D. A. H. Plan for Washington Pageant

This month ends the official nation wide celebration that has so refreshed, in the minds and hearts of the American people, the lessons of their own history. And it has brought a more vivid realization of the patriotic devotion and sacrifice of the men and women who put into motion the force that "brought forth on this continent a new nation, conceived in liberty and dedicated to the proposition that all men are created equal."

In grateful recognition of Washington's heroic service to our country, Crater Lake chapter has kept this anniversary throughout the year. Many trees have been planted by the members; a George Washington elm tree was planted in the city park and dedicated on Feb. 22nd and the chapter has cooperated in other projects.
