

TIGERS DEFEAT PELICANS 19-18 IN HECTIC TILT

Lead Changes Often in Final Frame As Quints Stage Whirlwind Finish to Keep Crowd in An Uproar.

By ADRIAN FRALEY In a fast and hard fought game, the Medford Tigers chalked up the narrow victory of 19 to 18 over the Klamath Pelicans Friday night on the local floor.

Allen of Klamath was an outstanding player of the evening, guarding his man in Medford's quarter in the offensive drives, scoring 8 markers to be high spot man of the game.

Bud Lindley, playing his last game, won considerable recognition. This game also ended the high school basketball career of Bill Knips, steady Medford guard.

The locals climbed into the lead when they dropped a foul, closely followed by a basket by Luman. The half ended in Medford's favor, 11-10. The Eastern tilt broke into an offensive which put them in the lead in the third quarter, 15 to 14.

The fourth quarter was climaxed with the best basketball known by both teams. The crowd was on their feet shouting almost the entire fourth quarter with the score going from one team to the other by a one or two point lead.

The lineup: Medford (19) Pos. K. Falls (18) White (3) Wakeman (3) Luman (4) F. Pastega (4) Harris (5) G. Knight (5) Schell (1) G. Knight (3) Brown (4) G. Scroggins (3) Lindley (2) C.

The Cubs won a preliminary tilt from the Junior high quintet by a score of 20 to 19.

Rogue River's lineup was not available, but Gold Hill's team was D. Walker, B. Hammerly, Ted Ritter, H. Engren and C. Kell. Gold Hill plays Talent at Talent next Friday.

Jacksonville defeated Talent 45-36 in a fast scoring and hard played game at Jacksonville Friday, to make it two wins and one loss for Jacksonville this year.

The Central Point, Phoenix game was called off last Friday because of the death of Charles Swingle, father of one of the Phoenix players. The game will be played Tuesday, according to H. P. Jewett, superintendent of schools at Central Point, O. Casad, one of the Central Point players, was injured in practice last week, however, so the postponement was not inconvenient to Central Point. Casad will be back in shape next Tuesday, Jewett said.

Central Point and Phoenix are the only two teams that are, as yet, undefeated in the first section of the secondary league, and the game Tuesday will have championship characteristics. The game will be played at Phoenix.

Next Friday Central Point will play Rogue River, Gold Hill will play Talent and Jacksonville will play Phoenix.

GUENTHERS TEAM HIGH BOWLERS IN ELK TOURNAMENT

Hugo Guenther's team garnered last week's prize for high pin total with 2841. In the Elk club tournament and maintained their record unscathed by defeat, according to figures announced by the tourney chairman, Roy Pruitt with an average of 180 in six games, rules the roost in the individual 11st followed by George Eads and Al Solinsky.

Best Orr's outfit took two out of three from the George Eads quint Friday night and the Gill and Brayton aggregations will roll Monday night.

The following list of Medford business concerns are already offering 100 votes on cash purchases of \$1: Burelson's Store. People's Electric Store. Lawrence's Jewelry. Pierce-Allden Motor Co. Larry Schlen. Barnton & Woods Drug Store. J. Verne Shangle Studios. Murray Beauty Shop. Armstrong Motors, Inc. Witham Super Service. Campbell Clothing Co. The Home Grocery. Adrianna's Gift Shop. Swen's Gift Shop. Medford Domestic Laundry. Heath's Drug Store. Medford Furniture & Hdw. Co. Gardner Drug Store, Inc. The Peaseley. Mutual Mill & Seed Co., Inc. Lee's Men's Shop. Valentine's Cafe. Monegomery Ward & Co. DeVoe's and Huson's What-Not. Medford Service Station. Pruitt's Melody Shop. Valley Fuel Company. American Laundry. Lewis Super Service Station. Franklin's Cafe. Farmers & Fruitgrowers Bank. Colonial Bakery, Inc. H. E. Marsh. Hubbard Bros., Inc. The Bookery. Porter Lumber Co. Central Market & Star Market. Economy Lumber Co. Cinderella Shop. Texaco Station, Chet Leonard. Weeks & Orr. Franklin's Grocery. Big Pines Lumber Co. Val J. Fischer Service Station. Medford Flower Shop. Additional concerns will be invited to participate up to Friday night, January 27.

Every time you buy a dollar's worth of goods in any of the stores participating 100 votes will be given you to be filled in and cast for your favorite. Do not wait for the ballot to be offered. The clerk may forget. Ask for your ballots. Official ballot boxes are located at the Chamber of Commerce, the Mail Tribune and others will be added in central downtown locations. A nominating blank appears on page 5 of today's Tribune. All contestants will receive an initial 1000 nomination block of votes.

Members of the Copco Forum enjoyed a special program of music and movies at their regular weekly luncheon meeting held at the Hotel Medford Thursday.

