONDERING SELECTIVE SALES TAX FOR OREGON

Governor Says Plan Only Way Prevent Restoration State Tax On Property Bankrupting Counties.

PORTLAND, Ore., Nov. 12.—(AP)—Governor Julius L. Meier in a statement to the press tonight said he is considering recommending to the state legislature that a selective sales tax be enacted.

The governor, pointing out that eight or more states are now using a sales tax as a temporary means of raising funds, said that such a tax would probably be the only means of preventing the restoration of the state tax on property which was lifted last year. Resumption of the property tax, he said, would result virtually in bankrupting some of the counties. He said he had not yet arrived at any definite conclusions on the selective sales tax.

May Call Session

Legislators, pointing out that the budget must be made up in December, expressed the opinion today that Governor Meier may call a special session of the legislature before the end of December to consider a sales tax. Governor Meier, however, was silent on the subject.

"Although the savings achieved under my administration total considerably more than $7,000,000 there has been such a tremendous shrinkage in state revenue that the restoration of the property tax levy is inevitable now that the supplementary income tax measure has failed, unless ways and means can be devised to obtain revenue from some other source," Governor Meier's statement read.

OFFER PORTLAND MUNICIPAL STILL

PORTLAND, Ore., Nov. 12.—(AP)—The subject of a municipally owned power plant has come up in Portland at various times, but today for the first time the city was asked to consider acquisition of a high-power plant.

The Portland Chamber of Commerce received a letter from C. B. Whitney of Whitney & Whitney, Ltd., brokers of Vancouver, B. C., offering a first class and licensed distillery for sale. Apparently news that Oregon repealed its prohibition enforcement act at Tuesday's election was responsible, chamber officials said.

KROSCHEL WINNER THIRD WARD RACE FOR COUNCILMAN

Complete tabulation of votes cast for councilmen in Medford were completed yesterday by the county clerk's office, and gave S. A. Kroschel a majority of nine votes over Walter E. Rowley as representative in the third ward. That was the only district in the which the office was contested for, the vacancy occuring with J. O. Grey's withdrawal from the race.

By the tabulations Kroschel received 509 votes in his district, while Rowley was given 500. Two votes were cast for Kroschel in the southwest precinct, which is not included in the third ward.

W. M. Cemenson, named to fill the unexpired term of W. W. Allen, was re-elected to the position as councilman for the first ward, receiving 214 votes in the South Central precinct, 331 in the southeast, and 119 in the east, for a total of 664 votes.

In the second ward, Al Littrell was elected by 1132 ballots to the position formerly held by P. M. Kershaw. Littrell received 176 votes in the South Main precinct, 263 at Oakdale, 320 at Newtown and 373 at the Southwest polling headquarters.

Frederick W. Heath, unopposed candidate in the fourth ward, obtained a total of 860 votes. He will fill the vacancy in that district left by the withdrawal of C. A. Meeker, who did not file this year. Heath's vote was 117 on North Central, 347 on North Riverside, and 396 in the Northeast precinct.

Kroschel's votes in the third ward were 138 at North Main, 238 at West Medford, and 143 at Northwest. In the North Main precinct Rowley had 140 votes, with 192 in West Medford, and 168 in Northwest precinct.

Several names were written in throughout the city, including Carl Fichtner, who received two votes; Vern Marshall, 1; W. J. Warner, 1; J. C. Mann, 1; R. W. Stearns, 1; and Hollis Parks, 1.

HOOVER PLEDGES CO-OPERATION TO GAIN PROSPERITY

President Enroute East Inspects Hoover Dam—Republicans Told Strengthen For Militant Action.

By John F. Chester
(Associated Press Staff Writer)

ON BOARD PRESIDENTIAL SPECIAL, Enroute to Washington, Nov. 12.—(AP)—Taking time out on his return trip eastward from his Palo Alto, Calif., home to inspect Hoover dam in Nevada under floodlights tonight, President Hoover moved today to that big project through a series of ovations.

From his train at Glendale, Calif., this morning he delivered his first address since the victory of his Democratic successor, Governor Franklin D. Roosevelt, advising Republicans not to "be discouraged by defeat" and asserting that the Republican party "will return to power."

Must Have Unity

Before a crowd at the station, the president urged Republicans to immediately strengthen their state, county and precinct organizations to be ready for "militant action."

"If we are to continue the recovery so evidently in progress during the past few months by overcoming the many difficulties which still confront us," he said, "we must have continued unity in constructive action along the economic front.

