

Trojans Take Lions Share of All-Pacific Coast Grid Laurels

SPORTS WRITERS CHOOSE MORGAN FOR THIRD TEAM

Former Medford Athlete, Temple and Mikulak Rate for Oregon—Moe, O.S.C., at Half On Third Team

SAN FRANCISCO, Nov. 30.—(AP)—Southern California's Trojans, conference champions for a second successive year and aiming for another national mythical title, claimed a majority of positions in the 1932 All-Pacific Coast football eleven announced today by the Associated Press.

The Trojans placed four men on the first team; one on the second and two on the third. California put four men on the second eleven and St. Mary's listed three players on the third squad.

Two Cougars Place. Although Washington State college finished second in the conference race, the selectors voted individual honors to only two of its players. George Sander, halfback, on the first team, and Clem Senn, guard, on the third team. The team play of Washington State throughout the season evidently impressed the experts more than the work of individuals, with the two exceptions.

Ernie Smith, Southern California tackle, was the only player making the first team for the second straight year.

Sport Writers Picked. The selections are the consensus of more than 30 leading sports writers and officials and coaches throughout the far west.

The all-coast teams:

- First Team: Frank Slavich, Santa Clara, end; Dave Nisbet, Washington, end; Ernie Smith, U. S. C., tackle; Ray Brown, U. S. C., tackle; Bill Corbus, Stanford, guard; Aaron Rosenberg, U. S. C., guard; Lee Coates, U. C. L. A., center; Homer Griffith, U. S. C., quarter; George Sander, Washington State, halfback; Hank Schaldach, California, halfback; Angel Brovelli, St. Mary's, fullback.
- Second Team: Ford Palmer, U. S. C., end; Bill Smith, Washington, end; Dick Toser, California, tackle; John Ransome, California, tackle; Bill O'Brien, Washington, guard; Mike Stepanovich, St. Mary's, guard; Howard Christie, California, center; Gus Castro, California, quarter; Ernie Caddell, Stanford, halfback; Hal Moe, Oregon State, halfback; Mike Mikulak, Oregon, fullback.
- Third Team: Ray Spaulding, U. S. C., end; Jack Gaddy, U. of S. F., end; Bill Morgan, Oregon, tackle; Carl Jorgensen, St. Mary's, tackle; Clem Senn, Wash. State, guard; Larry Stevens, U. S. C., guard; Emory Rubel, St. Mary's, center; Mike Frankovich, U. C. L. A., quarter.
- Reserve: Bill Beasley, St. Mary's, halfback; Mark Temple, Oregon, halfback; Max Krause, Gonzaga, fullback.

FORMER WILDCAT IS HOLLOW SHELL

LOS ANGELES, Nov. 30.—(AP)—Aoe Huckins, once the Nebraska Wildcat, may be on the shady side of his flinty career but he still has the fighting heart.

Before 6000 fans at the Olympic auditorium last night, Huckins, a long way from being the fighter he used to be, put up a courageous but losing battle against Wesley Keschell, Portland, Ore., light heavyweight.

Huckins took two of the ten rounds, Keschell getting the decision. The highlight of the bout was Huckins' being knocked down by a left to the body for a nine count in the last round.

FOUR MEN OF TROY PICKED BY FAR WEST EXPERTS

Of the eleven men selected from a consensus of coaches, officials and sports writers assembled by The Associated Press, four were from University of Southern California while Santa Clara, Washington, Stanford, University of California at Los Angeles, Washington State, California and St. Mary's each placed one. Ernie Smith, Trojan tackle, was the only player accorded a place on the squad for the second successive year.

FINAL FOOTBALL GAME SATURDAY ON LOCAL FIELD

The final football game of the season will be played Saturday afternoon at VanScovoy Field between the Ashland and Medford high school squads. The game was originally scheduled for this afternoon but was postponed on account of the weather.

The game is the traditional battle of this section and much of the spirit and fire of previous years will be on display. Ashland has not won a game this year, but will make its fall fight against the Burghermasters. They have been practicing for two weeks, and fans who think it will be a "set-up" for the locals, have another guess coming.

LILLARD PROMISES BOXING CARD SOON

Mack Lillard, Medford's popular boxing promoter, has returned from a month's absence in Klamath Falls and today revealed plans for a ring show here in the near future which will pit two of the best known fighters of the coast in the main event.

While in Klamath Lillard promoted two of the most successful cards ever staged in the lumber city. "I like Klamath Falls very much," was Lillard's comment on a query as to his long absence, "but," he continued, "Medford is my first love."

GUN CLUB SHOOT RAIN OR SHINE

The Medford Gun club will hold the shoot announced for this coming Sunday, rain or shine, local fans declared this morning, as the storm continued to leave growing puddles about the city.

One of the best shoots in the history of the organization was held in an driving rain. T. B. Daniels recalled, so no one needs to worry about the apparent dampness.

Bancroft Pilots Minneapolis Club

MINNEAPOLIS, Nov. 30.—(AP)—Dave Bancroft, former big league player and manager, today was named pilot of the Minneapolis baseball club, 1933 champions of the American association.

FOOTBALL SAFE FOR BOYS UNDER OLDER SUPERVISION

KANSAS CITY, Nov. 30.—(AP)—Ralph Wedin's hobby—small boys—has made football comparatively safe for many youngsters who might otherwise be endangering life and limb on vacant lots. He organized the South Side midget league, with dad's fathers as directors, and the only major injury this season was a slightly fractured collarbone.

