Thanksgiving Dinners

Planned Many Homes
Thanksgiving day will see many friends and relatives gathered at fire-sides in Medford with Thanksgiving dinner the main event of the day. Plans for dressing the "festive board" and arrangement of menus have been monopolizing the time of many hostesses for the past week and the annual turkey day promises to know no depression.

Among those entertaining will be Mr. and Mrs. Lloyd Williamson, who have invited to their home Mr. and Mrs. A. P. Johnson, Miss Orbie Natwick and Harry McMahon.

Mr. and Mrs. James Stevens will entertain with a family dinner at the home of Mrs. Stevens' mother, Mrs. Wm. Andrews, where the group which has dined together for many Thanksgivings will gather. Present will be Mrs. George Andrews and son George, Mrs. Mary Stewart, Mr. and Mrs. Alan Brackinred, Mr. and Mrs. Stevens and Mrs. Andrews.

Mr. and Mrs. E. H. Janney will also be hosts on Thanksgiving day and have invited to dinner Mr. and Mrs. Douglas Perry and daughters of Foots creek and Mr. and Mrs. Paul Janney of this city.

School Folk Make Plans for Holiday

Some are coming home and some will be guests of friends in the south, Medford's colony of school-goers, according to news today.

Misses Dorothy and Mary Lee Roberts, daughters of Mr. and Mrs. Geo. M. Roberts, are invited home tomorrow. Miss Dorothy from the University of Oregon and Miss Mary Lee from Mills. Both will be accompanied by guests for the holidays.

Edward Reames, son of Mr. and Mrs. A. E. Reames, who is attending Stanford university this year, will spend the Thanksgiving holidays in San Francisco as guest of his uncle and aunt, Mr. and Mrs. Charles Frederick Craig. The Craig home will also be the gathering place Thanksgiving day for several students from Tacoma, Wash., who will compose a jolly party.

Miss Helen Patton, daughter of Mr. and Mrs. Hamilton Patton, who is a student at Anna Head school this year, will spend the holidays at Vacaville, Cal., where she will be guest with her roommate at the latter's grandmother's home, which will be the scene of another large house party.

Talent P.-T. A. Has Pleasant Session

The Parent-Teacher association of Talent met Friday for regular session and an interesting program. Miss Blanche Eunsels, school nurse, gave a worthwhile talk on the work in the community. The high school Glee club and the school orchestra gave several numbers, which were enthusiastically received. Doris Southwick also entertained with a flute solo.

As an incentive to better attendance, the senior high school class conducted a contest, promoting the room with the largest attendance a party. Miss Wisely's room, composed of the sixth and seventh grades, won the contest.

Thanksgiving Program Planned

Patrons and patients of the Howard school district are invited to a Thanksgiving program to be held at the Howard school on the evening of November 23, at 7:30 o'clock.

Following the program, the ladies of the P.-T. A. will sell pie and coffee, for the purpose of buying a set of scales for the health department of the school. There will also be a home-made candy sale.

Montgomerys Guests Here of Larens.

Mr. and Mrs. Arthur Montgomery of Salem were guests here the first of the week of Mr. and Mrs. Harold Larsen and left this morning for Klamath Falls. They are expected to return to this city for the Thanksgiving holidays.

Mr. Montgomery is connected with the department of Secretary of State in Salem.

Mrs. Brewer, Hostess At Luncheon Tomorrow.

Mrs. Fliegel Hostess To P. E. O.'s Wednesday

The regular meeting of chapter A. A. P. E. O. will be held at the home of Mrs. J. F. Fliegel, 1012 Queen Anne, Wednesday afternoon.

String Quartet Concert Of Interest to Many.

Of interest to Medford folk is a note to the effect that the art of the string quartet, which is today becoming one of the most popular forms of musical expression, due very largely to the activities of the Gordon String quartet, is to be heard here next Monday evening, was originally perhaps the most aristocratic of all musical manifestations.

Joseph Haydn, who lived and worked during the last part of the 18th century and the first years of the 19th, is generally known as the father of the string quartet. Haydn came to the conclusion that the ideal grouping of string instruments consisted of two violins, a viola and a cello. Having decided that, he set about exploring the possibilities of the combination. His work in this field resulted in no less than 77 string quartets, most of them still considered masterpieces of the form. All of the best examples of Haydn's quartets are in the repertoire of the Gordon String Quartet.

Thus from an exclusive and aristocratic art developed a form to which contributions were made by all the succeeding great composers. In modern times one of the most noteworthy of these is the Gordon String Quartet, which carries on an illustrious tradition in a manner that has delighted music lovers everywhere.

Mrs. Patton Invites Friends to Luncheon

Mrs. Hamilton Patton will be hostess Friday at her home on Capitol hill, having invited a number of friends to luncheon and bridge. There will be two tables in play. The party is the last of a series of small events at which Mrs. Patton has entertained during the fall season.

