

### ANNUAL EXALTED RULERS' MEETING BIG ELK'S DOINGS

Past Exalted Rulers' night at the Elk's lodge was celebrated last night with one of the best attended meetings of the local lodge for the present year. Past exalted rulers in attendance and in charge of the meeting were C. E. ("Pop") Gates as exalted ruler, C. C. Lemmon as esteemed leading knight, Gus Newbury as esteemed loyal knight, Carl Y. Tengwald as esteemed lecturing knight, W. H. McGowan as chaplain, Leon B. Haskins as secretary, Louis Ulrich as inner guard, Ralph E. Koozer as tiler, and E. E. Kelly, Ben Moller and O. O. Alexander as trustees. E. C. ("Jerry") Jerome acted as esquire and kept the meeting humming.

Nominations for officers for the ensuing year were opened last night to continue each meeting night this month, and the following nominations were made: For exalted ruler, J. F. Flegel was nominated; Chas. Campbell renominated for esteemed leading knight, as were Richard Crowson and Stanley Sherwood for esteemed loyal knight and esteemed lecturing knight. For the office of secretary, W. A. Fraziet was renominated, and the name of Ernest L. Scott was also proposed. Roy Pruitt was named for treasurer and C. E. Gates renominated for treasurer. Nick Young, veteran tiler, was renominated for his office. The post of alternate delegate to the grand lodge found a hot competition developing among the past exalted rulers with the following nominated for the post: T. E. Daniels, Leon B. Haskins, E. E. Kelly, Louis Ulrich, C. C. Lemmon and E. C. Jerome.

After nominations were closed the lodge had the pleasure of hearing D. S. Libbey, naturalist and assistant superintendent of Crater Lake national park, who spoke on the history and beauty of the park. He compared the natural scenery of Oregon and the Pacific northwest with the climate of southern California. The geological history of this section of the country was traced by Libbey, who interspersed his talk with interesting and humorous anecdotes concerning tourists visiting the park. Visitors from other cities at last night's meeting were Messrs. Coffin from Tacoma, Wash.; Hartley, from Salem; Colman, from Lewiston, Mont.; and LaRoque, from Caldwell, Idaho. The attendance prize was awarded to W. H. McGowan, after which the members adjourned to the basement dining room to partake of a generous Dutch lunch prepared under the watchful eye of P. C. Bigham.

### MEDICAL SOCIETY IN WELL ATTENDED MEET

There was a large attendance last night at the meeting of the Jackson County Medical society at the Hotel Holland, where Dr. A. E. Dodson was host at dinner. Dr. R. W. Stearns, the new president, conducted the meeting. Numerous cases were reported and discussed, and an interesting paper on the treatment of pneumonia was read by Dr. Harold Gilla. The paper was followed by a general discussion period.

### BANK CREDIT PERMIT EXTENDED BY HOOVER

WASHINGTON, Feb. 3.—(AP)—President Hoover today signed an act extending to March 3, 1934, an existing credit extension measure under which federal reserve banks are authorized to make advances to member banks of \$5,000,000 capitalization or under on demand or promissory notes.

### If Your Ears Ring With Head Noises

People who are growing hard of hearing and who experience a stuffy feeling of pressure against their ear drums, accompanied by buzzing, rumbling sounds in the head like water falling or steam escaping, should take prompt and effective measures to stop this trouble.

Secure from Jarmin & Woods of your druggist 1 oz. Parmin (Double Strength). Take this home and add 1/2 pint hot water and a little sugar. One tablespoonful four times a day should quickly relieve distressing ear noises, open clogged nostrils, make breathing easy, stop annoying mucous discharge. All catarrhs sufferers should give Parmin a trial.

### SMALLER 1933 CHECKS FOR BASEBALL'S GREAT

The annual argument over salaries for baseball's great is in full swing with cuts the rule. As usual, Babe Ruth is headliner in the debate. He refused to do his chores for the New York Yankees for 1933 at \$50,000. He said he was prepared to take a cut of 10 or, at the most, 15 per cent from the \$75,000 he received last year. The Babe's home run partner, Lou Gehrig, paid \$27,500 last year, also balked at the reduction the Yankees asked him to take but expects to settle his differences with the club soon. The Philadelphia Athletics' big speed ball artist, George Earnshaw, has not received a contract as yet but it is probable that he will take a cut. Frankie Frisch, St. Louis Cardinals' second baseman, also is believed facing a reduction. (Associated Press Photos)

### CARL E. STANLEY VICTIM OF RIFLE IN HOME GARAGE

(Continued from Page One)

rod and cloth for cleaning the gun were found, indicating that Stanley had gone to the garage to get and clean the rifle, preparatory to a short hunting trip at the home of relatives in the Eagle Point and Brownsboro section, his family believes. He had taken just one step from the car before the bullet killed him, the position of the body indicated, Coroner Peri stated.

Death was practically simultaneous with the explosion of the gun, the trigger of which is believed to have struck the car, causing the discharge. There was just one shell in the gun. The lead was found later by the corner on the roof of the woodshed.

Mr. Stanley, who had been a resident of Oregon for 31 years, coming from Harlan, Iowa, where he was born, is survived by his widow, Gertrude Benson Stanley, three sons, John, Merrill and Edward, and one daughter, Mrs. L. L. Henshaw of Butte Falls. He also leaves four brothers and two sisters, Roy and Harvey Stanley of Eagle Point, Tom and Fred Stanley of Brownsboro, Mrs. George Daley of Eagle Point and Mrs. Rachel Colman of Eagle Point.

Mr. Stanley lived for many years in the Brownsboro district, where he engaged in farming, but for the past nine years had worked for Frank Dillard in this city.

Funeral services will be held at the Peri funeral home Sunday afternoon at 1 o'clock, Rev. J. M. Johnson of Central Point will read the sermon. Interment will be in the Siskiyou Memorial park.

### HARDY PIONEER IS LICKED BY CUPID

TACOMA, Wash., Feb. 3.—(AP)—Alfred Tureman, 92, crossed the plains on the Oregon trail in 1832 by ox cart; fought Indians in Oregon territory for eight years and licked the obstacles of a hardy pioneering life until, four years ago, he got married.

Matrimony licked him, Tureman told Superior Judge Fred G. Remann today in his suit for divorce from Mrs. Tureman, 49. Now he wants the marital bonds severed and the return of two houses that he deeded to his bride.

"She knew I smoked before she married me," Tureman told the court "and I guess she knew that I took a nip from a bottle sometimes."

Shortly after he deeded over his property to her his wife locked him out of the house and he had to go to the soldiers' home at Bellingham, the plaintiff declared.

will conduct a special demonstration day tomorrow. Louis Jenkins, representative of Mason Ehrman Co., will be there to describe and give samples of Royal Club canned foods. Mr. Jenkins says a large quantity of local fruits and vegetables are packed each year under the Royal Club label.

Law Boyd, representative of the General Food Co., will be there Saturday and Mr. Toner, representative of the Palm Olive Fruit company will have a special display featuring an unusual Palm Olive and Crystal White offer.