"I shall work for that unity during the remaining four months of this administration. Furthermore, it is our duty after the fourth of March to cooperate with our opponents in every sound measure for the restoration of prosperity.

"I am making an early return to Washington in special concern that the measures and instrumentalities which we have in motion on an entirely non-partisan basis shall continue to function vigorously and contribute their utmost."

BEER PARLOR PERMIT SOUGHT IN PORTLAND

PORTLAND, Ore., Nov. 12.—(AP)—The city council here today received its first application for a beer parlor license since the state prohibition enforcement act was repealed at Tuesday's election.

Prendergast & Prendergast, attorneys, filed the application with chief of the city bureau of licenses Joseph S. Hutchinson on behalf of the Imperial Billard Parlors, Inc.

Support Drive For Red Cross Is Mayor's Plea

The following proclamation, concerning the Red Cross annual roll call drive, which opens in the business district on Tuesday, and in the residential sections on Wednesday morning, was issued yesterday by Mayor E. M. Wilson:

To the Citizens of Medford:

Our Red Cross is a national relief agency chartered by Congress with Federal cooperation. Through this agency millions of families are accorded relief and receive the benefit of the Farm Board flour and cotton clothing distribution. All communities have these problems and in Medford the immediate future will require united and liberal support and cooperation on the part of our people. November 11th to 24th is the period set aside for Red Cross Roll Call, and as Mayor of Medford I urge our citizens to not forget this prime civic duty and to extend their heartiest support.

(Signed)

E. M. WILSON, Mayor.

HOOD RIVER TO PLAY TIGERS IS FINAL DECISION

PORTLAND, Ore. Nov. 12.—(AP)—The two prep football teams that have shown the most outstanding performances this season in this state outside of Portland, the Pearpickers of Medford and the Apple Knockers of Hood River, will meet next Saturday at Medford to determine which will oppose Jefferson high, champion of the Portland interscholastic league, in the big Thanksgiving day post-season clash at Portland civic stadium for the state title.

After a busy buzzing of phones between Medford and Hood River today, followed by an announcement that Hood River had declined Medford's offer for an elimination game, Medford and Hood River officials met here tonight with James J. Richardson, manager of the Civic stadium, and officials of the Portland Interscholastic league, and ironed out the obstacles in the way of the Hood River-Medford game.

OREGON SUFFER[illegible] 33 TO 0 DEFE[illegible] AT TROJAN HANDS

Victory For Jones' Squad Assured In First Quarter —Webfoots Fail To Pass 38-Yard Line In Offense.

By Paul Zimmerman
(Associated Press Sports Writer)

OLYMPIC STADIUM, Los Angeles, Nov. 12.—(AP)—Troy's war horse galloped on toward another mythical championship today, as Southern California marked up its seventeenth consecutive triumph over Oregon 33 to 0 before 35,000 persons.

It was an easy victory, assured so early in the first quarter that the crowd started leaving before the final period opened. The Trojans, displaying more power than at any time this fall, scored twice in the opening session and turned in touchdowns in each of the following quarters.

Three of these were brought about by passes and the other two by plunging as the Howard Jones coached aggregation, substituted and re-substituted almost to the last man, rolled along without mercy.

38-Yard Line Closest

The Webfoots were no closer to the goal than the Trojan 38 yard line and gained the ball by virtue of a recovered fumble. Southern California refused to budge and even went so far as to set Mikulak back a yard in three attempts to gain.

The rest of the contest Coach Prink Callison's giants spent on defense, attempting vainly to halt the steady march to their goal. Shortly after the Webfoots passed up their scoring chance the Trojan attack started rolling.

Homer Griffith rifled a high pass to Julius Bescos, for a forty yard gain and then circled left end for a touchdown from the 6-yard line.

Insult to Injury

Sixteen minutes later Troy had scored twice more for a 20 to 0 half time lead. Ernie Smith kicked off for Southern California and then ambled down the field to tackle Mark Temple on his 23 yard line. Failing of first down, Temple punted to Irvine Warburton, who made a 12-yard return and then picked up 21 yards in four drives through the line.

He added insult to injury by flipping a pass to Bob Erskine on the 12-yard line and Erskine never stopped until he had scored.

In the second quarter Gordon Clark tried his hand at pigskin packing, and in three plays crossed the goal.

