

# SONS-MONMOUTH GAMES WILL BE GRUDGE AFFAIRS

### Friday and Saturday Tilts Portend Hectic Times — Rivalry Will Be Climaxed — Sons Hope for Revenge

By BILLY HULEN.  
The Southern Oregon Normal Sons will get another crack at Larry Wolfe's Monmouth Normal basketball team Friday and Saturday nights at Ashland when the teams meet in a two-game series that will mark the first appearance of the northerners on a valley floor in three years.

The battles have all the earmarks of being real grudge affairs. There are a number of reasons why that is so.  
1. Three years ago—in 1930—the Sons journeyed to Monmouth for two games. The first one went fairly smooth, but in the second, with the score close and the fans in an uproar, a Sons player and a Monmouth man engaged in a fist fight. Everything then broke loose. A near riot followed and afterwards, basketball relations were dropped between the two schools, until this year when things were patched up.  
2. Last week-end Monmouth drubbed the Sons twice in fiercely fought games. In the second game, played at Independence, Howell, Jockish and Bud Jones were ejected from the fray on personal fouls before the first half was finished. No three men being put out would have weakened the Sons more so than did they—the mainstays of Hobson's quintet.  
3. After the Monmouth-Sons football game last fall, Lar. Wolfe made the statement that the Sons used a "ringer." Yet Wolfe, on his basketball team this year, has two men who have not been graduated from high school; four transfers from Willamette—two of them all-Northwest Conference selections—and one of them, Ashby, who played a year before Don Faber, present Ashland high coach, enrolled at that institution.  
4. Yet the Sons, sticking close to eligibility rules, do not use their greatest player, Chief? "Lean, because he has not finished high school.

Adding to the above is the fact that the two schools are natural rivals, the games at Ashland should be the closest and hardest fought of the year.  
In fact, anything might happen—and probably will—because when the Sons tangle with Monmouth it's "blood" from start to finish.

# KAPLAN PINIONS KARASICK TWICE

PORTLAND, Ore., Jan. 26.—(AP)—With a 28-pound advantage, Abe Kaplan, 218 pounds, defeated Al Karasick, 190, two straight falls here last night. It required more than an hour for Kaplan to win the first fall, which he took with a winglock, followed by a backward body press. He took the second fall in four minutes with no effort on his part. Karasick had lifted Kaplan on an airplane spin, when the latter grabbed hold of the ropes and hung on as Karasick dropped him. Instead of falling on top of Kaplan, Karasick went down under him with shoulders touching the mat.  
Bob Kruse, 262 pounds, made short work of Loren Wade, 230, when he took two straight falls when he converted a wristlock into a hammerlock.

# ROGUE STEELHEAD GREATEST FIGHTER

GRANTS PASS, Jan. 26.—Another sportman has added his voice to numerous others who have acclaimed the Rogue river steelhead as the greatest fish, pound for pound, of any of the finny tribe.  
He is D. O. Skillen of Muncie, Ind., who is spending the winter in Oregon and who says "I disagree with Zane Grey who says the Bone fish of Florida is the stiffest, best fighter in the world. The Bone fish, which is caught on both the east and west coasts of Florida, doesn't hold a candle to your steelhead, especially the Rogue river steelhead."

# 20-Year Bowling Record Smashed

NEW YORK.—(AP)—One of 1922's notable sports records was set by Andy Varipapa, professional bowler, when he broke the high mark for six consecutive games that had stood for more than two decades.  
Bowling on alleys he never had seen before, Varipapa hit 300, 266, 276, 247, 299 and 259 for an average of 278 2-6. He started with 19 consecutive strikes.

# JIMMY DYKES FETED BY FORMER BUDDIES

PHILADELPHIA, Jan. 26.—(AP)—Sold "down the river" by the Philadelphia Athletics, Jimmy Dykes goes to the Chicago White Sox with the lavish praises of his former associates ringing in his ears and a prophetic hint as to his future from Connie Mack.  
Friends and teammates of the veteran third-sacker feted him last night in a farewell gesture, and observed him as a long list of speakers testified to his prowess on the diamond.

# CURB FOR FORWARD PASS SUGGESTED BY MENTORS

NEW YORK, Jan. 26.—(AP)—Whether or not the football rules committee decides to make any changes this year, the coaches have a few very definite ideas what ought to be done and are preparing to sift the suggestions at a meeting of their "committee of twenty" early in February and to present them to the rules body when it gathers.  
The two principal ideas, as gathered by Lou Little, chairman of the committee of the coaches formed at their December meetings, are that something ought to be done about the forward pass and that the ball ought to be brought in from the edge of the field without the loss of a down, before it is carried over the sideline.  
Fear that the forward pass was getting out of hand and too many passes were being tossed indiscriminately was reflected in the report of the 1932 rules committee. The coaches offer three possible changes to discourage too much passing. They are:  
1. That the penalty for two successive incomplete passes be increased from 5 to 15 yards, offered by Little.  
2. That forward passes be permitted from any point behind the scrimmage line, replacing the present restriction that the ball must be thrown from a point at least five yards behind the line, made by Dick Hanley of Northwestern.  
3. That a forward pass caught by the defense after it has touched an ineligible receiver be ruled an intercepted pass, instead of an incomplete pass as is the case today.

