E. B. CARTER, DEAN OF BANKERS DIES IN ASHLAND HOME

E. B. Carter, 72, dean of Oregon bankers and one of the state's most prominent figures, died last night at 8 o'clock at his home on the Boulevard, Ashland, his death being the culmination of an affliction of 15 years.

He was president of the First National bank of Ashland until his death, having continued an active and useful life in spite of his affliction.

Mr. Carter was a native of Iowa and was educated at Ames college before coming west with his parents, who established the bank of Ashland, the first banking institution in the city, in 1884. He was cashier of the bank until it was nationalized and became president of the United States National bank, its successor.

The United States National was later merged with the First National, of which Mr. Carter was president until his death.

He was also prominently allied with civic and political affairs throughout his life, having served in the state senate and house of representatives. During his term in the legislature, he was speaker of the house.

He was a long-time member of the Masonic lodge, belonging to all branches of the order and was a charter member of the Ashland Lodge of Elks.

New Year's eve he attended festivities at the club, driving his car to and from the temple, being apparently in good health. His death last night, therefore, came as a great shock to his many friends in the Rogue River valley. His widow, Mrs. Anna Fox Carter, is his only survivor in Ashland.

Funeral services for Mr. Carter will be held at the Elks temple in Ashland at 2:30 o'clock Friday afternoon under direction of the Elks' lodge. The body will then be shipped to Portland for services at 2 o'clock Saturday afternoon. Cremation will follow.

Greater Medford Club Enjoys Musical Program

The regular meeting of the Greater Medford club was held on Tuesday in the city hall clubrooms, with Mrs. G. R. Stachwell, president, presiding. The attendance was small as a result of many illnesses.

Mrs. F. E. Gore, who has accepted the music chairmanship of the organization, presented the fine program, "Gavotte," by Mowry of Portland, and "Danse Americaine" were played by Ray Lewis of Jacksonville, and "Prelude" by Chopin and "Polichinelle" by Rachmaninoff, played by Rosa Gore.

L. Pennington of the Lions club explained the relief kitchen plan of the organization, and stated that there is a need for wood to give work to all applying for aid. This wood, when cut, is turned over to the Red Cross, and between November 6 and December 31, he stated, 2378 meals were given to the needy. 798 were given sleeping quarters and 17 families complete relief between December 6 and 31.

William McAllister of the Active club told of the work of the organization composed of the younger business and professional men. The club is furnishing leaders for and sponsoring Girl and Boy Scout troops and paying a portion of the rent on the Berrydale community house.

Miss Helen Carlson talked of the relief exchange, stating that, contrary to general belief, few people are very touching to see how eagerly people accept work in order to earn the necessities of life. The exchange is kept open on Wednesday and Saturday, with 20 women given work. The waiting list is so long that one person can get only two days work a month.

During the business hour yesterday the club voted to defer the Lions' benefit party until late January of February, and sponsor a party in the near future to raise funds for club expenses.

Mrs. Stachwell stated that as there are only a few months remaining in the club year, a program chairman would be appointed from month to month, thereby saving year book expense.

Mrs. G. D'Albini will be chairman of the February meeting, which will be held February 6.

Skating Party Event of Holiday

Gene Brock, Lloyd Nicholson, Dick Roberts, Doris Barrett, Robert Littrell, William Bigler, Dick Brown, Lucien Clement and Bill Cummings.

CO-OP ADVANCE PRICE FOR EGGS

PORTLAND, Ore., Jan. 4.—(AP)—Advance of one cent instead of a decline in the price of eggs by the local co-ops was the answer of Manager Dixon of the Oregon organization to those private firms and outsiders who have so persistently sold down the local market price.

It was a complete answer to the unreasonable shading of established prices here, the latter being sufficiently low to create a normal movement.

Quite a fair volume of butter has been moved out of the Portland territory to California points during the last few days; taking care of whatever surplus has been accumulating here. Make it still better than seasonable.

EXTRA PRECAUTIONS URGED

With flu increasing in many sections of the country, health authorities urge everyone to take extra precautions against colds just now.

The safest course to follow is that outlined in Vicks Plan for better control of colds. Briefly, it is this:

To Prevent Many Colds. At that first feeling of stiffness or nasal irritation, sniffle or sneeze—Nature's usual warning that a cold is coming on—use Vicks Nose and Throat Drops, the new aid in preventing colds. Vicks Drops aid Nature in throwing off the infection that threatens. They prevent development of many colds.

To End a Cold Sooner. If a cold has developed, or strikes without warning, vigorous measures are necessary. At bedtime, massage throat and chest well with Vicks VapoRub. It acts two ways at once to bring relief: By stimulation through the skin, like a poultice or plaster; and by inhalation of its medicated vapors direct to irritated air-passages. During the day— for added comfort and relief—use the convenient Vicks Nose Drops every few hours as needed.

Plan Tested and Proved. In clinical tests among thousands last winter, Vicks Colds-Control Plan reduced the number and duration of colds by half—cut the costs and dangers of colds more than half. How you can follow the Plan in your home is fully explained in each Vicks

Millon B. Sexton and his son Wilbur were arraigned yesterday before Justice of the Peace William B. Coleman on a charge of assault, as the result of a "brawling affair" at the home of Antonio Sonecova in west Medford New Year's eve.

Father and son were ordered held to the grand jury, with bonds at \$1000 each, which they were unable to furnish. It was alleged that during the course of the fracas, the elder Sonecova's billfold, in his hip-pocket, was hit by a bullet, also a pair of chickens. A stove poker and fists are also said to have flown.

The inquestal body is also scheduled to hear witnesses in the case of Albert E. Jordan, Ashland merchant, as a result of a Christmas day tragedy that resulted in the death of Walter P. Long of Dunsmuir, Cal.

The death of John (Jack) Higley as the result of an auto accident on the Pacific highway near the fairgrounds, is also to be aired. It is said.
