PHOENIX WOODCRAFT INSTALLS OFFICIALS IN IMPRESSIVE MEET

PHOENIX, Jan. 18.-(Spl.)-Neighbors of Woodcraft circle held installation service at their hall January 16. Mrs. Dorothy Loffer was chairman of the program committee. Mrs. Maude Daugherty was installing officer, with Fred Daugherty as first assistant, Mrs. Minnie Colver, second assistant, and Dorothy Loffer, third assistant. Those on the drill team were: Nettie Holcraft, Leona Daugherty, Naomi Montgomery, Beatie Bachburn, Opal Montgomery, Elva Caster, Ida Bishop and Bertha Cobligh.

GRANTS PASS, Ore., Jan. 18.-(Spl.)-Attempts to find the body of Clarence A. (Pat) Cline, 24, who it is feared lost his life about December 24 in the snow covered Bear Basin, near Crescent City, have so far proved futile.

After a thorough combing of the snow in the vicinity where Cline's knap-sack was found the first of last week, arrangements were being made to organize a party of volunteer searchers to look for the body. It is not thought likely that the remains will be uncovered until the snow begins to melt in the spring.

Cline left Crescent City on the morning of December 24 to return to his cabin in the Bear Basin. Friends, receiving no word of him began to worry and began the search for Cline, which so far has been fruitless.

Cline had been trapping in the Bear Basin country, batching with Herman Zulphur. He went to Crescent City last October from San Francisco, where he was a salesman for Spaulding Brothers sporting goods.

Card of Thanks.

We wish to express our sincere appreciation to the many friends for the sympathy and kindness extended us during our recent bereavement, and also for the lovely floral offerings. Roy Landley and Family.

RADIO OPERATORS MEET THURSDAY

The local unit of the volunteer communication reserve of the United States navy, recently organized here, will hold next regular meeting Thursday evening at the local armory. Code practice equipment has been made available, and a course of active training outlined to make the meetings of the unit interesting and instructive. Local members have volunteered to teach various subjects in continuous and consecutive courses, which will make every radio man in the unit a better operator.

Courses will cover such subjects as code practice, naval procedure, radio and electrical theory, and naval customs and courtesies. This training is not expected to be sufficient for members who know nothing of radio but it is hoped that it will increase the knowledge of men who already know something of radio, whether they be amateurs or commercial operators.

Ensign Carl Johnson, USNR, extends an invitation to all radio men, commercial operators and amateurs in the vicinity of Medford who are interested in the unit, to be at the Medford Armory Thursday evening at 8 o'clock. Applications for membership are still being accepted. The meeting will be held in the American Legion auxiliary room, on the second floor and at the north end.
