

Sir Malcom Cracks World Speed Record

273 MILES PER IS NEW MARK BY INTREPID DRIVER

48-Year-Old Britisher Sends Car Hurling Over Daytona Sands for Fastest Travel by a Human

DAYTONA BEACH, Fla., Feb. 22.—(AP)—Sir Malcom Campbell, famous British race car driver, today cracked the world automobile speed record wide open in a thrilling, breath-taking dash over the sands of the beach speedway.

In two blistering runs over the hard-packed sands, the intrepid 48-year-old race car driver attained the astounding speed of 273.108 miles an hour over an officially measured mile course for a new land speed record.

On the first of two runs across the sand, Campbell was clocked at a speed of 273.596 miles an hour, and on his second trial at a clip of 270.875 for an average two-way record of 272.108 miles an hour.

Batting Champion of 1880 Holdout for \$2,500 Salary

George Gore, who broke into big league baseball under the great "Pop" Anson at Chicago in 1878, regards with disdain a "milt" of the type worn by present day outfielders. He was made of sterner stuff.

NUTLEY, N. J. — (AP) — Hale and hearty for all his 80 years, George Gore, who won the batting championship of the National league in 1880 with an average of .365, lives in happy retirement here.

He recalls, among other things, when any player who thought of protecting his hands with a glove would have been branded a sissy, and when a manager though he (Gore) had suffered a sunstroke because he demanded an annual salary of \$2,500!

"When I broke in with 'Pop' Anson's Chicago team in 1878," he recounted, "the players didn't have the elaborate equipment they have today. They could 'take it,' as you say nowadays."

"I remember I asked A. G. Spalding for a salary of \$2,500. He thought I was out of my mind, but finally met my figure. You hardly could get a couple of first-class bat boys for that price nowadays," he sighed.

Gore played outfield for Chicago for eight years, when he was sold to the New York club of the National

TIGERS IN FORM FOR CLASH WITH GRIZZLIES HERE

Burgher Taking No Chances On Ashland Bear Stories Injured and Sick Players — Rivalry Is Intense

With two of Ashland high school's forwards on the sick list this week and the chances strong that they will not be able to get into the conference game against Medford here Thursday night, and with the Tigers all in top condition, things looked more favorable for a Tiger win than they did last week.

Brown has another shot of the flu, Coach Darwin Burgher said this morning, but will be in the lineup, in all probability. No injuries were received by the players in the Klamath Falls invasion, even though two defeats were received.

The defeat by Clifton didn't cut much ice as far as Medford's strength is concerned, Coach Burgher said, because the second string played the entire game. The second team was used, Burgher said, because the floor was small and there were many obstructions along the sidelines, and he didn't want any of his players hurt who were to go against Ashland Thursday.

Opera Is Friday.

The game, regularly scheduled for Friday, was put up to Thursday because of the opera to be on Friday.

The Ashland team under Coach Don Faber, has been showing unexpected strength this year, and has not only defeated Klamath Falls twice, but defeated Grants Pass by a larger score than Medford did. Coach Burgher has openly expressed his doubts about the Ashland game, with the declaration that unless his men are in top form, that the outcome might not be too good.

White, Luman, Harris, Scheel and Brown will likely be in the starting lineup Thursday for Medford. Burgher said, with Gearhart, Hess, Hardy, Kanasto and Baughman for Ashland. Willie Durham and Billie Hosts, regular Ashland forwards, are not expected to play. Durham with a bad foot and Hosts with the flu.

Suspect Bear Stories.

Medford's oldest fans, however, were skeptical about the injury story from Ashland, preferring to believe that Faber's story about his injured and disabled men is just so much "bear meat." Faber, who is no mean basketball player himself, having played with the Willamette university, knows the tricks of the Bearcats, and has developed a team this year that surpassed all expectations.

Ashland won from Medford two years ago, Coach Burgher said, but Medford won last year. Recent basketball history between the two schools has been mostly in Medford's favor, and the Tigers are determined to keep it so, even though Coach Burgher can't feel too certain about it.

SONS-WILLAMETTE TILTS END GREAT BASKETBALL YEAR

(By Billy Hulen.) College basketball will fade from the southern Oregon sport picture Saturday at Ashland when Howard Hobson's Southern Oregon Normal Sons end their 1932 campaign by clashing with Spec Feene's Willamette University Bearcats in the second of a two-game series, the first to be played Friday at Ashland also.

Both games the being played in Ashland, as the expense of staging the games in Medford has been found too great.

After a season marked by victories over the best in the state, Hobson expects the hardest test of all for his Sons in this farewell series with the strongest team in the Northwest conference.

Early in the season, the Sons bowed to Willamette, 38-40, and naturally went rampant for that beating, one of the four they have received all year.

Further incentive for their desire to take both games is the fact that no team has won a series from the Sons. Only by winning both games, can they keep intact that fine record.

A hot battle is in progress between Willard Jones and Wardlow Howell for the individual scoring leadership of the team. Howell is leading at present by six points though Jones has scored more field goals. Jockiah is the "bad boy" of the team, having committed 53 personal fouls. Howell, in sinking free throws with 47, leads in that division.

The Sons individual scoring follows:

	PG	FT	PF	TP
Howell, C.	75	47	51	197
W. Jones, F.	81	29	22	191

HUSKIES ANNEX FINAL CONTEST

MOSCOW, Ida., Feb. 22.—(AP)—Winning a last-minute victory over the University of Idaho here last night, 38 to 35, the University of Washington five split the two-game series, as well as their four-game eastern trip, and returned home today nearly eliminated from the northern division coast basketball race.

With the Vandals leading, 33 to 32, a minute to play, Pete Antonich, Husky center, scored off the backboard. Then, after the next tip-off, just 21 seconds before the gun sounded, he dribbled down the floor, boosted the ball with his feet, picked it up and tossed in another basket, to win the game.

BELATED HONOR FOR STANFORD ATHLETE

STANFORD UNIVERSITY, Cal., Feb. 22.—(AP)—The varsity letter, which Harold "Minnie" Maundrell earned 24 years ago was his today, following action by the Stanford student executive committee last night in voting him the "Block S" he should have received in 1909 after running the fastest mile in Stanford history up to that time.

Because the race was run in Chicago during a vacation period, special action by the executive committee was necessary before he could be given the letter.

LOOK!

at TODAY'S PRICES, then

BUY!!!

THAT "Prices Are Rising" is a fact backed by stock shortages all along the line from retailer to manufacturer. And there is a shortage of "supplies" in most homes as well. Operating on a limited budget people have used the old things until they simply can't be used any more.

If the things you and your family use are giving out, if your reserve supplies are running low, now is the time to stock-up . . . now, before the rising market catches you napping and you are forced to pay far more for things you simply must have. Medford shops have never shown more attractive merchandise—and have never offered greater values!

And here is another tip: you'll find that the best way to obtain full advantage of today's prices is to watch carefully the ads that appear in the Mail Tribune. Buy now before rising prices take from your dollar its present value and use the Tribune as your buying guide.
