

# Heavy, Fast Team of Veterans to Invade Lair of Medford Tigers

## HOOD RIVER BOYS PROMISE TO KEEP BURGERITES BUSY

### Apple Knockers Vary Line Smashes With Passes and Trick Plays—Entire Backfield Can Throw, Punt

Medford high school's football squad, when it tackles Hood River on Vanhook field next Saturday afternoon to determine a Thanksgiving day contender for Jefferson high school of Portland, is assured of a busy afternoon, for they will be playing one of the best high school football squads in two states. The Burgerites have their work out for them.

Hood River has a veteran team, big and fast, with plenty of power and a clever passing attack. Most of the squad have played together for two years. They depend on line smashes for yardage, and have forward passes and trick plays to rely on in scoring territory. On top of this, they are well-coached, and any optimism prevailing among local fans as to the outcome is unfounded.

Two Star Tacklers.

In Button and Ordway, Hood River, according to reports received, has two of the best high school tacklers in Oregon. They are big boys and have opened holes in every line they have faced for three years.

Swanson, the fullback, protested by the Dallas, as another chapter in the civil war that is always raging between the two schools, weighs 180 pounds, is six feet tall and a ripping line plunger. Thurner, the quarterback, and Knoll, the left halfback, are also above the high school average. The entire backfield can pass or punt.

The Hood River team averages about 170 pounds to the man; Medford 163 pounds, so the visitors will have the weight advantage.

The mid-Columbia squad is making its initial bow as a state title contender, and is keyed up to lower the colors of Medford.

Burger Drills Defense.

Burger is drilling his progress in defense, line and passes, and polishing up the rough spots in team play. He is also endeavoring to knock the over-confidence out of two or three of his stars.

Hood River, according to the advance dope, is as enthusiastic over its football team as any town in the state, and supports them loyally. The Hood River American Legion post backs all high school athletic activities.

Officials for the game have been named, but they will probably be Dede Lowell, Lynn Jones and George Minnaugh of Portland, who will officiate at the Southern Oregon Normal-Monmouth Normal game at Ashland Friday afternoon. Medford is making an effort to have them stay over for the Hood River game, and it is expected they will be satisfactory to the visiting team.

## PRO FOOTBALLER PASSING DEMON

NEW YORK, Nov. 15.—(AP)—When Arnold (Flash) Herber of the Green Bay Packers, snaps his arm back to throw a forward pass, the odds are better than even money the toss will be completed.

National professional football league statistics reveal that Herber has thrown 35 passes, of which 20 have been completed, five of them for touchdowns. His closest rival, Earl (Dutch) Clark of Portsmouth and Benny Friedman of Brooklyn, have completed 18 in 46 attempts.

Herber also leads in punting with an average of better than 45 yards. Clark is the leading ground-gainer with 419 yards.

## Huskies' Strength At Top For Troy

SEATTLE, Nov. 15.—(AP)—When the University of Washington football team plays host to Southern California here Thanksgiving day, the Huskies are expected to be at full strength for a change. Bill Smith, who with Dave Nabel, made up one of the finest sets of wingmen on the coast, is back in harness after a sough of influenza.

## The New Contract Code

Analyzed by an Expert

(EDITOR'S NOTE: This is the last of three articles by Lieut. Alfred M. Gruenther, U. S. A., on the new contract bridge rules. Lieutenant Gruenther is one of the Nation's leading bridge tournament referees. He officiated at the Lenz-Culbertson match. Today he explains the change in scoring.)

By LIEUT. ALFRED M. GRUENTHER, U. S. A.

(Written for the Associated Press)  
Scoring changes made in the new International Contract Bridge Code which went into effect November 1 may cause average players more trouble than other alterations of the laws.

In my first two articles I explained the new penalties for infractions of the rules. Following is an analysis of the new scoring system:

**SCORING CHANGES.**  
No Trump Tricks—Instead of counting each no trump trick as 50 points the new values are 30 points for the 1st, 3rd, 5th and 7th tricks and 40 points for the 2nd, 4th and 6th tricks. The score for two, four, or six no trump is the same as the old score (70, 140, 210), while the value of one, three, five and seven no trump are five points less than under the old code. Thus, five no trump formerly counted 175. Now it is 170.

Under the new code all "fives" are automatically eliminated from the last digit of a score. The mistakes in addition thus will be materially decreased. A three no trump contract is valued at 100 points, the same as a game contract in diamonds or clubs. Heretofore the five-point advantage in favor of the three no trump contract stimulated much unnatural bidding in duplicate in the endeavor to play a hand at a contract of three no trump.

**Omission of Premiums for Making Doubled Contracts.**—The old laws gave the bidding side too much of an advantage, since the Declarer's side had so much more to gain, if a doubled contract was made, than the adversaries if the contract was defeated. Thus under the old laws, if a contract of four hearts, doubled but not vulnerable, was made the Declarer gained 170 points extra while the adversaries could gain but 50 points extra if the contract was defeated one trick. Under the new rule the Declarer's gain is only 120 points.

