TIGERS INVADE ROSEBURG FOR CLASH TONIGHT

Burgher's Basketball Boys Take On Veteran Team Tonight—Klamath to Play Here Friday Evening

Medford's Tigers left this noon by private auto for Roseburg, where they will meet the unknown Roseburg team in a non-conference game, the first of two hard games to be played by the Tigers this week. The squad of 10 men and Coach Burgher will return about noon tomorrow, and will play Klamath Falls here Friday in another non-conference game.

The strength of Roseburg is unknown, but Coach Burgher said when the team left yesterday, that Roseburg has a veteran team this year and may prove difficult. Last year the team was inexperienced, and composed mostly of sophomores. This year, however, they present a different picture, and although Coach Burgher wasn't worried, he wasn't exactly taking the game lightly.

The strength of Klamath Falls is fairly well known, however, as the Pelicans have defeated Weed and Yreka by rather handsome scores. Medford was able to defeat Weed, 19-5, earlier in the season, and Mt. Shasta, 44-14. Yreka, it is understood, has also defeated Mt. Shasta.

Medford's Tigers will be taken to Roseburg in cars belonging to Les Scheffel, Robert Elson and Coach Burgher, and will spend tonight in Roseburg. The private auto idea of transportation, Coach Burgher said, cuts down the expense considerably, and will be used on all trips where it is possible.

Ed Kirtley, assistant coach will not accompany the team to Roseburg, Burgher said.

Men who are making the trip to Roseburg are Scheel, Brown, White, Harris, Luman, Hammock, Knipe, Lindley, Kunzman and Severson.

CHINESE GRAPPLER MEETS NEMESIS

PORTLAND, Ore., Jan. 17.—(AP)—Walter (Tinkit) Achiu, Dayton, O., Chinese, 156 pounds, met his nemesis last night in Rob Roy, Jackson, Mich., 157, grappler, after Achiu had been successful in a dozen previous bouts here. Roy won two of three falls, lifting Achiu on his shoulders and whirling him 16 times in a beautiful airplane spin before dumping him for the decisive fall.

Roy took the first fall in 11 minutes, 11 seconds with a reverse back slam. Achiu won the second fall in 16 minutes, 6 seconds with a self-strangle hold. The Chinaman twisted Roy's arms across his neck, pinning his hands behind his head so that Roy was forced to pound the mat or choke. The final fall came after a series of reverse headlocks in which Roy had all the best of it. The time was six minutes, 67 seconds.

TEXACOS TAKE ON G. P. ALL-STARS HERE WEDNESDAY

The Grants Pass all-stars will be given a chance to gain vengeance ove rthe Medford Texaco team tomorrow night at the Junior high school court, it was announced by Sam Colton, manager of the Texacos. The Texaco team defeated the Grants Pass team in Grants Pass last Friday by a 35-25 score, and the Cavemen are still rankled at the defeat.

Texaco's team will be strengthened by the addition of Odd Hughes and George Harrington, who did not play against Grants Pass. Del Anderson, who added pep and fight to the last half against Grants Pass, will also see action tomorrow night. Harrington, Anderson and Hughes are former Medford stars.

Ray Henderson's Junior high school team will meet the Tiger Cubs in the preliminary game tomorrow night, and will also have some vengeance to rent. The Cubs defeated the Junior team last week-end by converting free throws, as each team scored 18 points from the floor. Coach Henderson feels his men can down the Cubs, if they can find the basket on free throws. They have received some strict coaching on that point this week.

The Junior high school team will not play a conference game this week, out of respect to Tel Lindley, one of the regular players. A game had been scheduled with Ashland, but was called off. It will be played one week from tomorrow night.

ENGEN SKI KING IN SHASTA MEET

MT. SHASTA, Calif., Jan. 17.—(AP)—Sturdy Alf Engen of Salt Lake City held the northern California professional ski jumping championship today as a result of his win here over a field of long-leaping experts.

The meet held during a blinding storm, which was braved by 200 spectators, brought an injury to Engen's leg on his second leap and more serious an injury to Halvor Halsted, Lake Arrowhead, who made the second best jump, 148 feet. Engen leaped 158 feet to win. Einar Fredbo, Salt Lake, made a 142-foot jump for third.

