

CHINESE REBEL LEADERS TAKEN BY JAP FORCES

Pair Long Active in Blocking Nippon's Domination of Northwestern Manchuria Are Finally Captured

TOKYO, Dec. 8.—(AP)—Su Ping Wen and perhaps Ma Chan Shan—the two Chinese generals who have long blocked Japanese domination of far northwestern Manchuria—were reported today to be prisoners of the Japanese army.

Rengo (Japanese) News Agency dispatches from Taitshar, the north Manchurian headquarters of the Japanese forces, said the Russian authorities had turned the two Chinese over to the Japanese at the border.

General So fled into Siberia Sunday before the advancing Japanese and was disarmed and interned with some of his followers by the Soviet authorities.

One Says He's Ma. One of the followers was said to have called himself General Ma—the man who held back to Japanese several weeks in their march on Taitshar. Last July the Japanese said they had slain General Ma, but a few days ago the foreign office said it was not so certain of this.

At any rate, the man who called himself General Ma was reported by the Rengo agency to be among the prisoners.

The transfer occurred last night at the border city of Manchull, the agency said, adding that 40 of the followers of General Su also were given over to the Japanese.

Face Murder Charge. Military circles believed the rebel leaders would be court-martialed and some of them charged with murder. These charges would be based on the slaying of Japanese in northern Manchuria last July and the penalty would be execution.

Tokyo officials professed surprise at the quick delivery of the Chinese insurgents by Soviet officials, and said it was arranged by local authorities on the Siberian border and was not discussed in Tokyo or Moscow.

Reports said they were being taken to Taitshar, headquarters of the Japanese army.

General Su and his staff fled across the Soviet border at Manchull last Sunday, hoping to return to China by way of Chinese Turkestan. They were disarmed and interned by Soviet officials.

Ends Military Need. It was learned from an official source here that Eiji Amoh, Japanese charge d'affaires at Moscow, has proposed the formation of a Russian-Japanese joint commission to supervise the policing of the frontier at Manchull, under a sort of non-aggression agreement. The Soviet foreign minister, M. K. Karakhan, rejected the proposal to his government.

Karakhan, it was learned, expressed belief that the collapse of General Su's revolt obviated the necessity of active Japanese military operations near the border.

Communications

Tribune Is Thanked. Alumni of the University of Oregon and other organizations and committees interested in the recent campaign to preserve the institutions of higher education of Oregon on the present basis, as established by the state board of higher education, desire to express to you, as a member of the press of the state, their appreciation for your part in the campaign.

We all feel that the influence of the newspapers and the high-minded sense of proper and just treatment of the educational institutions of the state on the part of Oregon's editors was directly responsible for the overwhelming defeat of the Zorn-MacPherson bill, thus assuring continued progress for higher education at the lowest cost, commensurate with efficiency, to the state.

Your voluntary service to the cause contributed materially to its defeat. And the alumni and associated workers are deeply grateful for the part you played in their fight to maintain the standards of education which they felt necessary for the welfare of the state.

The 8 to 1 vote against the bill has been interpreted by a large number of your fellow newspapermen as an ultimatum from the people, definitely expressing the wish that educational affairs be left to those persons who are best qualified to administer them. We share this belief, and trust that outside political influence may be divorced from the field as far as possible, and that the institutions will be allowed to follow the course outlined for them by the state board.

May we again state that your concern and cooperation during the days prior to election was most gratifying and that we feel that you have contributed a fine service to the state. OREGON ALUMNI ASSOCIATION, By Alexander G. Brown.

Mouse Deserts Gleeman's 'Tux' During Concert

One little mouse went to the Gleeman's concert Tuesday night, and seemed quite charmed with the numbers presented by the local choristers—not making his exit until nearly the end of the program—when he ate his way out of one of the member's pockets. Unnoticed by most of the large audience, the little animal, who probably had been making his winter home in the tuxedo, which had not been worn in some time, hopped to the floor and scurried from the platform.

CENTRAL PT. SCHOOL PLANNING CHRISTMAS PROGRAM DEC. 23RD

Central Point schools will hold annual open house in connection with the Christmas program Friday evening, December 23. A splendid program is being prepared. All school rooms will be open to visitors, school work will be on exhibit and parents will have an opportunity before and after the program to see what is being done.

Basketball season will officially open Friday night when Central Point plays the strong Eagle Point team at Central Point. The Eagle Point team defeated the Talent team recently, while the Central Point team has shown up well in a scrimmage against Jacksonville and Ashland. There will be a preliminary between the Central Point girls, last years champions, and an all-star women's team from Grants Pass.

Central Point schools maintained the splendid record of past years in Christmas seal sales, over \$18 worth being sold.

FORMER ASHLANDER KILLED BY HOLDUP

H. L. Whited, former resident of Ashland, and well known in Jackson county, was shot and killed by a hold-up man at Crockett, Calif., where he was engaged in the jewelry business. He is survived by a wife and daughter, and was a member of the Mason and Elk lodge.

Whited lived in this county for many years and was well known among the older residents of this city. He moved to California from Jackson county about 18 years ago.

