Good looks are often a matter of good health. Sparkling eyes and a smooth complexion are outward signs of an abundant vitality.

To be charming, conserve your bealth. Guard against constipation. It so often brings wrinkles, sallow skins, dull eyes, pimples.

Try the pleasant "cereal way" to protect yourself from constipation. Science has proved that Kellog's ALL-BRAN provides "bulk" to ex-ercise the intestines, and vitamin B to tone the intestine tract. ALL-BRAN also furnishes iron, which helps build up the blood.

The "bulk" in this delicious cereal is much like that of lettuce. How much safer than abusing your system with pills and drugs -- so often habit-forming.

Two tablespoonfuls daily will correct most types of constipation. If not relieved this way, see your doctor.
