Rev. Bennett to Head Bible Class Methodist Men

Methodist men, in their Bible class, in the First M. E. church, will be led in their study and discussion, by the pastor, the Rev. Dr. A. G. Bennett, Sunday mornings, at 9:45, for a few weeks.
 Dr. Bennett turns today's discussion to the practical side of Christian living, raising several subjects and questions: "Christianizing the American Home"; "What Stand Should Christians Take in Law Making and Law Breaking?"; "Can the Boose Traffic and Use Be Justified?"; "What About the Profit Motive in Business?"; "Is Leisure a Serious Modern Danger?";
 The Bible and life are to be fundamental considerations in the series of discussions, according to Dr. Bennett. H. G. Gillett is president of the class.

2 ADVANTAGES IN FREE FEED TEST

In addition to the prize awards to be given the successful entrants in the NOPCO XX Free Feed Test, there are additional advantages to be gained by the poultrymen.
 "The importance of this test to poultrymen," says Mr. Sumbardo, manager of the Washington Coop, Hatcheries, Everett, a particular and satisfied user of NOPCO XX for all their chicks, "is more than the winning of the free feed, it is the habit formed in keeping records on flocks and knowing definitely what they are doing, so that definite results can be shown at certain stated periods of time. It is a good thing for every poultryman and if you are not already entered, go to your feed dealer today and get your entry blank and have a try at one of the many big worthwhile prizes."
 There is no formality required. The poultryman simply obtains a form from his dealer, so as to be eligible for a share in the 150,000 pounds of laying mash being offered to add interest to the search for facts.