COURT FILES FOR FEDERAL HIGHWAY AID IN TERRITORY

The county court yesterday filed with the state highway commission the necessary papers for allotment of federal aid highway work to this county. It is a formality. Bids for work on the Pacific highway re-routing over the Siskiyou, and the Central Point cut-off, will be let next Wednesday by the state highway board. Work will start as soon as possible after the contracts are let. Some preliminary work will be under way in a week or ten days after the letting of the contracts. Both projects are expected to be in full swing shortly after the first of the year.

The Siskiyou project is expected to last until well into next summer, and the Central Point project for a couple of months. The work will be a boon to the county unemployed and relieve the local labor situation. Plans are being considered to issue the work exclusively to Jackson county residents of more than two years, with preference to home owners and married men, and those with dependents. Opening of the work, it is anticipated will lure transients from nearby counties and restrictions will be placed upon them.

In California and Washington, where federal projects will soon be under way, steps have been taken to protect the home workers and worthy poor. On the San Francisco bridge project, a rule has been adopted requiring that all workers prove two years residence in the city or county.

Assignment of county road work for next week will be made this afternoon. This week, 160 men from all parts of the county were detailed to road jobs.

As soon as the federal work gets under way the county emergency work will be suspended, according to present plans.

FIRST SEAL SALE QUOTAS REACHED

The first school to report its sale of Christmas seals is the Beaver Creek school, of which Miss Jeanette Gore is the teacher.

A close second is the Prospect high school, Ray L. Zobel, principal, turning in his report to Mrs. E. E. Green, county seal sale chairman.

Mrs. Green this morning had received 240 returns from the letters sent out by the Jackson County Public Health association, each containing 100 seals and a blue slip to be filled out with a pledge of further regular financial assistance in the county health program.

The response, so far, according to Mrs. Green, has been entirely from Medford residents and an early return from all others to whom seals were sent is requested.

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go. If you feel sour and sunk and the world looks pink, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. One bite up your stomach. You have a thick, bad taste and your breath is foul. Skin dries, breaks out in pimples. Your head aches and you feel down and out. Your whole system is poisoned.

Take those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Beware a substitute. See at all stores. © 1931 C. M. Co.

BAD CHECK PAIR TO PLEAD FRIDAY

Alvin Myles and Roy McCaulley, residents of the county were arraigned in circuit court yesterday, and given until tomorrow morning at ten o'clock to enter pleas to charges of forgery preferred against them.

According to the district attorney's office both have expressed a willingness to plead guilty and have admitted that McCaulley wrote bad checks and that Myles passed them. Ira Bailey, recently sentenced to state prison for forgery, is asserted to have had a part in check swindles.

Myles, according to the authorities, was only released from state prison a few months ago where he served time on a forgery charge.

GRAND JURY WILL PROBE CAR DEATH

The grand jury, William T. Grieve of Prospect, foreman, will reconvene next Monday, December 12, to conclude the business of the session. The auto accident Tuesday night near Jackson Hot Springs that resulted in the death of William Scheble will be brought before the body, the district attorney's office said today.

The auto was driven by Earl Scheble, brother of the crash victim, and Ned Holmes, a friend, was also an occupant of the car. The grand jury session is expected to be short and to conclude a number of local matters that have been under consideration at previous sessions.

WILLIAM SCHEBLE FUNERAL SET FOR TOMORROW 9 A. M.

William James Scheble passed away at the Ashland Community hospital early Wednesday from a skull fracture received in an automobile accident near the Jackson Hot Springs. He was a farmer by occupation and had at one time raised stock in the Klamath country. His mother and father, Mr. and Mrs. W. M. Scheble, are old-time residents of Medford, living here for the past 30 years, and the sons growing to manhood in this section.

A member of the Catholic church, William was a fine Christian man, and his sudden and unexpected death will be mourned by a host of friends. He leaves his mother and father of Medford, one brother, Earl Scheble of route 1, Medford, two sisters, Josephine L. Scheble of Medford and Mrs. Florence Luckroth of Portland, Ore.

Funeral services will be conducted from the Sacred Heart Catholic church Friday at 9:00 a. m. Father Francis W. Black officiating. Interment will take place in the Siskiyou Memorial Park.

Prayers will be held at the Peri Funeral Home this evening at 8:00 p. m.

EMPLOYMENT BUREAU WILL BE CONTINUED

The local employment bureau, operated by Chris Gottlieb of this city, will continue in operation for some time, it was learned today, although federal appropriations for federal labor bureaus have been discontinued. Funds for the Portland bureau are still available but other appropriations have ceased.

Mr. Gottlieb expects to continue the local bureau throughout the winter, thanks to city and county support.

LONDON, Dec. 8.—(AP)—Great Britain has notified Persia that unless cancellation of the Anglo-Persian Oil company concession is withdrawn within a week this country will refer the dispute to The Hague court.

Cost 20 Lbs. of Fat In Just 4 Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment!"

Fat folks should take one-half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast — it's the SAFE, harmless way to reduce as tens of thousands of men and women know.

For your health's sake ask for and get Kruschen at Jarmin & Woods, Brown's Pharmacy, or any drug store—the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back.
