

STRING QUARTET PLEASING PHASE IN MUSIC SEASON

By Jeunesse Butler.

After the conflict of economic and social disturbances, war debts, middle-of-the-stream crossings, defeats and deflations, the opening strains from strings bowed by Jacques Gordon and his three conferees, fell upon the fevered spirit, like the lost chord, "with a touch of infinite calm."

To the students of piano literature, as the majority of amateur musicians, the Quartet in A Major, Opus 18, No. 5, must have been something of a revelation.

After Beethoven, the Quartet was heard in Opus 18, D Flat Major, by the Hungarian, Dohnanyi. Richness appeared as this composer's outstanding quality.

What surprising people are the Britains. Not lacking in courage, surely, was Professor Joseph Spaight of Guildhall, London, who dared to consider, as a composer, the Shakespearean fair characters, after the Shakespearean Night's Dream.

While that peculiarly ethereal quality of Mendelssohn may never be found elsewhere (and why should it?), the English composer succeeded in creating some lovely impressions.

As to the artists themselves, at least one listener will cease to overly regret never having heard the Fionzales, and is willing to concede that the Gordon stands in the very first rank of present day quartets.

Last night's audience was large and appreciative, with a greater number of young people present than last season. Now if President Jackson, when reminding association members to be in their seats before the concert begins, would also remind some to desist from whispering and rattling their programs (two inexcusable breaches of courtesy) during numbers, it would be appreciated by those who desire, rightfully, to give their undivided attention to the music which is being played.

Card of Thanks. We wish to thank our friends and neighbors, also the Odd Fellows, for their kindness and sympathy during our recent bereavement in the loss of our husband and father; also for the many beautiful floral offerings.

Warrant Call. Butte Falls School District No. 21 has funds on hand to take up all outstanding warrants. Interest will cease after December 5, 1932. Present warrants to Medford National Bank for payment. E. A. HILDRETH, Clerk.

DELICIOUS CEREAL OVERCOMES COMMON CONSTIPATION

ALL-BRAN Provides "Bulk," Vitamin B and Iron

Kellogg's ALL-BRAN meets a basic need of the American dietary. It supplies "bulk"—so helpful in correcting common constipation.

New tests show added reasons for the success of ALL-BRAN. Laboratory experiments prove that, in addition to "bulk," it provides vitamin B to help tone the intestinal tract.

The headaches, loss of appetite and energy that so often result from constipation can be overcome by this pleasant cereal. How much better than using pills and drugs.

ALL-BRAN is mild. Its "bulk" is much like that of lettuce. Within the body, it absorbs mucus and forms a soft mass which gently clears the intestines of wastes.

Two tablespoonfuls daily are sufficient to overcome most types of constipation. Chronic cases, with every meal, if not relieved this way, see your doctor.

Another benefit of ALL-BRAN is that it has twice as much blood-building iron as an equal amount by weight of beef liver.

Serve as a cereal, or use in cooking. Tempting recipes on the red-and-green package. Sold by all grocers. Made by Kellogg in Battle Creek.

Benefit Party Marks Opening of Club Rooms. An outstanding event of the local club season was the benefit tea and bridge party, held yesterday afternoon in the newly opened club rooms in the city hall, sponsored by the Greater Medford club with the aid of other club groups.

There were 23 tables of bridge in play in the council chamber adjoining the club suite, which was attractively arranged for the occasion. Nine other tables were reserved, adding a substantial amount to the club fund.

Many other guests called for tea and the splendid musical program arranged by Mrs. E. E. Gore and Mrs. Rawles Moore. The program included a group of solos by Mrs. Roy Duncan, who was accompanied at the piano by Mrs. Moore and piano numbers by Mrs. Marian Moore.

Mrs. Duncan sang "Sunbeams" by Ronald; "Lullaby" by Neidlinger; "Ski Song" by Lighter, and "Little Green God" by Russell. Miss Moore's numbers were "Alt Wein" by Gadowsky and Chopin's "Valse."

Mrs. G. R. Batchwell, general chairman of the event, was assisted in the card room by Mrs. Gus Newbury, who arranged for contract, Mrs. Hal Platt, who arranged the progressive bridge tables, and Mrs. John Peter, who arranged for pivot bridge.

Past presidents of the Greater Medford club, who were present, and who presided at the tea table and assisted about the rooms were: Mrs. J. F. Ready, Mrs. Jap Andrews, Mrs. Stella Merrick, three times president of the club; Mrs. E. E. Gore, Mrs. L. B. Humphrys, Mrs. Rose Scheffelin, Mrs. R. C. Mulholland, Mrs. T. G. Heine and Mrs. Katherine Smith. Mrs. H. F. W. Spilver and Miss Hazel Smith also assisted in the rooms.

Prizes at cards were awarded Mrs. Sydney Richardson in pivot, Mrs. L. Pennington in progressive, and Mrs. C. C. Graves in contract. The prizes were donated for the club event by Swen's, Wurt's Gift shop and Adrienne's, and each was a lovely gift.