RED CROSS DRIVE TEAMS ASSIGNED AREAS FOR WEEK

With the annual Jackson county Red Cross roll call drive scheduled to open Tuesday in the business section of Medford, in charge of the Kiwanis club, and in the residential districts Wednesday morning at nine o'clock, under the supervision of Rev. Wm. J. Howell, pastor of the First Presbyterian church, a meeting was conducted yesterday afternoon of the executive committee to map out the territories within the city.

Various communities throughout the valley will be canvassed under the direction of the various grange masters, and Mrs. W. T. Grieve will have charge of the county from Trail, north.

Districts in the city of Medford, each of which will contain approximately eight or ten blocks, have been designated as follows: 1—Ladies of the Baptist church, 2—Jackson County Health association, 3—Salvation Army, 4—Ladies of the Presbyterian church, 5—Auxiliary of the American Legion, 6—Methodist Episcopal church, 7—Activians, 8—Washington school P.-T. A., 9—Ladies of the English Lutheran church.

Number 10—Jackson school P.-T. A., 11—American Legion, 12—Ladies of the Christian church, 13—Y. W. C. A., 14—Order of the Eastern Star, 15—Elks, 16—Ladies of the Episcopal Guild, 17—St. Ann's Altar society of the Sacred Heart church, Catholic, 18—Business and Professional Women's club.

A membership is expected in Jackson county of about 2500, Alfred S. V. Carpenter, in charge of the drive stated yesterday, and word from the national headquarters of the Red Cross urges that this county "carry over the top" to a new membership to further the work in this area, which has been so successful in the past.

HURRICANE'S TOLL MAY REACH 2000

CAMAGUEY, Cuba, Nov. 12.—(AP)—Cuba has turned its hand once again to the task of reconstruction, surrounded here by the desolation left in the path of one of the most disastrous hurricanes of recent years.

The number of dead is estimated at from 1,000 to 1,700, and it appeared possible that when the full story is told the toll may reach 2,000. Most of the victims were those who lived in Santa Cruz Del Sur, on the southern coast.

SCHERMERHORN'S LEAD IS CUT BY OFFICIAL COUNT

Successful Sheriff Candidate 123 Votes Ahead Of Jennings — Codding's Lead Boosted By Final Tally.

The official count was completed yesterday on state and county offices. It reduced the lead of Gordon Schermerhorn in the sheriff's vote from 126 to 123 over Sheriff Ralph G. Jennings, and increased the lead of District Attorney George A. Codding to 391 over his nearest competitor, William Briggs of Ashland.

County Clerk Delilah Stevens Meyer this afternoon, requested the attorney general for a ruling on the counting of "write-in" ballots and for full instructions on "the intent of the voters." It is expected that the "Committee of 7000" will early the coming week institute proceedings for a re-count.

Rural Votes Thrown Out

It has been reported to the county clerk's office since the election, that many precinct boards in rural districts threw out a number of Jenninga' ballots. In some instances the voter failed to make the "X," or simply wrote R. G. Jennings, or R. Jennings, or placed no initial. A number of Medford precincts also cast out "write-in" ballots for Jennings.

The official count on sheriff was:

Beeson	3,216
Rhodes	184
Schermerhorn	3,940
Zundell	2,295
Jennings	3,817

Codding Boosts Lead

District Attorney George A. Codding, for months the target of bitter and vituperative attacks, increased his lead to nearly 400 in the official count, due to failure of a few precincts to correctly note his total.

The district attorney official count:

Briggs	4,437
Codding	4,828
Wilkins	2,640

The official count on other state and county offices is:

President	
Hoover	5,459
Roosevelt	7,519

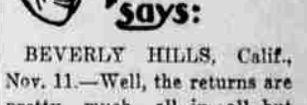
Central Point Cheese Plant Being Put Up

CENTRAL POINT, Nov. 12.—(Spl)—Rogue River Cheese and Products Inc., has the framework of the factory up. It will be built of concrete tile and will be modern throughout, with driveways.

Manager C. M. Churchill and family of Crescent City moved to Central Point several weeks ago.



WILL ROGERS says:

BEVERLY HILLS, Calif., Nov. 11.—Well, the returns are pretty much all in, all but Kentucky. They got a law they can't count their votes till everybody sobers up, so it will be quite a little bit before we get them.

I was surprised at the vote the Republicans polled in Mississippi and Louisiana. I thought there was more post offices there than there is.

California and several states voted to do away with their local enforcement laws. Now out here liquors and wines are classed as "perishable goods" and are given right of way on highways and trains.

The Democrats had such a hard time getting money to campaign on that I doubt if they have enough to get to Washington on.

Will Rogers.
