

# Turkey Tourney and Luncheon Scheduled For Medford Golfers

## BEST NET SCORES WILL TAKE HOME FINE FAT TURKS

### Get-Together for Officers and Members of Rogue Valley Club Planned—Tourney Starts at 9 A. M.

A gala day of Medford goldom is promised next Sunday when members and visitors of the Rogue Valley course are invited to participate in an 18-hole "Turkey tournament," the 12 divot-gers turning in best net scores receiving fine fat turks.

In addition to the turkey tourney a luncheon will be spread at 2:30 for all members, visitors and officers of the club. The luncheon will mark the second time in the history of the Rogue Valley club when officers and members have gotten together for mutual exchange of views for betterment of the game locally.

Get-Together Planned.

Directors of the club have expressed a desire to meet with the mem-

bers and also to meet any non-members in the Medford area, who would be interested in learning the objectives and line-up of the Rogue Valley club. As one director expressed it, "the club has gone through a summer marked by enthusiastic support from the entire membership. The directors are proud of the backing they have received and wish to meet with the members and have an opportunity to personally extend their thanks."

Directors are C. J. Semon, H. C. Ryan, A. P. Johnson, Ralph Headley and Hamilton Patton.

A fee of 50 cents will entitle members and visitors to enter the "turkey tournament" and attend the luncheon. Those who participate in the tourney should be on hand to tee off not later than 9 a. m. as it is hoped to get the tournament over in time for all to attend the luncheon at 2:30.

Those who win turkeys but do not wish to take them home at once may leave them at the club and they will be taken care of until called for.

## Lassiter Captain 1933 Yale Squad

NEW HAVEN, Conn., Nov. 22.—(AP)—A son of the south-ranzy Bob Lassiter has been chosen to lead the Yale football team in its 1933 campaign. His election last night came to Lassiter as the crowning touch to a season of sterling performances at left halfback.

## KLAMATH RUNNER GETS NO RECORD IN OLYMPIC BOOK

NEW YORK, Nov. 22.—(AP)—The battle over the record committee's recommendations fought and won, delegates to the 44th annual convention of the Amateur Athletic Union turned their attention today to a proposed Olympic tax on admissions, the awarding of national championships and election of officers.

As a means of saving the American Olympic committee from its quadrennial task of raising funds to finance America's participation in the international games, the delegates were to be asked to vote approval of a tax of five cents on all admissions of 50 cents or more to amateur events sanctioned by the A. A. U.

Most of yesterday's wrangling over the record committee's recommendations centered about the performance of three American runners-up in the Olympic games and as to whether they should be given equal record recognition with the winners.

The upshot of the fight was that Ralph Metcalfe, runner-up to Eddie Tolan in the 100-meter final, was given equal recognition with Tolan

for a new record of 10.3 seconds, and Mrs. Evelyn Hall was given similar recognition in the 90-meter hurdles, although she finished behind Mildred Didrikson in a sensational battle in which both were clocked in 11.7 seconds.

Ralph Hill, Oregon distance star, who finished five inches behind Lauri Lehtinen of Finland in the 5,000 meters run, was deprived of American record recognition although both were clocked in 14:30.

## WILDCAT RALLIES TO WIN MAT BOUT

PORTLAND, Ore., Nov. 22.—(AP)—George "Wildcat" Pete, Eugene wrestler, was as much surprised as the spectators when he took the deciding fall from Bobby Bylund of Minneapolis here last night. Pete was all but "out" on his feet after Bylund had thrown him all over the ring with flying headlocks and could hardly stand. But he mustered sufficient strength to lift Bylund in the air, put on an airplane spin and drop him with a resounding crash which put an end to the match. Pete weighed 155 pounds, Bylund 160.

In the semi-windup, Des Anderson, 152, Seattle, and Roughhouse Billy Coggins, 158, Tacoma, went five rounds to a draw.

Leaking roofs repaired. For roof work of any kind call 629.

## TIGERS ENTRAIN FOR TITLE TILT TONIGHT

### BAND AND FANS GOING TO CHEER BURGER SQUAD

Big Delegation From Medford Will Witness Game Thursday With Jefferson High School of Portland

Medford high school's football squad will leave this evening for Portland, and will work out tomorrow morning in the Multnomah stadium, where they will battle Jefferson state high school championship Thanksgiving day. The team was originally scheduled to depart Wednesday morning.

The high school band, under direction of F. Wilson Wait, and the main body of fans will leave Wednesday evening. Already local folks

have started north afoot and by auto. The Burgermeister will have plenty of cheering support. Former residents of this city now living in Portland, will also be on hand to root for victory.

No Farewell Fanfare.

The student body of the high school will stage no parting rally, in accordance with the wishes of Coach Burger, who frowns upon farewell speeches of praise and victory predictions. The celebration—if any—has been reserved for the return. There will be an assembly this afternoon to wish the team good luck.

Final practice and chalk-talks will be held this afternoon. The last hard practice was held last evening.

Coach Burger announced this morning that the following players will make the trip:

Ends: Bennett, Lindley, Rae and Kuneman.

Tackles: Minear, Shaw, Prentice and Kindred.

Guards: Geim, Greaves, Knox and Baker.

Centers: Hammack, Latham, Brown and Putney.

Quarterbacks: T. White and Scheel.

Halfbacks: Gillinski, Ghelardi, Knips and Stead.

Fullbacks: Plichtner and Thurman.

Probable Starters.

The probable starting lineup will be: Lindley and Bennett, ends; Minear and Shaw, tackles; Geim and

## AGGIES IN DETROIT IN GREAT CONDITION

DETROIT, Mich., Nov. 22.—(AP)—Coach Schisler and his Oregon State football team reached Detroit last night for their game Thursday with the University of Detroit. Schisler said the squad was in tip-top condition with the exception of Tommy Ward, left halfback, who suffered a minor ankle injury in the Fordham game at New York Saturday, and Tar Schwammel, lineman, whose injured knee had not responded to treatment.

## Colgate-Brown Tilt a "Natural" Dry Field Possible For Seattle Clash

NEW YORK, Nov. 22.—(AP)—The championship "natural" of the east's football season will send Colgate's "Red Raiders" against the giant-killing Brown Bears at Providence Thursday.

Some of the east's 130 college teams, these two have come down to the final game unbeaten and untied and the temptation will be strong to crown the winner champion, without ever the claims of Pittsburgh, Army and other high-powered outfits.

## Dry Field Possible For Seattle Clash

SEATTLE, Nov. 22.—(AP)—In spite of frequent downpours of rain the last two weeks, Southern California and Washington stand a fair chance of playing their annual football battle here Thanksgiving day under clear skies. "The next 24 hours will decide what kind of weather is in store for Seattle Thursday," reported Charles Schick, government meteorologist. "The low pressure area is slowly moving."
