Audit Bureau of Circulation Ends "Buying Blind" For Advertisers

To buy ordinary "claimed" circulation is just like shopping blindfolded . . . An accurate audit of newspaper circulation is just like displaying merchandise -the merchant who advertises or the woman who places a classified ad KNOW what they are buying-there's no Guesswork! Because the Mail Tribune wants to DISPLAY ITS CIRCULATION, so that advertisers may KNOW what they are buying, this newspaper is a member of Audit Bureau of Circulation.
