

Blind-Bogey Tourney Slated Sunday for Rogue Valley Course

SPORT AND PRIZES AWAIT GOLFERS OF MEDFORD VICINITY

Hams and Other Supplies On Prize List—Play Starts at 9 A. M.—Loud Speaker Will Deal Out Advice

Southern Oregon and northern California golfers are promised a great day Sunday at the Rogue Valley links when another tourney will be staged on a blind bogey course with thirty hams and a huge assortment of other supplies as prizes. Judging by the popularity of previous tourneys this year, Chairman A. P. Johnson of the committee expects over 150 will be on hand Sunday, including participants from Klamath Falls, Yreka, Ashland, Roseburg, Weed, McCloud, Grants Pass, Crescent City and other points in the region.

Play will start at 9 a. m., with the Capehart public address system installed by the People's Electric sending the first fourtimes off to the strains of "Just Before the Battle, Mother." The loud-speaker will continue to function throughout the day, cheering on the divot-digging warriors if they show signs of floundering on the far-flung fairways, and imparting advice for such young and experienced golfers as Dave Wood, Don Clark, Charlie Strang, C. J. Semon and others who have spent over 25 years in an attempt to master the royal and ancient game.

Along near lunch time, the loud-speaker will sound "chow call" and a quartet from Yreka will warble "How Dry I Am."

The entire program, golf tournament, lunch and musical entertainment will be dished out to the patrons at the mere cost of production, according to Chairman Johnson. Club members will be asked to contribute fifty cents while non-members will be assessed one dollar.

Due to the moratorium payment, maybe made in check, scrip, "on the cuff," old clothes, slightly used mortgages or any interest claimed in second-hand marriage licenses.

Jackson school won the grade school basketball championship yesterday, when the school's team defeated the Washington graders, 18 to 18, leaving the final standings for the year with Jackson, first; Washington, second; Lincoln, third; and Roosevelt, fourth.

The winners are to be honored guests tomorrow evening at a turkey banquet, at which their mothers will be hostesses.

According to the coaches, much talent has been developed among the grade school boys. Coaches are Jones at the Jackson, Tucker at the Washington, Odd Hughes at the Lincoln and Guy Davis at the Roosevelt.

Summary for yesterday's game follows: Jackson—Washington—Mallemus, 7—F—Crosby, 8 Piche, 8—F—Finch, 0 Dooms, 0—C—Bennett, 2 Eas, 1—C—Stead, 1 Campbell, 8—C—Mineser, 3 Substitutes: Jackson—Scripser, Barzer, Moore, Worden and Saterlee. Washington—Rhodes, Dougherty 2, Littrell.

JONES PINS REED BY SOCK ON JAW

PORTLAND, Ore., March 9.—(AP)—Henry Jones, 145 pounds, veteran Provo, Utah, wrestler, defeated Robin Reed, 144½, Woodport, Ore., two out of three falls here last night, and retained the championship belt of the Midwest Wrestling association, which he won from Reed recently at Salem. Reed made a valiant try to regain his lost honors. He took the first fall in 22 minutes with a full nelson and body press. Jones came back to take the second fall in 8 minutes with whip wristlocks.

The proceedings thereafter became very rough. Reed suddenly clamped on a series of double wristlocks, finally sending Jones through the ropes where he lit on his head, carrying Reed with him. They broke, but Jones, in a rage over the bump on his head, suddenly landed a right flush to Reed's jaw. Reed went backwards, his head thumping the hard boards.

ALL-OPPONENTS QUINT SELECTED BY HOBSON MEN

Sons Say Stevens, Keenan, Roberts, Allen and Bailey Would Form Tough Cage Combination to Hurdle

By Billy Hulen.
Two University of Oregon men, two from Multnomah club in Portland and one from Larry Wolfe's Monmouth quintet were selected by members of Coach Howard Hobson's Southern Oregon Normal basketball squad on the first team of their all-opponents' quintet.

On the second team, Willamette received two positions and Monmouth, University of Oregon and DeNeff's from Eugene, one each.

Forward, Stevens (U. of O.) Stevens was the spark-plug of the Oregon team. He set up most of the plays in the series with us and is selected as the greatest all-around player we faced all year.

Forward, Keenan (Multnomah club.) Although playing in only one game against us, Keenan was so fast and clever that we rate him the second best forward to oppose us.

Center, Roberts (U. of O.) Cap Roberts, though not showing the form his reputation warranted, was easily the outstanding center of our opponents. In the two games played at Eugene, he was the most deadly man on the floor.

Guard, Allen (Monmouth.) Unanimous, is the just due of Larry Wolfe's great guard, the best we played against all year. He checked viciously, and was the backbone of the Monmouth team.

Guard, Bally (Multnomah club.) King Bally was really a center, but we think so much of his great playing that we put him at guard, where he would be of great benefit. He is big and tough.

That team, according to the Sons, would have just about everything a good quintet needs. It would have height, speed, experience and smoothness. Great offensive strength in Stevens, Roberts Keenan and Bally and a defense that would be almost impossible to break through.

On the second team the Sons placed Calkins, DeNeff and Benjamin, Monmouth at forwards; Klocera, Willamette at center and Kaiser, Willamette and Robertson, Oregon, at guards.

The Sons making the selections were W. Jones, Yandle, Howell, B. Jones, Jockish, Patterson and Reeder.

