TAX PAYMENT BY SCHOOL WARRANTS SOUGHT BY BOARD

Action, favoring the immediate adoption of some plan whereby school warrants may be accepted in payment of school taxes, was taken last night by the Medford school board in anticipation of passage of senate bill No. 36, now before the legislature. The resolution, adopted by the board, reads:

"Since School District No. 49, Jackson county, Oregon, is now compelled to finance the operation of its schools on a warrant basis, and since the existing financial depression is causing an ever-increasing load of tax delinquencies, which in turn increases the warrant load.

"Be it therefore resolved that we favor the immediate adoption of some plan whereby school warrants may be accepted in payment of school taxes. This, we believe, will not only provide a market for warrants, but will stimulate the payment of taxes.

"Be it further resolved, that since Senate Bill No. 36, by Senator Duncan, appears to provide for such a plan, that we go on record as favoring its speedy enactment."

The school board has been considering such a move for some time. It was pointed out today by Superintendent Hedrick, in view of stimulating a per value market for school warrants and encouraging the payment of taxes.

Senate bill No. 36 provides for municipalities and school districts accepting their own warrants in payment of taxes, thus amending the law, which required cash payment of all taxes. The only exception will be for money raised on bonds and interest.

If the bill passes it will give city and school districts power to circulate warrants without an exchange of cash, thus cushioning the whole load. Warrants will, as a result, become more liquid and taxes will be more easily paid. The bill was introduced in the legislature by Senator Duncan. A printed copy has been received here and anyone interested in its content is asked to call at the chamber of commerce and read the bill.

The resolution adopted by the school board here carries the following signatures: N. H. Franklin, chairman; C. G. Lemmon, Dr. R. E. Green, H. B. Jaramin, Eugene Thordike, H. Hedrick, superintendent of schools and Rebecca Jensen, secretary.

LA GRANDE, Ore., Feb. 1. (P) - Faced with definite knowledge that unless the new remaining unassigned depositors could be swung into line immediately, the First National bank of LaGrande would go into receivership, a mass meeting of citizens was held here last night.

Names of unassigned depositors were read before a committee of the whole for Smoot (R. Utah), accompanied by Preston G. Peterson of Provo, Utah, secretary of the Western Association of Highway Officials, embracing 11 states.

They told Mr. Hoover highway funds in this territory would be largely exhausted after July 1. Smoot said 45,000 were engaged in highway work in Utah, Arizona, California, Colorado, Idaho, Montana, Nevada, New Mexico, Oregon, Washington and Wyoming.

Craterian Stars

Warner Baxter, popular screen star, is said to have the most powerful character role of his career in his latest Fox picture, "Six Hours To Live," which opens on Wednesday at the Craterian theatre. Adapted from the original story, "Auf Wiedersehen," by Gordon Morris and Morton Bartaux, this picture presents Baxter in the role of an international diplomat, standing firmly in the face of ruin and death, in defense of his country at a disarmament conference.

COMPROMISE ON COLLEGE SAVING

SALEM, Feb. 1. (AP) - It was authoritatively learned today that the ways and means sub-committee on higher education had agreed upon a compromise measure relative to the higher education salary budget whereby better than \$550,000 would be saved during the current biennium.

It is proposed to reduce the existing salary scale slightly more than \$350,000, in addition to cuts already in force and to take credit for some \$250,000 in reductions already made effective by the board of higher education.

EGGS DROP CENT IN CO-OPERATIVE MART QUOTATION

PORTLAND, Feb. 1. (AP) - Announcement was made by the Pacific Co-operative Poultry Producers of a drop of 10 cents in the price of eggs, effective Thursday morning. This was in line with sales already being made by some interests. The new list will be: Extras, 15c; standard, 14c; medium, 14c dozen.

PORTLAND, Feb. 1. (AP) - Market for eggs was inclined to show more or less of a waiting tone. Debate as to whether the price will be held at the present level with 16c paid to co-ops for New York extras was getting warm, but the general opinion was that such a price cannot be maintained.

Cash buyers have cut their price to 14c for extras, which appears in line with the lowest value ideas of the trade. Storage operations were said to have started in the local territory.

There was a pronounced shortage of butter of fresh churning in the Pacific slope states, with consequent heavier withdrawals from storage. Prices locally were quite well held. Butterfat was firmer.

Increase in the live chicken supply was so generally expected that most killers were quoting the low buying price established yesterday. The movement, however, was surprising, inasmuch as fully half of it consists of heavy hens.

YEAR'S PROBATION FOR SHOOTING CAT

Arthur Adams, charged by the Jackson County Humane society with mutilation and cruelty to a cat, was found guilty in Judge W. R. Coleman's court this afternoon. He was fined \$10 and costs of \$4.50. The fine was then remitted and Adams informed he will be on probation for a year, carefully watched to assure the people that he does not mutilate his neighbors' animals in the future.

The humane society representatives stated that they were well satisfied with the judge's decision. Their case, they pointed out, was not based upon the fact that Adams had shot the cat, but upon the fact that he had left it to suffer. It was also further injured by a dog, they stated, before it died. The animal's leg was severed by the shot from the gun, and the humane treatment, they maintained, would have been the immediate killing of the cat.
