

## PHOENIX CAGERS AND CENTRAL PT. WIN IN TOURNEY

39-21 Defeat of Champion Arago Outfit Is Thriller—Central Point Trims Riverton Quintet, 25 to 20

By Billy Hulen . . . Title play elimination of Arago, 1932 champions, by Phoenix to the tune of 39-21, Central Point's upset victory over Riverton; and Chiloquin's smashing 71-4 defeat of Prospect featured the qualifying round of the Southern Oregon Normal school's sixth annual invitational basketball tournament at Ashland yesterday.

Phoenix, 39; Arago, 21  
Phoenix eliminated Arago, 1932 champions, in the first round. It was a desperately fought game but the fast break offense and airtight defense of the Jackson county class B champions was too much for the highly rated Aragos. C. Higgins-botham, gigantic center, connected for eight field goals, and Seane, red-headed forward, hit four from the field and three from the foul mark.  
Yoncalla, 34; Jacksonville 17  
Toner, center, collected a total of 14 points, and Yoncalla blasted Jacksonville into the consolation flight. Jacksonville was never in the game. Ward garnered eight points for the losers.  
Powers, 38; Rogue River, 24  
Ability to come through in the pinch enabled Powers to remain in the championship play while sending Rogue River to the consolation flight. It was the most exciting game of the day, with the lead changing hands at least eight times up until the final quarter. Hubbard was high with 18, followed by Hartman, Rogue River, with 11. Rogue River led at the half, 11-8.  
Gold Beach, 17; Eagle Point, 13  
Another Jackson county team dropped by the wayside, pushed out of a team from the sea. It was a dull game, Eagle Point scoring only four field goals the entire game and Gold Beach but 5.  
Port Orford, 46; Gold Hill, 11  
Playing their second game of the day, Port Orford went into the second round and Gold Hill went out of the tournament. Ritter, Gold Hill center, was so well covered that he failed to make a single point. Post,

## ASHLAND-YREKA PLAY BASEBALL

By Billy Hulen  
Coach Don Faber will take his Ashland high school baseball team to Yreka, Cal., tomorrow to tangle with Yreka high in the first game of the season.  
Faber has several games lined up for his club and, though they are somewhat tentative, he expresses the opinion that Ashland high will have a fairly full schedule this spring.  
Yreka will play a return game at Ashland April 14 or 15.  
Fifteen toasters will make the trip to the California city. Catchers, Gearhart and Fowler; pitchers, Hoxie, Hardy and Green; first base, Harris; second base, Murphy and Andrews; third base, Tomner and Kannaas; shortstop, Durham; outfield, Baughman, Jungworth, Newhouse, Trusty.  
Dance till 2 at Jacksonville Saturday night; 8-piece orchestra.

## CINEMA STRIKE MAKES HOME AN INHABITED SPOT

CLEVELAND, March 17.—(AP)—Cleveland became a city of a million "home bodies" today.  
For the first time in two decades, not a motion picture theater was open.  
Night clubs, grasping the potentialities, bade the entertainment seekers enter. One advertised: "While the theaters are closed, see a great show while you dine and dance. Seven principals and a chorus of sixteen."  
The farewells of the silver screen was accompanied by full houses at both matinee and evening performances yesterday as thousands rushed to the last show before the "holiday."  
A dispute over wages with musicians, stagehands and motion picture machine operators caused the order to close. Other employees already had taken wage reductions.  
SYRACUSE, N. Y., March 17.—(AP)—Syracuse's large downtown motion picture theaters closed their doors at the end of the last showings last night, after failure to come to an

agreement over wage reductions with affiliated theatrical unions.  
A statement by the managers said they had asked that all employees take a 25 per cent reduction.  
Neighborhood theaters remained open.  
KANSAS CITY, March 17.—(AP)—Plans for closing the theaters of greater Kansas City March 30 as the result of a salary reduction deadlock between operators and union employees were disclosed today.

## FITCH NOT U.S. FOREST WORKER

L. M. Fitch, Good Government Congress member, who was struck over the head with a gun yesterday morning following the slaying of Officer George Prescott, is not an employe

of the United States forest service, and never was, is the announcement made this morning by Norman C. White, assistant supervisor of the forest service here.  
Fitch, upon arrival at the Sacred Heart hospital, where he is receiving treatment, identified himself as a forest service employe. It was not learned today whether or not he was a member of the state forest staff.
