

FIRST QUARTER DRIVE DEFEATS S.O.N.S. 20 TO 6

Monmouth Squad Runs Wild In Opening Minutes When Anderson Is Injured — Pass Brings Only Counter

By ESTILL PHIPPS

ASHLAND, Nov. 19.—(Special)—Unleashing terrific first quarter offensive drives Oregon Normal ripped through to a 20 to 6 victory over Southern Oregon Normal Friday in the most thrilling 60 minutes of football ever seen in this part of the state. Together the two colorful eleven tried about every trick in the books as Howard Hobson's Sons lost their first game of the season and along with the championship of Oregon's normal schools.

With a heavy, hard-charging line cutting down the Son's defense in thorough fashion the Monmouth backfield once swept through a bewildered defending team to cross the goal line three times before the opening period was well under way. Pete Gretsch, Ray Wolfe's triple-threat star, raced 55 yards for his first score on the second play after the opening kickoff and then followed a few plays later with another, around his own right end after Pal Lancaster's offensive sparking. Hobson's defense was disorganized and had dropped a punt on his own 19-yard stripe. Hugh Edwards gained the third tally later in the quarter when he bucked across from the 2-yard marker following a steady march down the field from near mid-field.

Anderson Absence Felt
It was a rout during those first few minutes as Hobson's disorganized eleven tried hard to get their feet on the ground without the services of big "Suede" Anderson, key lineman of Hobson's offense and defense, who had to leave the game after less than a minute's play. His ankle was badly wrenched as he stopped Bruce Mahan, O. N. S. quarter, who was returning the initial kick-off.

Once the Sons found themselves they put up a great fight but they had no chance before Wolfe's powerful forwards in the running phase and had to take to the air. S. O. N. S. got his lone score via the aerial route late in the second period when Claude Hines, negro passing wizard, made a beautiful throw as the ball was snapped from the Monmouth 84. He faded back past midfield before he sent a perfect throw which Sapp, S. O. N. S. end, caught just after he reached the goal line. He judged the ball and finally held it before he almost ran out of the scene. Hines' pass traveled a total of 55 yards on the play.

The half ended with the day's scoring complete, 20-6.

Trick Plays Used
While quite a number of foxy formations came to light in the first half, it was in the second that a frenzied crowd was kept almost constantly on its feet while first Monmouth and then the locals would pull one trick play after another.

The Oregon Normal margin of victory was in vastly superior line play. Wolfe's forward wall was almost completely composed of big, speedy men who broke through to stop the Son's crack ball-toters before the interference could form.

In the Son's line Anderson played well, though seriously handicapped by his hurt ankle after he re-entered the game in the second period. The shining lights in the Hobson forwards were Captain Mike Balkovio, veteran tackle, and Dwight Patterson, who played a consistent game at guard.

Harry Scroggins, sweet-running full-back, shared starring honors with Gretsch in the Monmouth backfield while Hines' great passing show, Lancaster's running, and the combined defensive and offensive work of Al Bradford made the Son's brilliant. Lancaster would have shaded Gretsch in the kicking department had not four of his boots been spoiled by the crushing Monmouth linemen. Both Lancaster and Gretsch had most of their punts soar for around 50 yards.

The customary fireworks which has always marked conflicts between the two institutions was ever in evidence and was climaxed when Bud Jones and Max Allen were thrown off the field for pugnaous tendencies.

The line-up: (6) S.O.N.S. Gordon M Sapp Cannon T Oakes

JEFFERSON GIVEN EDGE TO WIN O'ER MEDFORD TIGERS

Locals Invade City Thanksgiving As Underdogs — If Field Is Dry Odds More Even — Many Fans Going

Medford high school's football team will invade Portland next Thursday to battle a Portland team, Jefferson high school, for the mythical state championship title.

Four times Medford high has played upstate teams, with the title as a goal. In 1926 Medford defeated McLaughlin high of Milton-Freewater 44 to 0; in 1927 they routed Grant high of Portland 24 to 0; and in 1928 rode over The Dalles 46 to 0, and later Benson high of Portland 39 to 0 for the high honors.

Going As Underdogs
As now, Medford journeyed upstate as an underdog. Jefferson high is given the edge to win. The lines are even as to weight, but Jefferson has a heavier backfield, but no smarter. Franzen, fullback of the Jefferson squad is the power house, and a fierce line plunger. The Portland team has a heavy backfield, and punting strength.

Coach Burgher scouted the Jefferson-Lincoln game Friday, returning Saturday.

The Medford line will be called upon to bear the brunt of the battle, and if the field is dry, the Burghermesters have an even chance, if their pass attack is clicking. On a wet field the superior weight of the Portland team, gives them an edge.

Say Local Lack Weight
Portland officials and sport writers who attended the Normal game at Ashland Friday, professed to know little about either team, but held the view that Medford lacked weight, and would be lucky to escape with a low score.

The Burghermesters will not lack for support. Turkey day, a special rate of \$9.50 for the round trip will lure a large number of valley fans and many students will go by auto and hitch-hike. The high school band, under the direction of F. Wilson Wait will also be present. The Medford colony now living in Portland, will also lend vocal and moral support.

The team will leave on the morning train Wednesday. The band and the bulk of the fans will leave Wednesday evening, arriving in Portland early Thursday morning, and arrive home Friday morning.

