**HEAVYWEIGHTS TO OPEN HOSTILITIES ON TWO-PLY BILL**

Old Favorite, Yaqui Joe, Returns For Match With Mobley—Frisbie Meets DeCastro Opening Clash.

Yaqui Joe, colorful Sonora, Mexico, Indian will be seen in action again in Medford tonight when he meets "Gentleman" Rex Mobley, Alabama exponent of the muscle-mangling art. In the second half of a double main event wrestling card promoted by Mac Lillard, Medford's popular ring impresario.

Yaqui Joe has shown his wares here several times and is popular with local fans. He specializes in use of his long, sinewy legs, having perfected one torturing hold which causes an opponent to slip to mat in quick order.

Mobley is also favorably known here having tangled with Thor Jensen on the last card. Mobley's chief claim to fame is his refusal to engage in the dirty tactics practiced by most wrestlers of the present day. Mobley is a strong and methodical man and knows all the grips in the game. The Indian and Alabamian should provide a thrilling and scientific exhibition. Promoter Lillard has moved the first row of seats an extra foot from the ring as a precaution against injury for some spectator should the reekin miss one of his flying leg-scissors and go hurtling out through the ropes among the cash customers.

In the first half of the evening's bill, Ray Frisbie, Medford product, who returned not long ago from a barn-storming trip about the country, will take on Pete DeCastro, Sacramento whirlwind, for an hour's grapple or two out of three. Frisbie is one of the best heavyweight outside the big show, and despite his bulk, moves about with the speed and agility of a middleweight. He will need all his speed tonight for DeCastro is rated as one of the speed merchants of the mat.

Advance sale of tickets indicates a good house, according to Lillard, who also says the match will draw more than the ordinary number of women. The matches will be broadcast over KEMD.

**DAZZY VANCE OUT AS PITCHING HUB OF DODGER SQUAD**

Team Will Take Field Without Landmark of Years—Benge, Beck and Carroll Are Latest Additions.

By ALAN GOULD Associated Press Sports Editor.

In the process of reconstruction under Max Baer, the Brooklyn Dodgers disposed of one of their novel institutions, Babe Herman, and subsequently advanced a notch in the National League standing to third place. They have now discarded the most famous of all their player landmarks, Arthur (Dazzy) Vance, and already won the claim of their leader to being 25 per cent stronger for the 1933 pennant hunt.

Pitching Trio Added.

For the first time in ten seasons, the Brooklyn pitching staff is not being built around Vance, the burly rethead who ruled for years as the fireball king of the National League. Now past 40, Vance's holdout demands have been turned over to the Cardinals while Manager Carey devotes much of his attention to a trio of pitching additions, Ray Benge from the Phillies, Walter Beck, who won 27 games for Memphis last year, and Owen Carroll, one-time ace of the college hurriers at Holy Cross.

None of this trio will make the fans of Flatbush forget the great leader but they should combine to give the club more effectiveness in the box than it had last season.

Benge, who won 18 and lost 12 with the fourth place Phillies, posted as good a record as Vance and has the advantage of being 12 years younger. Dazzy won 12 and lost 11 in 1932 but he was out of commission with a sore arm the latter part of the campaign. Just when the Dodgers needed him most. This was one of the big reasons why the team finished nine games behind the champion Cubs.

Beck, 300-pounder, has impressed camp followers at Miami as being ripe for a regular job. He has speed, a good curve, change of pace and consistent control. He will be 27 years old in April and is well beyond the ordinary recruit stage. He looked good in his first test against the Athletics.

Van Mungo, the young fastball star who won 13 games last year, Watson (Lefty) Clark, Hollis Thurston and Freddy Helms will round out the starting staff. The daddy of all the big league pitchers, 47-year old John Piesus Quinn, will again shoulder the principal relief burden.

Outside "the box," speed is not among the Dodger assets, but Carey has finally obtained the insurance he needed by acquiring the veteran Joe Judge from Washington to play first base, if Del Bissanette fails to recover completely from the leg injury that kept him out all last season.

Bissanette's Weak in Legs.

Bissanette's batting eye appears as keen as ever but it is doubtful if his under-pinning can stand the strain of a full season.

Of the two principal holdouts, Third Base Joe Stripp seems more essential to the success of Dodger operations than the young slugger, Hack Wilson. Stripp is needed to round out an infield including Captain Glenn Wright at short and Tony Cuccinello at second base. Wilson will have to tangle with Johnny Raderick for the job in right field, flanking Danny Taylor in center and Frank O'Connell, the league's batting champion, in left.

Refreshment committee for the next Grange meeting consists of Mr. and Mrs. G. O. Landen, Mr. and Mrs. O. E. Simmons, Mr. and Mrs. W. B. Grause and Mr. and Mrs. W. H. Arnold.

At the close of the meeting delicious refreshments were served by Mrs. Skinner with colorful St. Patrick table decoration.

Next meeting will be held March 22 at Mrs. Edna Jones' home in Jacksonville.

**MRS. GETCHELL IS TOURNAMENT WINNER**

The women's blind bogey tournament at the Rogue Valley golf course yesterday was won by Mrs. Delroy Getchell with a net score of 42 for the nine holes. Second place went to Mrs. Glenn Jackson while a three-way tie developed for third prize, Mrs. R. B. Smith, Mrs. O. Alenderter and Mrs. F. H. Reim being contenders. In a play-off, Mrs. Smith won from Mrs. Alenderter.

Yesterday's tourney was one of the most successful so far staged for women followers of the royal and ancient game on the local course and it was announced that another tourney is planned for Sunday, March 26 which will also give the women an opportunity for tourney play, the event to be on a two-ball mixed foursome basis.

Players are urged to register as early as possible for the match so prizes can be made. The program will include golf, lunch and other entertainment and desirable prizes will be given.

**JACKSONVILLE GRANGE PROGRAM PROVIDED BY FORESTRY ATTACHES**

A large crowd attended the program at the Jacksonville Grange put on by the Forestry service. The program consisted of motion pictures of the scenic wonders of the Oregon coast and Roosevelt highway, Timber, and the logging industry and game life of Oregon forests. These pictures were taken by W. V. Fuller, state forester and member of the Oregon State Board of Forestry.

Colored stereoscopic slides entitled "Green Gold" was presented by Geo. Griffith, national forester of Portland, who explained in an accompanying lecture, the value and beauty of our forest and game life.

The pictures were shown for the purpose of impressing upon the public the necessity of the preservation of our forest by fire prevention and inasmuch as the Central Point Grange is a large one, the meeting will undoubtedly be very successful and worthwhile.

The program will be changed somewhat from those held previously, and announcement will be made within a few days. The only speaker on the program will be W. S. Bolger, president of the chamber of commerce, who will outline to those present the program of the chamber of commerce for the ensuing year as it relates to agricultural development.

The meeting is scheduled to start at 8:00 p. m.
