

# TINY TOWN'S BASKETEERS THROW SCARE IN STATE TOURNAMENT 'BIG BOYS'

SALEM, March 17.—(AP)—Athena high, still a novelty in championship considerations, perched along with Lincoln high, Astoria and Salem in the semi-finals of the state basketball tournament which will be played here tonight. And this tournament town could not be much further shocked now if Athena were crowned champion tomorrow night.

The little school of Athena with only 54 students enrolled will play Salem high with its 1400 enrollment to see which enters the finals against the winner of the Lincoln-Astoria game.

The gangly Lincoln team was the only one of the four which had a "breather" game yesterday. It maintained possession of the ball most of the time in defeating West Linn, 34 to 1. Silver scored 12 points for Lincoln.

Astoria Trims Eugene. Coach John Warren's Astoria fishermen pulled through in another close game and won from Eugene, 27 to 24, after having only a one-point lead with slightly over a minute to play. Northam led Eugene in overcoming Astoria's early 7 to 1 lead and it was only the sensational shooting of Gannessa that put his team into the semi-finals.

Gannessa also proved to be the fishermen's most harassing guard and caused further consternation to Eugene by drawing numerous foul shots. Wright of Eugene and Averill of Astoria went out on fouls in the second half.

Salem Rally Wins. Salem high was caught in mid-game doldrums, but spurred in the last five minutes to defeat The Dalles, 41 to 27. The Dalles led, 20 to 18, early in the second half and trailed only 31 to 27 with three minutes left to play. Salem was ahead, 10 to 0 at the end of the first quarter. Miles, reported to be only 14 years old and doubtless the smallest player in the tournament, collected 10 points for The Dalles, principally on long shots. Kelly again was hub for the Salem attack as he scored 14 points and played a prominent part in "feeding" his team mate Wintermute, who scored 16 points.

Athena Steals Show. Athena stole the show by taking the lead from Tillamook and maintaining it most of the way, emerging with a 31 to 25 victory over the large Cheesemakers. Halftime witnessed a 18 to 18 tie, but fancy shooting and close checking by Athena toppled the giants. Gessel of Athena and Vagt of Tillamook scored 10 points each.

Medford, Corvallis, Klamath Falls and La Grande were eliminated in consolation games yesterday and four more teams will join the ranks of spectators in today's consolation series.

THE HOME OF BREAD LIKE MOTHER MADE

## Don't Blame Your Children for Poor School Grades If They Go Without Breakfast

GOING without breakfast is a great handicap to school children. Poor grades in the morning studies are very noticeable. HUNGRY CHILDREN CANNOT STUDY.

Don't let the children acquire the no-breakfast habit. Before the school age feed them as soon as they are up, for that is when the habit is formed. Sometimes the child must be tempted with an unusual taste appeal—some especially tasty food—a nourishing, harmless sweet.

This is often a difficult problem—but you can solve it, as other Medford mothers have solved it.

Serve breakfast rolls—there is a wide variety: Cinnamon twists, cinnamon snails, butterhorns and many others—all as nourishing as any product of wheat—man's best food.

Some add a hot malted drink—very nourishing and very appetizing. There's a great convenience, too. Families seldom sit down to breakfast together. With rolls—just put them in the warming oven and serve as one by one, they are ready to eat. Here is a good Monday start:

- CINNAMON SNAILS ..... 6 for 10c