HEAVY JOLT FOR HAVING ELK MEAT

LA GRANDE, Ore., Nov. 22.—(AP)—Frank Evans and his son-in-law, Erzell Akoll, both of Salem, were sentenced to three months in the Walla Walla county jail at Enterprise Monday, and in addition Circuit Judge J. W. Knowles fined each \$500. The men were arrested September 12 by Game Warden George Boyer and charged with illegal possession of elk meat.

Trial of the case began last week and a jury returned a verdict of guilty late Saturday after 20 minutes spent in considering the case.

PORTLAND, Ore., Nov. 22.—(AP)—Dr. Charles W. Tenney, president of Gooding college, a Methodist school at Wesleyan, Idaho, was brought to a hospital here today for treatment following an automobile accident. Attendants said he had a dislocated and fractured shoulder.

Promise Boys Rare Thrills

AMERICAN BOY-YOUTH'S COMPANION readers are due for a rare adventure thrill in 1933, according to word just received from America's favorite boy's magazine. Boys will welcome the news that a modern Robinson Crusoe story, in which two boys and a man battle with savages and build a civilization with their bare hands, is on the way!

In this story the three heroes escape into the depths of the Amazon jungles; there they are stripped and left to die by hostile natives; and there, from the natural abundance of the jungle, they build their fortresses. From advance notices, it's a story readers will never forget!

Other good things we learn are on the way in THE AMERICAN BOY-YOUTH'S COMPANION for 1933. Adventures in all parts of the world; stories of the professions; sports interviews with famous coaches and players; vivid articles on travel and science.

We suggest THE AMERICAN BOY-YOUTH'S COMPANION as an ideal present for that son, nephew, cousin, and neighbor. It's a character-building, imagination-stirring present that renews itself every month in the year. An attractive gift card bearing your name will be sent to the boy if you request it. Subscription prices are only \$2.00 for one year or \$3.00 for three years. At the latter rate the magazine costs only a dollar a year. Mail your order direct to THE AMERICAN BOY-YOUTH'S COMPANION, 550 W. Lafayette Blvd., Detroit, Mich. Service on your subscription will start with the issue you specify. (Adv.)

\$4,700 IN FINES ON RUM ARRESTS

SALEM, Nov. 22.—(AP)—Fines totalling \$13,047, and prison sentences totalling more than 42 years resulted from general law enforcement activities of the state police during the month of October, the report filed by Charles P. Pray, superintendent, showed.

The report included violations of the state prohibition law, which will be eliminated in the next report from November 8 on. The liquor law violations resulted in about \$4700 in fines alone.

One person was arrested on a murder charge and two on manslaughter charges. Twenty were arrested charged with burglary. In the game law division 248 arrests were made, and in the traffic division 360 arrests were made, fines assessed to the amount of \$3797 and fees amounting to \$11,034 collected.

"SO HAPPY THAT I TRIED ALL-BRAN"

Delicious Cereal Brought Relief From Constipation

If you have headaches, loss of appetite and energy, sleeplessness or any other of the frequent effects of constipation, read Mrs. Schneider's letter:

"Since I have been eating Kellogg's ALL-BRAN, I don't have to take anything else for constipation. How good it is, and how much better it is for constipation than pills or any other medicine.

"I will never go back to what I used to take, because Kellogg's ALL-BRAN is wholesome and healthful."

—Mrs. John Schneider, 950 Tenth Street, Oshkosh, Wisconsin.

Constipation is usually due to lack of "bulk" to exercise the intestines, and vitamin B to help tone the intestinal tract. ALL-BRAN has both, as well as iron for the blood.

The "bulk" in ALL-BRAN is much like that of lettuce. Within the body, it forms a soft mass. Gently, it clears out the wastes.

Try ALL-BRAN in place of pills and drugs—so often habit-forming. Two tablespoonfuls daily will overcome most types of constipation. If not relieved this way, see your doctor.

Use as a cereal, or in cooking. Recipes on the red-and-green package. At all grocers. Made by Kellogg in Battle Creek.

PAGEANT DATE IS ARRANGED BY DAR

"Pages from the diary of George Washington," a patriotic pageant, will be presented by Crater Lake chapter, Daughters of the American Revolution, on Thursday evening, Dec. 1, in the high school auditorium.

This will mark the closing of the year's celebration in honor of the bicentennial anniversary of the birth of this great man who played so large a part in the early history of our country and helped to inaugurate a new era of political and social independence that has spread throughout the civilized world.

While it is impossible to add new glories to the name of George Washington, the pageant is a series of tableaux depicting scenes in his life, designed to revive the lessons of our national life and bring a deeper and

ROSEBURG AUTO STATION ROBBED

ROSEBURG, Ore., Nov. 22.—(AP)—Two men, travelling in a light car, early this morning held up John Lewin, night attendant at the Campview station on the Pacific highway, a half mile north of Roseburg, and escaped with \$30 in cash.

As he opened the cash drawer to make change for a bill tendered in payment for servicing the car, Lewin was suddenly confronted by a pistol in the hands of one of the men while the other emptied the till.

Descriptions of the two holdups were telephoned to state policemen throughout the state, but no report had been received here for any trace of the fugitives this morning.