Because of the storm two jumps were made by each contestant.

STATERS DEFEAT COUGARS, 26-14

CORVALLIS, Ore., Jan. 17.—(AP)—Oregon State's basketball quintet, led by Captain Ed Lewis, defeated Washington State, 26 to 14, here last night, and put a temporary stop to the Cougars' march to the conference championship. The score at the half favored the Orangemen, 13 to 9.

An airtight defense on the part of the home team was largely responsible for the low score, although both teams missed several good shots. The Cougars scored first, then the Orangemen ran up 10 points rapidly before their opponents could register again.

3-CUSHION CHAMP IN COMEBACK DRIVE

CHICAGO, Jan. 17.—(AP)—With the world three-cushion billiards championship tournament only in its second day, the defending titleholder, Augie Kieckhefer of Chicago, already was making comeback plans today.

The Chicago southpaw started off at a great clip in the opening match last night, but broke down and lost a 50 to 48 decision to Clarence Jackson, Canadian veteran, who calls Detroit home, in 56 innings.

Kieckhefer, who had a high run of four, led Jackson by 28 to 9, at the 25th inning, but from there on in, the Detroit representative staged a brilliant uphill battle to gain the lead and win. He had high runs of seven and six.

SECONDARY CAGE SQUADS WILL BE BUSY TO MAR. 10

Secondary high schools of the valley will be kept too busy from now until March 10 to complete ambitious schedules prepared for the two conference groups. The Central Point, Gold Hill, Jacksonville, Phoenix, Rogue River and Talent teams comprise one group, with the balance of the secondary high schools making up the second half. The winner of each group will meet to determine which team plays the winner of the Medford, Ashland, Grants Pass group, for the southern Oregon title.

Each team has already played two games, if it has stayed by its schedule, and Friday night each will play again. From Friday on, the games are scheduled as follows:

Friday, January 20 — Phoenix vs. Rogue River; Talent vs. Central Point; Gold Hill vs. Jacksonville.

Whitman Defeats La Grande Normal

LA GRANDE, Ore., Jan. 17.—(AP)—Eastern Oregon Normal school basketball players matched Whitman college's offense during the first 15 minutes of play here last night until McAls, forward, and Irving, guard, went on a scoring spree that resulted in a final count of 52 to 29 in favor of the Missionaries. The two men accounted for 15 and 12 points, respectively.

BASKETBALL FANS SUPPORTING GAME AT PROFIT LEVEL

Lowered Prices to Keep Pace With Changing Conditions Brings Greater Crowds—Pays Own Way

By L. W. ST. JOHN,
Chairman of the N. C. A. A. Joint Basketball Rules Committee and Athletic Director of Ohio State University.

(Written for the Associated Press)

COLUMBUS, O., Jan. 17. — (AP) — Basketball in 1933 continues as a healthy and profitable sport. Changing financial conditions have been met by a widespread reduction in admission prices, resulting—along with other influences — in increased attendance.

Basketball, in most colleges, is the only sport besides football that pays its own way. In secondary schools, the game does even better, and in many cases it goes a long way toward supporting the athletic program.

Stalling Curbed.

A leading factor in the extensive interest shown in the game this year is found in the new rules. An increase in "stalling" tactics and, more prevalent than this, a great increase in deliberate and delay offensive, was operating previous to this year to lessen interest in the game.

It was asked of the new rules that they speed up offensive play and, if possible, reduce stalling. This the new rules have done. Contrary to fears expressed by many persons, there has been no increase in whistle blowing; in fact, the tendency has been towards less interference on the part of officials.

I believe that basketball is the ideal indoor sport for schools and colleges. It is a fast game, filled with action. Spectators are comfortably accommodated and are close to the field of action and the constant change from offense to defense makes it most fascinating.

Players Increase.

Individual, as well as team play, can be appreciated by the average fan. A greater number of boys in secondary schools and colleges are now participating in this game of basketball than ever before.

Discontinuance of the practice of broadcasting games is believed to contribtue to the increased attendance. I am convinced that a survey of the United States will show larger attendance and increased interest at this time, when practically all other sports are showing a decline in attendance, if not in interest.
