Activities of Legion Auxiliary

By Mrs. Cole Holmes

The Sewing club of the Auxiliary met Monday evening, February 6th, at the home of Mrs. Carol Parker. There were eleven members present. We worked on our third dozen of boys' shirts. The goods is blue chambray and belongs to the American Red Cross. Besides shirts and dresses the Auxiliary has made underwear and nightgowns of cotton flannel. Besides work for the Red Cross of Jackson county the Sewing club has made infant clothes, children's dresses and quilts for the Welfare Work of the Auxiliary. These have been given out and many clothes donated by friends and members of the Auxiliary have been mended and given to the needy in Medford and vicinity.

Next Monday evening is the regular social meeting of the Auxiliary. The committee in charge promises those attending the meeting a pleasant evening.

The next few weeks promise to be very busy ones for the Legion and Auxiliary. February 15th and 16th, at the Craterian theater, the Legion is giving a benefit theater party, the proceeds from this presentation to be used for welfare work in Medford. This is a worthy cause and besides helping others you will spend an enjoyable evening. The name of the play is "Jim's Girl." It is a skit of the days of the late war and all the cast residents of Medford.

The next affair of interest on the February calendar is the benefit card party sponsored by the Auxiliary. This party will be held in the Women's club rooms in the City Hall. The committee in charge of arrangements is composed of Mesdames Holloway, Olmscheid, Garlock and Alken. Both Auction and Contract Bridge are to be played. In reserving tables you are requested to state whether you would like to progress or pivot. Due to the transfer of Mr. Baker, Mrs. Baker will be unable to help with the reservations so Mrs. Brayton, phone 491, and Mrs. Belva Alken, phone 441-M, are the committee in charge of tables. Please phone your reservations as soon as possible. The proceeds from this event will be devoted to Welfare Work in our own community.

The social evening of the Auxiliary Monday evening, February 13th, is to be in honor of the Junior High Troop, No. 4, of the Girl Scouts. This troop is in charge of Miss Margaret Kerr and is sponsored by the American Legion Auxiliary of Medford.

All those interested in the cause of the disabled veteran and ex-service man will find a very satisfactory article "The Cost of Glory," appearing on the editorial page of the Baltimore Evening Sun, the brilliant editor of the American Mercury, flays those who attack "the only Americans who really made a ponderous sacrifice for their country during the war." Mr. Henry Mencken states that the total cost of the war to the United States ran to \$36,000,000,000 but the actual soldier received but \$4,000,000,000 the rest of that sum went to those working on ships and in factories. Those who stayed at home and worked received \$3 a day and the men who faced the enemies' guns received \$1.10 a day. This is just one of the many interesting points presented.
