

### FOLSOM GUNMEN FLEE EASTWARD IN AUTO, SAYS REPORT

State police were today continuing every effort in searching for the three men in the Chrysler sedan, who Tuesday evening opened fire on State Patrolman Joseph Folsom, when stopped on a minor traffic violation. Several reports have been received of their whereabouts, and officers are checking on all possible clues.

A service station operator near Eugene reported that a Chrysler sedan with Illinois license plates corresponding with those said to be on the car, went over the McKenzie highway last night, en route to Bend, and a check is being made in that vicinity.

Officers expressed the belief that the trio is not bottled in the southern Oregon district as was first thought, unless secluded in some remote section. A series of burglaries in California and southern Oregon, occurring in a consistent order that a party traveling north might commit, was being considered by state police as the work of the three men.

The southern Oregon burglary which officers believe might fit into the series was the robbery of the Torgery here last Friday night.

Officer Folsom reported that when he flashed a light into the back seat of the car as he approached it, a slot machine was visible, and that the space in the back of the auto was filled up above the seat.

### LADY LIONS PLAN BIG TOY MATINEE

Lady Lions of Medford, who each year sponsor the remodeling of toys for all needy children of the city, announced this afternoon that the annual discarded toy matinee will be held at the Holly theater tomorrow afternoon. All children in the valley are invited and each one is asked to bring a discarded or broken toy for admission.

The Holly theater has donated the 1:15 matinee Saturday to this cause and a large attendance is expected, the toy being the only requirement for admission. The picture announced for the matinee will star Ken Maynard, always a favorite with the younger generation, and a jolly afternoon is promised. Last year approximately 300 toys were obtained in this manner to bring happiness to children who would otherwise have failed to greet Santa Claus.

The toys are remodeled by the firemen of the city, repainted and made into "good as new" Christmas gifts. All mothers are asked to respond again to this call by sending their children to the theater tomorrow afternoon equipped with toys.

*Amazing!*  
How good a Syrup can be

TRY Amaizo Golden Syrup on your waffles, pancakes or fried mush and you will be surprised that pure sweetness can be so deliciously different.

The children will want it on bread between meals. All right, give it to them. Amaizo is an energy builder and "sets well" in their stomachs.

The first syrup to be accepted for infant feeding by the American Medical Association. Surely a guarantee of its easy digestibility.