Officials for the games will be named Monday, according to present plans.

JEFFERSON STAR QUARTER INJURED

PORTLAND, Ore., Nov. 19.—(AP)—Ray "Woodie" Woodman, quarterback of the Jefferson high school football team, was taken to the good Samaritan hospital last night when he collapsed after participating in the Lincoln-Jefferson game at the Civic Stadium, according to a hospital attendant. At first it was feared the youth had suffered a brain concussion but he was reported as resting comfortably and in good condition early this morning.

Woodman has been the regular quarterback on the Jefferson team all season and was playing in the final league game when injured. He was to have appeared against the Medford high team on Thanksgiving day.

SOUTHERN OREGON RADIO OPERATORS FORM 'HAM' CLUB

Amateur radio operators of southern Oregon completed plans for organizing a "ham" club at a meeting Friday night in The Melody Shop.

All persons interested in short wave craft are invited to come to the next meeting Friday, December 2, at 7:30 p. m. at the same place. At that time officers for the club will be elected, according to Victor Milnes, Medford amateur.

The need for more systematic effort to be made in conducting amateur radio activities in this section was first felt by the local operators who called a meeting October 30 at the home of Mr. Milnes on Harrison street. The interested response encouraged promoters to hold the second meeting November 4, when a committee was appointed to draw up a constitution for the club.

The third meeting held Friday, was attended by fifteen radio fans, eleven of whom are licensed operators, as follows: Harold DeVoe, whose station call is WTMP; Maurice Peters, known over the air as WTOM; Gordon Turner, WTGK; R. House, WTBUR; Geo. Peckham, WTABD-ZZAA; Gilbert Moisy, WTBHV; Ahlah Wood, WTCQ; and Victor Milnes, WTZQ; all of Medford; L. Crosson, WTJQK; and Bob Walters, WTGIS, both of Ashland; and Thurion Wauchope, WTL-ZZAL, of Klamath Falls. Edward D. Clark, Robert E. Welch, Roger Headies and

Albert Bliton, all of Medford, also attended the "ham-fest," although none of them are at present licensed operators. Mrs. Crosson of Ashland accompanied her husband as an XYL or ex-young-lady, radio slang for "wife."

Two other operators, Milton Peterson, whose call is WTQUG, and John Henry, WTGK, have expressed their interest in the club. Mr. Peterson is always weather observer at Siskiyou summit, and Mr. Henry is spending the winter at the lumber camp at Lincoln on Green Springs.

In explaining the derivation of the calls which are given amateur radio operators after passing examinations for licenses to operate a short wave transmitting station, George Peckham, well known Medford fan, stated "the prefix letter 'W' on all calls indicated that the operator is in the United States. Possessions of the United States are shown by the prefix letter 'K'. The next figure, a numeral, indicates the district in the United States. Oregon hams are in the seventh district. The letters following the prefix letter and numeral are of course for the purpose of identifying individuals, just as a name. The calls are given out by the Federal Radio Commission, which is appointed by the President."

SCATTER GUNNERS WILL SEEK PRIZES

The Medford Gun club grounds will be the gathering place today of many Medford, Ashland, Grants Pass and Klamath Falls sportsmen. A large number of people, who have never shot at clay pigeons before are ex-

pected to participate in the large shoot today. Entrance fees have been made very low to encourage a large attendance. Those who wish to try out without shooting for prizes will also be invited into the line up. Luncheon will be served on the grounds or in the club house, dependent upon the weather.

FEHL TO APPEAL IN COURT RULING

Earl H. Fehl has announced that he will file an appeal from the ruling of Circuit Judge Earl C. LaCourte of Oregon City, which held that Fehl in the suit of Niedermeyer, Inc., against him for the collection of a chattel mortgage, had failed to sustain his allegation and holding that the machinery of the Pacific Record Herald was the property of Niedermeyer, Inc. The opinion was received Saturday and instructed Attorney George M. Roberts to make findings in conformity with the opinion and in favor of Niedermeyer, Inc.

Fehl alleged in his behalf, that he had performed services and labor for Niedermeyer, Inc., that exceeded the amount of the chattel mortgage and that he had not been fully credited.

Dependable Insurance Is The Only Kind Worth Having

When insuring your property make certain that you are assured of fair and speedy settlement of claims. Losing your property is tragedy enough without having to worry about settlements.

The dependable fire, casualty and automobile companies we represent, have, gained, the reputation of settling claims promptly. It's a big help to get prompt action when in urgent need of money. But in order to do this, the companies must have prompt payment of premiums in accordance with their rule of either cash or forty-five days from date of policy. We do not have mutual, reciprocal or cut-rate companies.

I am recuperating from injuries sustained in an automobile accident and have been instructed by my physician to rest and stay completely away from work for at least another month. Mrs. Gertrude and my brother L. A. Wakefield will have charge of the office during my absence. Also F. J. Newman and Geo. Nelson, Attorneys, will represent my agency.

I have been serving friends and clients here for the past twenty-four years and have always been glad to extend time on payments, but at this time I am very much in need of some settlement of your accounts and your prompt attention to same will surely be appreciated.

Very truly yours,
J. W. Wakefield Agency
By "Jack" Wakefield.

(Gertrude Wakefield is in charge during my absence.)
