

### WINTER ACTIVITIES ELKS UNDERWAY

Winter activities of the Elks lodge are well under way and are receiving a wide support from the members. The most recent event was the Thanksgiving dance held last Wednesday evening, which proved to be a very enjoyable affair to all of the

capacity crowd attendance. According to Exalted Ruler J. F. Fliegel, the popularity of the dances has caused the dance committee to consider holding a pre-Christmas dance about the 12th of December. He also announced that plans are already being laid for the annual New Year's eve dance, which has proved so popular in the past as to become almost an institution in local social and fraternal circles.

Among the other activities now in progress are the bowling, billiard and bridge tournaments. Roy Pruitt, chairman of the bowling committee,

has eight teams competing for the club championship and some of the best local talent is to be seen three weekly on the club alleys. Chris Gottlieb is again in charge of the billiard players, and play in the balk-line division is now on. In this division, the Chris Gottlieb trophy is the grand prize, which must be won three years by any one individual to gain permanent possession. Reginald Fifer, present champion, is defending his title this year and hoping to gain another win toward permanent possession of the trophy. L. B. Haskins is the bridge chairman and has a

large turnout of card players every Tuesday night playing for weekly, monthly and season prizes. The season prize is a silver loving cup to be engraved with the name of the winner. The cup was donated by Gates & Lydiard.

Another looked forward to event is the annual "Christmas Tree," to be held December 15. According to secretary W. A. Prazier, all the committee for this event are organized and it is hoped to realize enough from this affair to enable the lodge to take an active part in charity work again this winter.

### BOY SCOUT WINTER CAMP PLAN FIXED

Winter camp for First Class Scouts will be held in Crater Lake National park this year. Mr. E. C. Solinsky, superintendent of the park, has given Boy Scouts permission to use one of the large new buildings at Gov-

ernment camp. The camp will be held during the Christmas vacation week, December 27 to 31, inclusive. A new plan is being tried out this year, whereby Scouts may bring food from home. Menus and food lists have been prepared by headquarters. The Scouts will cook, eat, etc., in groups of four, taking turns at the various camp duties. This plan gives the older Scouts some real training in camp cookery and reduces the cost of the camp to a minimum.

Scout Executive O. E. Hoover will be in charge of the camp, assisted by a number of Scoutmasters. Dr.

Dan E. Standard, Scoutmaster of the Phoenix troop, will be the physician in charge of the camp.

and company, importers of Oriental rugs, Portland, Ore.

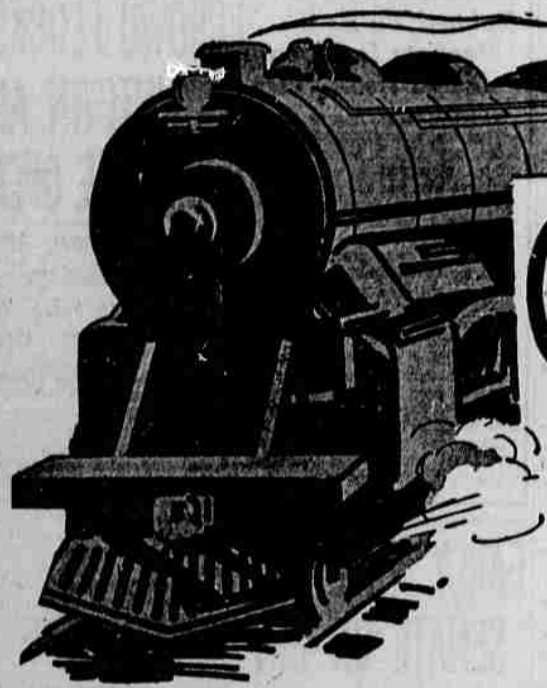

Attractively low prices will be in effect during this special demonstration and sale, according to announcement. The wide reputation of S. A. Kahl and company as authorities in selecting rugs of outstanding quality and beauty makes this exhibition a prominent event for Medford's lovers of artistic homes.