# SHERWOOD ALLEY GANG TRIMS EADS

Sherwood's boys cleaned up on the Eads gang last night in the Elks' bowling tournament, and what a match it was. The first sheet looked like a walkaway for the Eads bunch, but Sherwood got his boys over in the corner and pulled some "Prink" Callison stuff on them, for they sure did roll the next two sets.  
The Scotch (Jack Thompson) and the Penn Dutch (Ole Alenderfer) were trying to settle a grudge of long standing, and while the Scotch won the first round last night by 44 pins, Ole said his ancestry would not allow him to let a Scotchman get the best of him. Elks who enjoy a good fight should come out and watch these two knock over pins in their next bout.

# MEDFORD JUNIORS TROUNCE ASHLAND 25 TO 17 IN OPENER

Running afoul of a fast breaking and determined group of basketeers, the Ashland junior high school five invaded Medford last night, and lost the opening conference game to the Medford juniors 25-17. Coach Ray Henderson's sharpshooters were working better last night than in previous games, and were never headed.  
A return game will be played Friday in Ashland, and if the Medford juniors win, it is conceded they will have the conference championship, because no games have been scheduled with Grants Pass, as yet, and it is not known whether or not they will have a team in the conference this year.  
Rogue River, however, remains to be heard from, as that city has a junior high school for the first time this year, and will put a team on the floor. Just what they have to offer is not known, but Coach Henderson said he wasn't taking anything for granted until after his boys had met the Rogue River team.  
The lineups for last night's games were as follows:  
Medford (25) Ashland (17)  
Lindley (4) Murphy (2)  
Ticks (8) Lee (5)  
Luman (C) (6) Scott  
Van Dyke (6) Fowler (4)  
Dickinson (5) Schilling

# TEXAGOS DEFEAT BT. FALLS, 46:24

The Medford Texacos basketball team waded through 19 inches of snow last night to get to Butte Falls, where they defeated the Butte Falls team, 46-24. Butte Falls had scheduled the game last night with Prospect, but due to the heavy snows at the resort city the team could not get out. A telephone call at 5:00 o'clock last night to Sam Colton, manager of the Texacos, alerted the Medford boys towards the mountains.  
Poole of Butte Falls was high point man for that team, and Hughes with 13, Swanson with 12 and Laing with 11 were high for the Medford team. The game was fast, Colton said, because if they started to slow up they froze.  
The drive was made in a snowstorm that reached from the mountains into Medford.  
Manager Colton said this morning that some good games were being scheduled, which he would announce soon.  
The regular monthly meeting of the Talent District Fruitgrowers club will be held at the irrigation district office at Talent Friday evening, January 27.  
There will be a discussion, led by Prof. Halmer on "How to reduce orchard operating costs." Growers are requested to come prepared to discuss this subject.  
All growers of the valley are invited.

# WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go  
If you feel sour and sick and the world looks pink, don't swallow a lot of pills, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly weak and nervous and full of sunshine.  
For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.  
If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a black, bad taste and your breath is foul. Skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.  
It takes those good old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and out." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.  
But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name CARTER'S Little Liver Pills on the red label. Demand a substitute. See at all stores. © 1931 C. M. Co.

# VANDALS AGAIN DEFEAT OREGON

MOSCOW, Idaho, Jan. 26.—(AP)—The up-and-coming University of Idaho Vandals won their third straight northern division Pacific coast conference game here last night, taking a rough and tumble, 40 to 31 win from the University of Oregon, to sweep the two-game series.  
Starting off with an eight-point drive before Oregon rallied at all, the Vandals appeared on the way to a big score, but the visitors rallied.  
The Vandals have won three and lost four games, while Oregon has lost six and won none. Idaho won the previous night 43 to 38.

# JERRY'S CAGERS BRING NOSTALGIA TO EX-RESIDENT

Medford is still "home" to Louis Vimont, Jr., according to a letter received from the same in New York by E. C. (Jerry) Jerome today.  
Catching a glimpse of Jerry and his basketball team in the Texaco publication, Vimont was inspired to write home, he tells Jerome in the letter received here. "I saw your smile across the desk and boy, Medford is home," are the lines with which Vimont's letter opens.  
"It's not everyone that can put these boys on the front page of a paper that goes to every town in these United States and all the towns in the world.  
"Al Williams looks the same. Keep up the good work. I am going to have lunch with Paul B. McKee, who used to be with the California Oregon Power company, and I'll take the boys' picture with me. Vimont adds by way of giving the news of a former southern Oregonian, now sojourning in New York.  
"Mr. McKee, well remembered here, is now located in South America. Vimont is associated with the Powell Pressed Steel Co. in New York.