**Reduced Premium for Undoubled Overtricks.**—The premium for undoubled overtricks has been reduced from 50 points per trick to the corresponding odd trick value. Thus, if a player bids two hearts and makes three hearts, he will score 60 points below the line and 80 points above the line. The premium for overtricks in a doubled contract remains unchanged, i. e., 100 points for each doubled overtrick when not vulnerable and 200 points for each doubled overtrick when vulnerable.

This change has been in effect in all duplicate bridge contests four years and has proved very popular. Changes in Undertrick Penalties.—The new code has increased somewhat the doubled, not vulnerable, undertrick penalties. The undoubled non-vulnerable penalties remain at 50 points per trick. This was one of the major defects under the old laws, since it encouraged sacrifice bidding to an undesirable extent. However, the new penalties still allow the non-vulnerable side considerable latitude in overbidding activities. A comparison of the old and the new penalties follows:

Not-Vulnerable Under-Trick Penalties—Doubled.	
New Laws	Old Laws
Down 1.....	100 100
Down 2.....	250 200
Down 3.....	450 400
Down 4.....	700 600
Down 5.....	1000 1000
Down 6.....	1350 1400

The penalty schedule for the doubled undertricks is:

100 for first undertrick  
150 for second undertrick  
200 for third undertrick and so on with an increase of 50 points for each succeeding trick.

**Vulnerable Undertrick Penalties.**—The penalties which a vulnerable side loses on undoubled undertricks are the same as the loss suffered by a non-vulnerable side when doubled. If a vulnerable side is doubled the penalties are twice the undoubled penalties. Thus the increase is a regular one. The new and the old vulnerable undertrick penalties follow:

New Laws				Old Laws			
Down 1.	Undoub	Doub	Undoub	Doub	Undoub	Doub	Undoub
Down 1.	100	200	150	300	150	300	300
Down 2.	250	500	300	600	300	600	600
Down 3.	450	900	500	1000	500	1000	1000
Down 4.	700	1400	700	1400	700	1400	1400
Down 5.	1000	2000	900	1800	900	1800	1800

The maximum penalty possible under the new laws is 20,000 points, if one bids a grand slam redoubled and vulnerable and fails to take a single trick.

**Grand Slam Premiums.**—The non-vulnerable grand slam premium has been increased from 1000 to 1500; the vulnerable grand slam premium from 1500 to 2250. Under the old laws expert players refused to consider bidding a grand slam on anything except a cinch holding since the increased bonus over the small slam premium did not justify the increased risk. The new laws balance the greater risk with the increased premium. The small slam bonuses remain unchanged.

## BARBER BOWLERS LOSE BY WHISKER

Coch Devore's City Meat Market butcher boys bowlers proved too much for Carl Bowman's barbers in their City league match last night, taking all three games. The barbers threatened to capture the last canto but were beaten by a "whisker," the butchers topping 853 pins in that game while the barbers crashed 852.

Larsen of the market men slugged over 214 pins in the opening battle and totaled 815 for the evening, while Walsh collected 305 in the final stanza for an evening's total of 851.

The Office Boys and Fuhrer's Baker will cavort on the runways tonight.

## Fordham vs. Pro. Football Battle May Be Staged

NEW YORK, Nov. 15.—(AP)—Tim Mara is ready to give Hiker Joy, assistant coach at Fordham, a chance to prove his assertion that college football is superior to the professional brand.

Mara, owner of the New York Giants of the National Professional Football league, has offered to match his team against Fordham on any suitable date, the proceeds of the game to be turned over to the mayor's fund for the relief of the unemployed.

Joy, who played pro football for some years after his graduation from Holy Cross, was quoted as saying a good college eleven would "run these pros ragged."

## Grid Star Dies Of Broken Neck

COLORADO SPRINGS, Colo., Nov. 15.—(AP)—Ralph McClure, 21-year-old Colorado College football star, who was injured in last Saturday's game with the University of Colorado, died in a hospital this morning.

Death was caused by a fracture of the cervical vertebrae, received when he tackled in the last period of the game.

## SONS POINT FOR TRADITIONAL FOE

SOUTHERN OREGON NORMAL, Ashland, Nov. 15.—(Sp.)—After taking Chico State in stride last week-end, Coach Howard Hobson's unbeaten Sons football combination continued preparation for this week's all-important clash with Oregon Normal here Friday.

The victory over the Wildcat pack was just the overcoming of an obstacle in the path which leads to the annual battle between the traditional rivals for the championship of Oregon's normal schools.

Hobson will be without the services of Elton Fornbrook, rangy end, for the remainder of the 1932 campaign. Fornbrook is laid up with a bruised hip which, although not serious, will keep him out of the game until the season is over.

## Doc Snell Drops Foeman In Fifth

VANCOUVER, B. C., Nov. 15.—(AP)—A dynamic Isden led hand that dropped his opponent for a five count in the third round, gave Doc Snell, Tacoma lightweight, a four-round knockout victory over Freddie Holland, Spokane, in the main event of the boxing card here last night. It was Snell's 130th straight win.

