Tommy Coy, who has a trapper's license, has caught quite a few muskrats lately along Little Butte Creek and the close-in irrigation ditches. He says they are just beginning to come out. Everyone is glad to have them caught in the irrigation ditches for they do quite a little damage by diverting ih water through their unfields. (Wilco Pearce has been trapping with Tommy.

Mr. and Mrs. John Pearce have newly papered and painted the interior of thier home.

Lester Throckmorton, road supervistor for this district, recently removed the gas pump from the property of Wm. Perry, former road supervisor, to his own property on the Crater Lake highway.

This meeting is in charge of the federal forest service and will consist of colored moving pictures of the forests and forest life. All are urged to attend.

Adolph Woodrich, local Ladino cheese manufacturer, has made considerable study of co-operative marketing and has been instrumental in getting together information which may lead to an organization here.

## CALL OF LAKES IN OUTBOARD DISPLAY

With warm sunshine today promising an early spring, southern Oregon sportsmen are flocking to the Crater Lake Automotive company's showrooms on South Riverside to inspect a showing of the latest Johnson "Sea-Horses" which has been prepared by A. J. Cooksley of Portland. These new outboard motors are especially designed for sportsmen and include a 1933 "single", a "light-twin" and one of the new "A-65s, an alternate firing piston which is scoring a sensation throughout the United States.

Mr. Cooksley, in addition to bringing the fine display of motors to Medford, is conferring with Harold Grey of the Crater Lake Automotive company, southern Oregon dealers, concerning the spring sales campaign in this territory. Now, lower prices enable southern Oregon boat enthusiasts to secure the new 1933 models at substantial savings, according to Cooksley.

The display in the Crater Lake Automotive company showrooms will be featured for a few days and J. O. Grey and Harold D. Grey have extended a cordial invitation to the public to inspect this showing of new Johnson models.