Supplied with standard equipment, coached by someone who knows football, playing weekly games on regular gridirons with paid officials, the grade school boys enjoy the vigorous sport without the attendant danger of unsupervised contests. The league also sponsors basketball and baseball.

MICHIGAN FAVORED TO FACE TROJANS IN PASADENA TILT

LOS ANGELES, Nov. 30.—(AP)—The latch-string to the Rose Bowl portals at Pasadena is out to Michigan. University of Southern California made this fact obvious last night in accepting the invitation to represent the west for the fourth time in the annual intersectional Rose tournament football classic without comment as to its possible opponent.

Colgate and Pittsburgh, the east's potential candidates to the game, have indicated a willingness to participate should the opportunity present itself.

As the situation now stands, Trojan officials will await possible action of the Big Ten conference in its setting this week-end on the matter of lifting the anti-post-season game barrier in favor of the undefeated Wolverines.

WILY OLD GRAPPLER NEEDS NO SYMPATHY

SALEM, Nov. 30.—(AP)—Seasoned wrestling fans appeared to almost feel sorry for Henry Jones of Provo, Utah, who is unofficially reported to be on the shady side of 60, when his young opponent, Jack Mitchell, of New York, tossed him wistfully about the padded arena and with a toe hold made him pat the mat in 12 minutes and 22 seconds.

CLAIM COLUMBUS 40 YEARS LATE

SEVILLE, Spain, Nov. 30.—(AP)—Documents indicating the American continent was discovered in 1492 by the Portuguese navigator, Vasco de La Frontera, have been discovered. It was announced today by the Portuguese historian, Cortesao, former director of the national library at Lisbon, and now a political exile here.

In the archives of Lalorre Del Tumbo, he said, he found documents which may prove that De La Frontera, in company with Diego Delave, another Portuguese, preceded Columbus by 40 years.

FOUR NEBRASKANS ON ALL-STAR BIG SIX MYTH SQUAD

KANSAS CITY, Mo., Nov. 30.—(AP)—Four members of the champion Nebraska football squad won places on the 1932 honorary all-star first team selected for the Associated Press and sports writers from the gridiron ranks of the Big Six conference.

FOREIGN MARKET FOR FARM STUFF HELD MAIN NEED

Must Begin Selling Abroad Again Or Cut Down Production to Domestic Need Is Word at Conference

CHICAGO, Nov. 30.—(AP)—Development of foreign markets for surplus farm crops received major attention today as agricultural relief was discussed by state commissioners and secretaries of agriculture at their annual convention.

Commissioner Stuart Pierson of Illinois urged that new markets be found abroad, particularly in the Orient, and that by advertising farmers increase the domestic consumption of their crops.

Must Recapture Markets. Statesmen and diplomats were challenged to recapture foreign farm markets by Secretary J. C. Mohler of Kansas.

"We must either start selling again to former customers abroad or we must cut down our production to domestic needs," he said. "The latter is unthinkable."

The agricultural marketing question is an international problem and should be worked out as such, the state officials were told by G. I. Christie, president of the agriculture college of Ontario, Canada.

Heads of other state agriculture departments favored farm relief through lower taxes, refinancing of farmers at low interest rates and the "honest dollar." No general agreement was attempted at today's session.

Honest Dollar Needed. "We should grow one blade of grass where two grew before," said Commissioner J. E. McDonald of Texas, in presenting a plan for a federal appropriation to establish "the worthy unemployed" on farms and to provide funds for refinancing mortgages at an interest rate of one per cent.

Commissioner William A. Graham of North Carolina, urged that action be taken for an "honest dollar," so that farm debts incurred during times of higher prices could be repaid more easily during economic stress. He also denounced high tariffs as preventing other nations from selling their goods in the United States in exchange for farm produce.

Dependable Insurance Is The Only Kind Worth Having

When insuring your property make certain that you are assured of fair and speedy settlement of claims. Losing your property is tragedy enough without having to worry about settlements.

The dependable fire, casualty and automobile companies we represent, have, gained the reputation of settling claims promptly. It's a big help to get prompt action when in urgent need of money. But in order to do this, the companies must have prompt payment of premiums in accordance with their rule of either cash or forty-five days from date of policy. We do not have mutual, reciprocal or cut-rate companies.

I am recovering from injuries sustained in an automobile accident and have been instructed by my physician to rest and stay completely away from work for at least another month. Mrs. Gertrude Fredenburg Greb, who has had seven years' experience in accounting and insurance, Mrs. Mabel Showers and my brother L. A. Wakefield will have charge of the office during my absence. Also F. J. Newman and Geo. Neilson, Attorneys, will represent my agency.

I have been serving friends and clients here for the past twenty-four years and have always been glad to extend time on payments, but at this time I am very much in need of some settlement of your accounts and your prompt attention to same will surely be appreciated.

Very truly yours,
J. W. Wakefield Agency

WILLIAM POWELL STEALS HEARTS IN STUDIO FILM
William Powell and Kay Francis are reunited in "Jewel Robbery," which opens at the Studio theater tonight.
Powell appears as the suave, slyly humorous "robber," a man who steals hearts even while husbands look on hopelessly. Miss Francis appears as the beautifully gowned Baroness Terl, toast of Viennese society, sought after by a thousand men, but loving only one, and he not her husband.