## BASEBALL SLIPPING FOR LACK OF YOUNG BLOOD

OMAHA, Neb., Nov. 15.—(AP)—Tris Speaker, the "gray eagle" of baseball, has been pondering the status of organized baseball and today announced his conclusions.

"The trouble with the 15 major league clubs," he sighed, "is that they are not looking ahead."

"If baseball isn't encouraged in our minor leagues, colleges, universities, high schools, grade schools, vacant lots and city parks, where will the player of tomorrow come from?"

"The answer," he went on, "is simple. There won't be any players of tomorrow."

In Speaker's opinion, there is no such thing as a lack of interest in the sport. Many colleges, he commented, have dropped baseball—not because the students don't want to play baseball, but because the ex-

pense of outfitting a team is too high. This state of affairs exists also in high schools, grade schools and even in the vacant lots, he added.

"The majors have got to do something and do it mighty quickly," he said. "They have got to see that baseball equipment gets into our schools and on the vacant lots. Let the majors supply the playing paraphernalia and baseball will come back."

"Don't think the game is gone. It needs a stimulant just like a lot of our business concerns."

Turning to the salary question, Speaker expressed the opinion that salaries were too high and must come down—and add. "The baseball player, he quickly added, realizes this and expects it."

Speaker was once manager of the Cleveland Indians.

## TULANE 'BOOING' OPENS GRID WAR

NASHVILLE, Tenn., Nov. 15.—(AP) Vanderbilt has severed athletic relations with Tulane over the "booing" it got when the Commodores tied the Greenware in New Orleans early this season.

Russ Cohen, member of Vanderbilt's coaching staff and former head football coach of Louisiana State university, announced the break last night and said Louisiana State would replace Tulane on Vanderbilt's 1933 schedule.

The severance with Tulane, the

explained, resulted from the "booing" and the insistence on the part of Tulane officials that Vandy return to New Orleans for any future contests.

Cohen engineered the negotiations with L. S. U., and said officials had telegraphed last night they would play Vandy October 28, 1933, in Baton Rouge.

## GREAT SALE ON 4TH ANNIVERSARY BURELSON STORE

Four years ago Mr. and Mrs. E. T. Burelson came to southern Oregon from Crookston, Minn., in view of establishing a women's store. Convinced that "This is a great country," they opened Burelson's ladies' ready-to-wear shop in the Leveite building at 101 South Central avenue. Tomorrow (Thursday) morning this store will observe its fourth anniversary with the largest sale of women's apparel ever attempted in Medford. Mr. Burelson announced.

In the face of the prevailing depression this popular store has increased its patronage each successive year until it has become one of the favorite shopping centers for southern Oregon and northern California girls and women.

More than 15 years' experience in managing ready-to-wear stores enables Mr. Burelson to buy merchandise which appeals to all types of customers.

Mrs. Burelson has also had many years of training in millinery shops and specialty ready-to-wear stores in the east.

In January, 1931, Burelsons made extensive improvements and enlarged their floor space to include several new up-to-date fitting rooms. With the beginning of each season Burelson's store displays the smartest styles at low prices.

During the past summer the floor space at Burelson's was doubled with the addition of an adjoining store room on East Eighth street. A balcony was also constructed to accommodate the office and alteration department. There are two entrances on Eighth street and the main one on South Central avenue. Large windows on the north side and at the front afford interesting displays. The interior was also redecorated at this time and a number of fitting rooms were put in.

Mr. and Mrs. Burelson made a buying trip to San Francisco last week to secure new fall and winter dresses, coats and hats for their fourth anniversary sale which begins tomorrow at 9 o'clock.

## FEAR FOUL PLAY BEFALLEN SARRIS

The state police were requested this noon by Sheriff Broom of Del Norte county, California, to search for William (Bill) Sarris of Crescent City, Cal., a sawmill and lumber operator, who disappeared from Crescent City Tuesday night about 8 o'clock. Sheriff Broom advised the state police by telephone that both foul play or suicide is suspected.

Sarris is described as 50 years old, weight 170 pounds, six feet tall and of Greek descent.

Del Norte county authorities said they were unable to find any reason for Sarris' disappearance and that one of the many rumors afloat was that he had a considerable sum of money on his person.

The missing man is fairly well known in this county and district. He is said to have engaged in the sawmill and logging business four years ago in the Greensprings Mountain district and in the Siskiyou foothills.

Card of Thanks.

We, the family of the late William Henry Hamlin, wish to acknowledge with sincere appreciation the kindly and neighborly sympathy extended of us in our recent bereavement of Father William Henry Hamlin. Also for the many beautiful floral expressions of love and sympathy.

William Henry Hamlin Family.

M. E. (Murray) Daugherty, formerly of the Cottage Barber Shop, announces he will be pleased to meet his former as well as new customers at his new location, 31 N. Fir St., Hotel Holland Bldg.