Women sponsoring the party, funds realized from which will be used to continue furnishing of the new club rooms, were: Mrs. A. J. Hanby, Mrs. Stella Merrick, Mrs. Laura M. West, Mrs. A. E. Reames, Miss Anne Detweiler, Mrs. Van Scoyoc, Mrs. Morris, Mrs. Swearingen, Mrs. Holloway, Mrs. W. E. Crews, Mrs. Edwin L. Knapp, Mrs. E. C. Gaddis, Mrs. Brown, Mrs. Rose Scheffelin, Mrs. J. F. Beddy, Mrs. O. V. Morrow, Mrs. Wilson, Mrs. C. C. Murray, Mrs. H. W. Hamlin and Mrs. Lewis Ulrich.

Appreciation of the city council's co-operation in making the club rooms available to women of Medford was expressed by the sponsors of the party, who also voiced their thanks to the Flower Shop for flowers donated yesterday and to the public for the fine response to invitation to tea and cards.

At the close of the affair a meeting of the Greater Medford club was held in the city hall.

Improvement Club Entertained Friday. ROGUE RIVER—Mrs. Lloyd Miller, Mrs. L. L. Smith and Mrs. George Lance were hostesses Friday afternoon to the ladies of the Rogue River Civic Improvement club, at the home of Mrs. Lance at Rivers. The meeting was dedicated to the Washington bi-centennial anniversary, which was emphasized by various schemes and decorations.

After the regular business meeting, a short program was enjoyed. Mrs. George Lance read a brief sketch of the life of Washington; Phyllis Miller played the first movement of "Moonlight Sonata"; Mrs. Floyd Lance, accompanied on the piano by Mrs. E. Guetlaff, sang two lovely numbers, "In the Garden of Tomorrow" and "The Blue Bird."

A clever and amusing stunt was presented by Mrs. Lloyd Miller. Dainty refreshments were served late in the afternoon.

Garden Club to Talk Of Christmas Lighting. Christmas lighting and winter bouquets will be the feature subjects at the December meeting of the Garden club, to be held at the court house Thursday evening.

H. O. Puppcker will give helpful suggestions for simple, but attractive outdoor lighting arrangements, which will enable even the modest home to radiate Christmas cheer.

Winter bouquets are not easily found, however. Garden club members state. Only a thorough search of one's garden will disclose the treasures whose presence in the bleak out-of-doors is a lovely miracle.

A few primroses, some quaint seed pods, a spray of berries from the spirea, golden chrysanthemums hidden from the rain under protecting shrubs—these displayed in an appropriate bowl, pitcher or vase constitute a winter bouquet.

Members are asked to bring them to the club meeting and enjoy the friendly competition and ideas to be gained on the subject of inside, as well as outside decorations for homes at the Christmas season.

ADDITIONAL SEALS ARE AVAILABLE TO AID HEALTH FUND

Those who wish to use more of the Christmas seals than they received in the envelopes sent out through the mail, are asked to call Mrs. R. E. Green, county seal chairman, or Miss Josephine Koppes of the Public Health office, or the local chamber of commerce.

Because of the excessive amount of additional postage required when mailing more than 100 seals, the committee in charge of the mail sale, enclosed a blue slip in each envelope, which may be used for ordering more seals or for additional contributions to the health work fund. Seals will be sent to anyone contributing where such request is made, according to Miss Mildred Carlton.

Business and professional men and women are asked to use a Christmas seal on every letter and package out between today and Christmas. November bills being mailed tomorrow should all carry the message of Merry Christmas through the use of the seal.

Visitors at the Sparrow Memorial clinic yesterday witnessed a practical demonstration of the excellent work being done by the Jackson County Health unit.

Children from homes where no funds are available for dental work were being cared for by Miss Frances Sparrow while Dr. J. S. Johnson was preparing in the finely equipped operating room to give his services for the entire afternoon in examining, cleaning and filling teeth for the children who seemed unafraid and eager to have their dental work begun. Mrs. Robert Hart was also assisting in the care of the children.

Parents of the children who feel that they would like to contribute for the work done, may do so in amounts from 5 cents to 50 cents. It was pointed out today.

Yesterday's program is only one example of constructive work carried on by the group now sponsoring the seal sale.

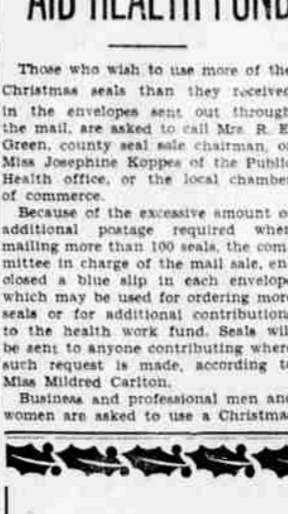

These dental clinics are held every Monday and Friday afternoon in Medford with Dr. Johnson and Dr. R. C. Mulholland donating their services.

A monthly clinic is held in Ashland with an Ashland doctor contributing his services. Among Medford women who alternate in assisting at the clinics are Miss Sparrow, Mrs. Hart, Mrs. Gilbert Stuart, Miss Oma GeBauer, Mrs. F. C. Kenly, Mrs. George Robertson, Miss Carol Dodge, Miss Margaret Pritch, Miss Margaret Nason, Mrs. Robert Munter and Miss Margaret Whitman.
