

Burgher's Boys Primed for Indians:—:Secondaries Tangle Tonight

LOCALS UNAWEED BY IMPRESSIVE RECORD OF REDS

Brown, Guard, Able to Play Part of Game — Tommy White Switched to Plug Gap—Start Tonight at 7

Eleven dusky warriors from the Chemawa Indian school will arrive in Medford from the north tonight to do battle with the Tigers of the Medford high school on the basketball floor at the senior high school tonight and tomorrow night. It has not been learned whether or not they will wear war paint in the fray, but whether they do or they don't, it will be a "battle of the century."

Coach Darwin K. Burgher said this morning that his men are ready for the invasion, and aren't afraid of either ambush or straight fighting. "The Indians are full of tricks," Burgher said, "but when we get them in the open, on a basketball floor, it will be straight basketball that counts."

Spectacular Pair Leslie Lavelle, Coach and manager for the Chemawa team, said in a letter to Coach Burgher that he was including Vivette and Hatfield in the squad, although they are ineligible at the second semester, because the boys are such spectacular players and have worked so hard during the past years at the school that they deserved the trip.

Coach Burgher agreed to let the two boys play. Brown, regular Tiger guard, will still wobble from a severe attack of the flu, and isn't expected to play much tonight, although he may get in for a short while. T. White will switch from forward to guard, in Brown's place. Luman will take White's place at forward and Scheel will be at guard with White.

Good Prelims Arranged The South Methodist team of Medford will play the Tiger Cubs tonight in the preliminary, and the strong, league leading Phoenix team will play the Cubs in the preliminary tomorrow night. Tonight's preliminary starts at 7 o'clock, and at 8 o'clock tomorrow night. The Saturday night game is delayed in order that Medford business men, many of whom are ardent basketball fans, may attend the main game at least.

The squad that coach Lavelle is bringing for the two game series includes A. Amara, C. Archambeau, P. DePoe, P. Dogeagle, V. Pratt, L. Shouderbade, S. Shouderbade, L. Teese, W. Zundie, A. Hatfield and L. Vivette.

Hatfield and Vivette have high scoring honors for the season with an average of 15 points each per game, and are the mainstay of the Chemawa offense. Other players, with the exception of Pratt, are inexperienced.

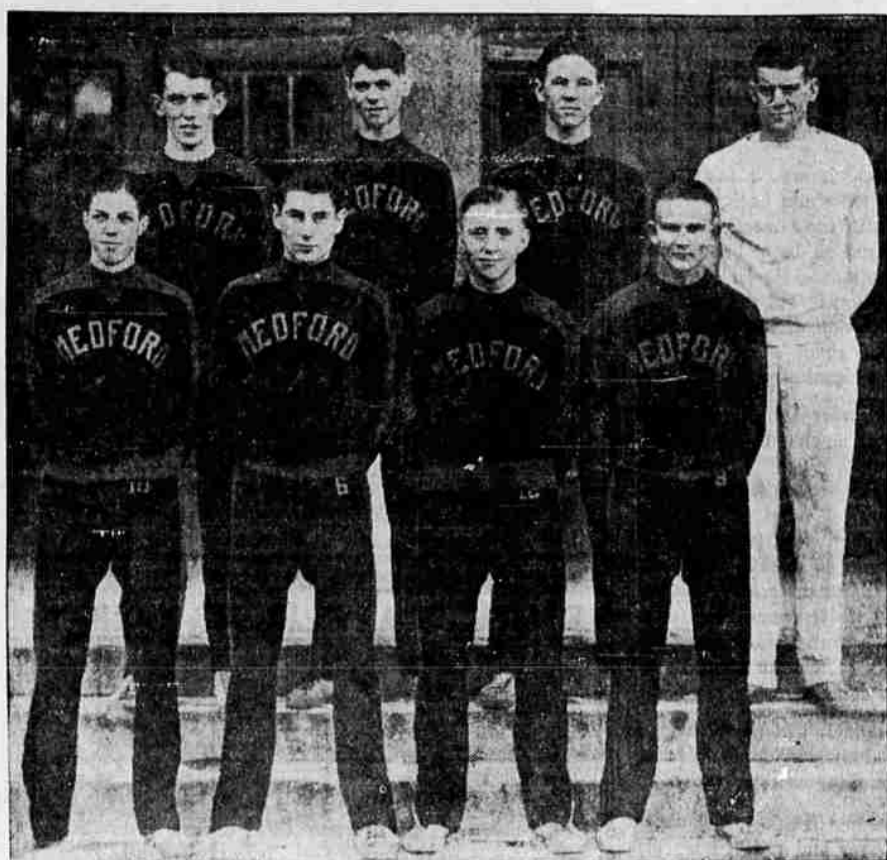

Locals' Record Good Medford has dropped but one game this year, and that to Roseburg, while Chemawa recently lost its only game to Salem. Medford has defeated Grants Pass, Klamath Falls, Weed, Yreka and several industrial teams.

