

COUNTY'S RELIEF PROGRAM TAKEN FROM POLITICS

(Continued from Page One)

half hour to enable other members to attend. All were present with the exception of Senator George Dunn, who was unable to be in the city.

Mr. Owen, chairman, named by the governor, presided at the meeting, and preliminary plans for formulation of a workable relief program were made. No definite action will be taken, it was understood, until instructions have been received from the state committee, in conjunction with which all county groups will work.

Conditions appeared much brighter in unemployed groups today as organization of the relief program got under way, and it was reported that the county court was ready to put a large number of persons to work.

Costs Cut, Says Patton

Hamilton Patton, who resigned as head of county relief, following announcement of the governor's committee, stated today that costs in relief work had been greatly reduced since the first of the year, the average cost now being \$60 a week for the county. Prior to January 1, he stated, it was costing the county approximately \$1000 a week to carry on the relief program. Against the total of \$6700 spent while he was offering his services to the county, he stated, he had turned in over \$8000 worth of labor notes, which will be redeemed as soon as work is found for the unemployed. When this work is provided, he explained, the cost of relief work to the county will be reduced to a few hundred dollars. All figures, he further stated, are tentative and subject to the audit to be made of the commissary and other records.

Under the supervision of Lewis Ulrich, recently appointed to take over the management of the commissary, the elimination of unnecessary "county boarders," the subject of much complaint throughout the valley, is expected, Mr. Patton stated. The number, he added, is small, and a thorough check of all recipients is being made.

Mr. Patton, previous to the November election, offered his services as relief head to each county judge candidate, agreeing to serve for a period of two months. The term expired March 1, when committee was announced by the governor.

JAPANESE SMASH CHINESE HOLD ON JEHOI PROVINCE

CHINCHOW, Manchuria, Mar. 3.—(AP)—A picture of utter collapse of what is left of China's hold on Jehoi province, with its troops revolting and leaders fleeing, was brought today to this Japanese headquarters in military and press dispatches. Maj.-Gen. Tadaaki Kawahara, commanding the Japanese advance on Jehoi City, after capturing Pingchow, only 60 miles eastward this morning, asserted the capital's fall was only a matter of hours.

Despite a blizzard, his troops relentlessly continued their drive while Japanese reports said Chinese troops in Jehoi City have mutilated and that the city was in chaos.

General Tang Yu-Lin, governor of Jehoi, is missing and Chang Tso-Jehol by Marshal Chiang Hsiao-Liang, North China war lord, to command the defense, suddenly departed for Peiping in defiance of orders, these reports said.

Despite the snow, two Japanese airplanes were reported to have scouted the capital and confirmed reports that troops were pouring through the city, many heading for the passes in the Great Wall to China proper.

EULOGIZE HAWLEY ON LEAVING HOUSE

WASHINGTON, March 3.—(AP)—Congressman Henry T. Rainey of Illinois, who will be the Democratic speaker of the next house, took five minutes on the floor today to eulogize Representative Willis C. Hawley of Oregon, a Republican, who was defeated for re-election.

Hawley is former chairman of the ways and means committee, on which he and Rainey served together for 25 years.

Of that service Congressman Rainey said: "We have been unable to agree on tariffs but we have always been good friends."

"Hawley is an efficient, hard working, patriotic member. He will leave behind him nothing but friends."

Roxey Ann H. E. Hears Address By Mrs. Mack

Home Economics club of Roxey Ann Orange met with Mrs. Charles Rose Monday for a covered dish luncheon, and Mrs. Mabel O. Mack, county home demonstration agent, addressed the group. The afternoon was spent in singing, and conversation.

Present were Mesdames J. W. Mitchell, R. W. Roberts, W. H. Johnson, O. Yocum, Dean Stacy, Mack, Edna VonStein, Henry Hansen, J. L. Conger, Elbert Kellogg, C. E. Rose, Burrell Redpath, J. G. Emmens, Clarence Tedrick, J. J. James, W. C. Andrews, and E. E. Robinson.

TURKEY DEMAND EXCEEDS SUPPLY NORTHWEST AREA

PORTLAND, Mar. 3.—(AP)—Trade in turkeys continued to reflect a somewhat better demand than supply within the Pacific northwest territory.

Offerings of dressed birds remain very limited and far below actual requests for supplies. As a result a slight further advance in the price has been forced although few birds moved beyond the former limits.

Sales of hens were mostly 15c, although here and there something really top quality sold 10c better, but few of the latter were available.

Trading in the butter market continues to reflect at least steadiness with strength in spots in the local territory. Make continued very light with demand good.

While sale of undergrades was increasing and to some extent holds down the price of good stuff, the egg market in general is considered fully steady.

Late advance in the price of live chickens here was well held. Sales were generally at top prices for practically all offerings.

More country-killed calves were reaching the wholesale way but demand was good and prices well held as a rule. Hogs were about steady. Demand for old lambs and mutton remains favorable.

Potato market was just holding its own. New potatoes were selling fairly well; up to 8c lb.

Sweet potatoes were firm for both California and for southern yams. Price for hot-house rhubarb was well maintained.

Tomatoes were moving fair at late prices.

Country meats, mohair, live poultry, onions, potatoes, new potatoes, wool and hay—unchanged.