Vocal and instrumental selections presented by Malcolm Stine and Billy Pinkenhagen of Dinty Moore's popular dance band made a hit with all present. A 30-minute program of Copco Current Events was put on by H. L. Bromley and featured the Mount Shasta ski jumping tournament and the Yreka gold rush celebration. R. S. Daniels, chairman of the meeting, called on H. D. Kem, newly elected president of the Forum, who responded with a short talk on plans for the coming year.

An interesting series of educational and entertaining Tuesday meetings are planned by the organization, which is operated and financed by the local employes of the power company. Guests at last week's meeting included J. R. Wright of Portland, and Lloyd Williamson, Billy Pinkenhagen and Malcolm Stine of Medford.

STATE NOT NEAR FINANCIAL CRASH OFFICIALS AVER

SALEM, Jan. 21.—(AP)—Oregon is not on the verge of a financial crash, and will not go on a warrant basis, a meeting of the highway commission with the board of control and chairmen of the senate and house ways and means committees late yesterday emphasized this fact. Chairman Leslie M. Scott of the state highway commission declared that the whole state had been painted in a picture which it doesn't deserve. He referred to statements credited to State Treasurer Rufus C. Holman that unless \$80,000 could be secured within 10 days the state would go on a warrant basis, without interest provided for the warrants.

Members of the highway commission said that the state was not approaching a state of financial bankruptcy. They declared the financial situation resolved itself into a matter of bookkeeping, with sufficient funds now on hand to meet all obligations and with anticipated revenue ample to pay all cash claims.

FATHER SLASHES SON AND WIFE IN SUDDEN RAMPAGE

W. B. Harlow, of Jacksonville, and his wife are in the Community hospital suffering from wounds sustained Friday afternoon, when they were attacked by Harlow's father—W. L. Harlow, 62—when they went to visit him at his home in the Joe Bar district, just over the California state line.

W. B. Harlow sustained a knife wound in the top of the head, a punctured lung and a slash in the ribs near the heart. Mrs. Harlow is suffering from a severed artery in her right arm. Harlow's condition was regarded as serious.

The Harlows were rushed to this city by auto from the isolated section, over rough mountain roads most of the way, and were weak from loss of blood when they reached medical aid. The trip required five hours. The Joe Bar district is near the Blue Ledge mine and is about 40 miles distant in a westerly direction.

State police intended to journey to the section Saturday afternoon to take the mountaineer into custody. The crime was committed in California and they have no jurisdiction. It rests with the Siskiyou county authorities.

The Harlows have not recovered sufficiently to give any account of the assault, except that they journeyed to the aged mountaineer's home for a visit and were attacked in an insane fury.

Harlow's mother was sick, and they were on a visit to her. She is 72 years old and reported in poor health. The elder Harlow, according to the state police, has been acting strange for some time and is alleged to be quarrelsome and eats his meals with his rifle at his side.

CLOTHING AWAITS NEEDY RESIDENTS

Old Mother Hubbard, whose cupboard was bare last week, now has a bone or two to offer at the Welfare Exchange, Miss Helen Carlton, manager of the relief shop, announced yesterday afternoon, expressing her appreciation of the response made by several persons to the call for donations.

Some clothing has been received since last week and a few small checks which have made it possible for the relief workers to keep the sewing room in operation.

Local residents are again asked to look through their closets for articles which aren't being worn, for the demand for clothing is constantly increasing and the weather has added to the already existing problem of how to keep people warm.

Wherever there is a dress, a coat, a pair of trousers, shoes, sweaters or any underclothing not doing duty, the welfare workers would like to have same drafted into service. The need for men's and children's clothing seems to be one very difficult to answer.

COPCO MAY BUILD LINE TO LAKEVIEW

The possibility of an important construction job for southern Oregon is indicated by a news item which recently appeared in the Klamath Evening Herald. The proposed project involves the building of a high tension transmission line from Bly to Lakeview, a distance of approximately 45 miles. The new line would provide service from the Copco transmission system to the California Public Service company and would mean a considerable investment for local labor and materials.

HOW THE BANK CONTRIBUTES TO COMMUNITY WELFARE

That is why there is acceptance the country over by customers of banks which have balanced their expense of service by an offsetting income from that service. Some have adopted the plan of a charge on minimum checking balances—others a measured charge on checks issued by the customer—many have found it necessary to do both. In addition, decreased interest on savings is being paid by many banks.

In addition, decreased interest on savings is being paid by many banks.

That is why there is acceptance the country over by customers of banks which have balanced their expense of service by an offsetting income from that service. Some have adopted the plan of a charge on minimum checking balances—others a measured charge on checks issued by the customer—many have found it necessary to do both. In addition, decreased interest on savings is being paid by many banks.