New Oaks Manager

Ray Brubaker has been chosen to direct the Oakland club of the Pacific Coast league, after 13 years as a player. He succeeds Carl Zamlock, who resigned. (Associated Press Photo)

FOUR CREWS BUSY ON HIGHWAY WORK NORTH OF ASHLAND

Construction work has started on the Ashland unit of the Pacific highway straightening and widening. Four crews of unskilled laborers, working five hour shifts, will be employed, according to Washburn & Hall of Portland, the contractors. The wage scale is fixed at 50 cents per hour, at not more than 30 hours per week. The work will require four months to complete. The contractors will work 20 hours per day, in order to complete the job by the limit—June 30.

The work will be allotted according to the relief registration through out the state. Twenty-one per cent of the unskilled labor will come from Jackson county, 21 per cent from Curry county, 26 per cent from Coos and 32 per cent from Multnomah county. Contractors must keep the allotted unskilled labor on the job for 12 days under relief agency regulations. At the end of that time the contractors may discharge any who prove unsatisfactory.

Close to 100 unskilled laborers, and 50 skilled laborers will be employed. All unskilled workers will be hired through the Ashland Chamber of Commerce. No restrictions are placed on skilled employment. All workers living outside Jackson county will be located in Ashland, special arrangements having been made for their accommodations.

In the unskilled labor section, married veterans will be given preference, single veterans second, and other married men third choice.

Crews clearing the right of way started last week. Machinery to be used in the construction arrived this week.

The project is 1.6 miles long, with two bridges, and will cost in the neighborhood of \$100,000. When completed it will afford a straight-away course from the overhead crossing north of Ashland and eliminate a number of dangerous curves.

Ask Better Road In Ramsay Canyon

A petition has been presented to the county court, signed by 50 taxpayers of the district, asking that the Ramsay Canyon road between the Van Hovenberg ranch and the Turtle Rock ranch be improved. It is suggested that the road be graded and turned.

FURLOUGH PERMIT GALLUP HEIRLOOM

Among his pieces of 1862 scrip, Henry C. Gallup of 215 Edwards street, today displayed at the chamber of commerce, a furlough permit issued to his great-grandfather during the time he served in the East York regiment of the militia.

Mr. Gallup said that his ancestor took part in the battle of Waterloo against Napoleon, and the permit was given him, in order that he might visit his home in England.

A five-cent money order published by George K. Currier, merchant at Morrisville, Vt., in 1862, was shown by Mr. Gallup.

British Attempt To Save Parley

LONDON, Mar. 9.—(AP)—Premier Ramsay MacDonald and Foreign Secretary Sir John Simon started today for Geneva, where they will attempt to save the world disarmament conference from failure.

They will confer with Premier Edouard Daladier in Paris and proceed to Geneva tonight. They plan to stay about 10 days.

INDIAN GRAPPLER MEETS MOBLEY IN COMING MAT CARD

According to announcement today by Mack Lillard, local promoter, Yagui Joe, Indian grappler with the educated legs, will meet Rex Mobley, Alabama matman, on one-half of the double main event wrestling card scheduled at the Armory for Wednesday, March 15.

On the other half of the card Ray Friable, Medford's wrestling fireman, will trade grips and groans with Pete Delcastro, Sacramento youth who has been burning up the California mats of late.

In offering the double main event Lillard declares he will give Medford fans one of the best cards ever shown here, both the Indian and Mobley being fast and experienced matmen, while Friable and Delcastro, in the heavyweight class, should provide a thrilling performance. Friable will have a slight edge in weight, the Italian weighing between 195 and 200, but this advantage will be more or less offset by the Sacramento's speed.

Bargain prices will again prevail, according to Lillard and it is expected that an even larger crowd than witnessed the last card, will be present.

MEDFORD, PHOENIX TO CLASH TONIGHT

Tonight's game with Phoenix, to be played by Medford high school's basketball team, may decide definitely which of the two quintets will represent this district in the state basketball tournament next week in Salem.

Medford defeated Phoenix, 23 to 18, here Tuesday evening, but tonight's game, on the Phoenix home floor, is expected to give the class B boys the advantage. Phoenix was not defeated in any of its conference tilt in the B division.

Should Phoenix win from the Tigers tonight, a third game, probably on a neutral floor, will be necessary.

DEVORE HIGH ON ELKS CLUB ALLEY

Ron DeVore of the Gunther bowling team topped 610 pins in the Elks club tourney last night to aid his outfit in taking the match 2 to 1 from Hugh Rankin's quintet.

SHIP YOUR PRODUCTS IN WOOD

The wood box manufacturers of Southern Oregon are making an intensive effort at this time to acquaint the shipper with the desirable features of the wooden container for the packing and shipment of a wide range of commodities. The wood box industry is intelligently entering into the problem of marketing potatoes, carrots and other vegetables in wooden crates. This industry is particularly important in Southern Oregon because the timber is largely pine, and pine is the most desirable for box woods. The box factory payroll is an important one in Southern Oregon, distributing large sums in wages. Every individual and every business, either directly or indirectly, benefits from this industry. If you would like to help the wood box industry, one way would be to lose no opportunity to express your appreciation of those products that are shipped in wood boxes.

Most of the wood box factories in Southern Oregon are using modern electrical machinery because of its efficiency and the low fire hazard. An interested visitor would be surprised at the number of large, up-to-date, wood box factories located in the Southern Oregon pine belt and the exceptional quality of the product they turn out. These wood boxes are superior in every way and the products shipped in them show a minimum of loss in shipping and storage.