"Explosion" Shot May Cost An Eye

DALLAS, Tex., Feb. 3.—(P)—An "explosion shot" made by Joe Winn, 16-year-old golfer, may cost him the sight of one eye. He teed up a 22-caliber cartridge and swung at it with a midiron. The cartridge exploded and the slug tore through his face and eye.

FAST STEPPING 1933 EDITION OF TIGERS

With but one defeat marring their record, and that a non-conference game with Roseburg, Medford high school's basketball squad again this year holds promise of attending the state tourney as the champions of this area. Members of the team are (left to right, back row): Scheel, Harris, Hammock and Coach Darwin K. Burgher. Front row: Severson, Luman, White and Kunzman.

LU BLUE RELEASED AS BATTING SLUMPS

CHICAGO, Feb. 3.—(P)—Characterized as the "best fielding first baseman in baseball," by Chicago White Sox heads before the 1932 season, Lu Blue today was at liberty to sell his talents elsewhere.

In 1931, after the Sox had obtained Blue from the St. Louis Browns on waivers, he came back to turn in a great season at field and as a leadoff man at bat. Last year, however, he slumped, failed to finish the season as a regular, and yesterday was given his unconditional release as a 19-year man.

Boxer Falls Dead In Course Of Bout

KINGSVILLE, Ont., Feb. 3.—(P)—Tony Dragon, well-known amateur boxer, collapsed and died during a bout last night, shortly after he had been struck on the head and over the heart several times by Alex Hazel, Leamington.

Dragon dropped face forward to the canvas and it was thought the fall had broken his neck.

PHOENIX LEADING AS FIRST HALF OF SCHEDULE CLOSES

The first half of the secondary high school basketball schedule ends tonight with all teams of the secondary league having games. Gold Hill plays Jacksonville at Gold Hill, Phoenix plays Rogue River at Phoenix, and Central Point plays Talent at Central Point. Phoenix leads the conference at the turn.

Talent won a 22-20 victory over Gold Hill Wednesday night in a hard fought battle that was in doubt from the start. Hammerley and Walker played stellar ball for the Gold Hill team, with Lingren, Bitter and Keil adding to the force of the offensive drive.

The Phoenix team has not been defeated this season, but faces a tussle tonight, as Rogue River was able to defeat Jacksonville by a larger score than Phoenix did, which, if done means anything, gives Rogue River the edge.

TALENT AND C. P. IN CRUCIAL TILT

Central Point high school's basketball squad meets Talent tonight in Central Point in the game that will decide whether or not Central Point still has a chance at the pennant, according to a message received from H. P. Jewett, superintendent of schools at Central Point.

Talent recently held Phoenix, the league leaders, to a one-point margin, and will give Central Point a real battle, Jewett said, but the Pointers still have a chance to be champions by defeating Talent tonight and Phoenix later on in the season.

Central Point has played 14 games to date, winning nine and running up 404 points to opponents' 280. Of the five games lost, Jewett said, one each was to Medford, Ashland and Grants Pass, one to Phoenix and one to the alumni.

OREGON HUSKIES CLASH TONIGHT

SEATTLE, Feb. 3.—(P)—Washington's dream of a sixth straight northern division conference basketball title meets one of its severest tests of the season here tonight when the Huskies open a two-game series against the Oregon State Beavers.

The teams split their previous series at Corvallis, and Washington is out in front in the league race, with five victories and one defeat, while Oregon State has won five and lost three.

Lewis, rangy Oregon State center, tossed in 19 points in one of the previous games with the Huskies.

COCHRAN NEARING BILLIARDS THRONE

CHICAGO, Feb. 3.—(P)—A triumph in his first try for the world three-cushion billiards title and the big share of the prize money will go to Welker Cochran, San Francisco's balkline master, tonight — if he can best Johnny Layton, the Sedalia, Mo., veteran, who has held the championship 10 times.

Cochran, famous at balkline, especially 18.2, but a comparative newcomer at three cushions, last night removed J. N. Roseman, Jr. the sensational youngster from Vallejo, Cal., 50 to 40, in 41 innings, from the championship scheme, leaving Layton as his last obstacle. Even should Layton overcome Cochran, another battle between them would be necessary for they would then be tied for first place.
