

FEW ATHLETES FROM FAR WEST ON AGE LINEUP

All-American Team of Track and Field Stars Shows Other Sections Leading in Speed and Brawn

NEW YORK, Jan. 24.—(AP)—The east in the weight events and distance runs; the Midwest in the shorter track events, particularly the sprints; and the south and far west giving a strong argument to all the champions but producing few. That is the lineup of the nation's track and field stars as shown by the all-American team selected by Daniel J. Ferris, secretary-treasurer of the Amateur Athletic Union.

From all over the country 30 star performers were selected as the all-American team for the 35 events with the leaders in metric races being picked for the first time. Three of them were picked for two events each and one, Big Leo Sexton of New York, holder of the world's shot put record and the Olympic title, filling three places.

Sexton Aids East. Of this list 14 eastern athletes occupied 17 places; the Midwest had eight performers for ten events; the south had three men and the far west five, all in single events. Sexton being picked for the shot put and the 35 and 56-pound weight throws, gave the east a big edge in the weight events while stars from the Atlantic seaboard were chosen for all the distance runs from the rule to the marathon with the exception of the 5,000 meter race, which went to Ralph Hill of Klamath Falls and the 10,000 meters, which was given to Tom Otley of Michigan state.

Two mid-westerners divided the sprint places, Ralph Metcalfe being chosen at 100 yards and Eddie Tolan at 100 and 200 meters. With three exceptions, national or Olympic champions were picked for all the places. Ferris selected Pete Zarzema of New York University and Ken Chirrelli, San Francisco, for their consistent hammer and javelin throwing performances and put in "Beast Men" Eastman of Stanford at the half mile.

ORANGE CAGERS DEFEAT HUSKIES

OREVALLIS, Ore., Jan. 24.—(AP)—Oregon State college strengthened its bid for honors in the Pacific coast conference northern division basketball race by defeating Washington university, 42 to 34, here last night.

Ed Lewis, sensational center and captain of the Orangemen, accounted for 18 points, retrieving several baskets after his team mates had missed, and shooting in others from seemingly impossible angles.

The Huskies contested point for point through most of a furiously fought first half, tying the score at 2, 8 and 9, then slipping into the lead on a free throw. Three baskets in succession, however, gave the Staters a lead that Washington was unable to overcome. The half ended 25 to 19 for Oregon State.

The teams will meet tonight for the second of their two-game series.

BRAYTON BOWLERS TAKE 3 STRAIGHT

Although Gill's team had a dream of winning last night's game against Brayton's outfit in the MEAs bowling tournament, their dream did not come true. Brayton's boys boomed up a score of 2712, which was good bowling considering their handicap.

Sturdy Sons Hoopsters

S. O. N. S. sturdy basketballers, who will meet Monmouth Friday and Saturday in Ashland. Back row (left to right): Jackish, Howell, W. Jones, B. Jones, Forncrook. Front row: Coach Hobson, Reeder, C. Patterson, McLean, B. Patterson.

The Southern Oregon Normal quintet will begin preparing for the two-game invasion by Monmouth at Ashland, Friday and Saturday of this week. Coach Hobson can be expected to leave nothing undone in whipping his team into perfect playing condition.

According to reports, the two games played at Monmouth last week were the hardest fought in the history of the institutions; the second game was especially an exciting and wild battle.

The principal point of drill for the Normal will be working out a way to stop Monmouth's forward, Franklin, whose playing was the main factor in bringing a double victory to the invaders.

The Ashland team, composed of such men as Jockish, Howell, Jones, Reeder and McLean, is expected to show great form playing on the home floor.

25 CENT BASEBALL WILL RETURN TO COAST PARKS

By Russell J. Newland, (Associated Press Sports Writer.)
SAN FRANCISCO, Jan. 24.—(AP)—Twenty-five cent baseball is coming back to the Pacific coast league after a 14-year reign of higher prices. In a long discussion on the subject here yesterday, directors of the class A. circuit climaxed their annual spring meeting by voting to establish minimum prices of 25 cents for the bleachers and 40 cents for the grandstands.

The new ruling does not arbitrarily fix the ticket prices except as to the minimums. The matter of how much to charge will be left to the various clubs. They may retain the same admissions in effect now, generally 50 cents for bleachers and 75 cents for grandstand seats.

But from the sentiment expressed the "two-bit" bleacher seat sign that gave way to the rise in prices after 1919 will be in place again when the present chase begins April 4. Belief that every club would swing into line for the lower price scale was expressed on all sides. As one director put it, "If one city has two-bit baseball, the others will also." He pointed out the fans in other cities would quickly clamor for a price reduction.

TIGERS TO POLISH TEAM WORK WITH WEEK-END GAMES

Medford's Tiger basketball team will put on some polish this week end by playing two games against former Medford high school stars, according to an announcement made today by Coach Darwin K. Burgher. The alumni team, called the Medford All-Stars, will be composed of Wilton White, George Harrington, Odd Hughes, Joe Patton, Alton Lindley, Bill Walker, Bob Elson and Bill Knips.

Recd. Scheel's had knee, which he injured in the game against Roseburg last week and which bothered him in the game against Klamath Falls last Friday, is much better now, Coach Burgher said, and is not expected to bother him any more this season.

The Tigers, who were somewhat upset over the defeat handed them by Roseburg, recovered somewhat with the victory over the strong Klamath team. With Klamath having defeated Bend twice, the Tigers were put among the best teams in the state by beating the Pelicans.

Coach Burgher said that his team was missing more shots than it should, but that formations to work the ball down were clicking better than at any time this season. With more accuracy on hitting the basket, Coach Burgher said the team's efficiency would be greatly increased.

Preliminaries will be arranged for the games Friday and Saturday, Burgher said, with a possibility that one of the preliminaries will be between the Tiger Cubs and the Methodists, and another between the Cubs and some secondary high school team.

MANY BROOKLYN PLAYERS BALKING AT WAGE SLICE

NEW YORK, Jan. 24.—(AP)—If Ed Barrow, business manager of the New York Yankees, thinks he has any monopoly on the season's baseball holdouts, he'd better take a look at the Brooklyn Dodgers.

Already the Dodgers can point with little or no pride to a half dozen high salaried players who are balking at terms.

William Watson Clark, the willing southpaw, is the latest member of the Dodger cast to reject the club's first contract.

Al Lopez, Hack Wilson and Joe Stripp are bona-fide holdouts and Glenn Wright, veteran shortstop, is understood to be far from pleased with terms offered him.

On the other side of the picture, the Dodgers have the signatures of both Lefty O'Doul and Tony Cuccinello to 1933 contracts and they expect to swing the others in line, sooner or later.

The Yankees accomplished a neat stroke of business yesterday when they announced the Vernon (Lefty) Gomez, the accomplished southpaw, had ended his brief campaign for more money. Gomez asked for a larger increase than the club was ready to give him but whether he got it or not was not stated.

ROUGH GRAPPLING ON PORTLAND MAT

PORTLAND, Ore., Jan. 24.—(AP)—In a 100 per cent rough wrestling bout here last night, Bob Roy, 185 pounds, Jackson, Mich., defeated Harold Helbert, 160, St. Helena, Ore., logger, two out of three falls. Helbert won the first fall in 15 minutes, 10 seconds, with a variation of the arm bar. While Roy had him hoisted for an airplane spin, Helbert slipped his legs around Roy's right arm in a hold of his own conception. Roy took the second fall in six minutes, 30 seconds, with a double body pin, preceded by a series of whip wrist-
