# ELKS RING CARD TONIGHT PROMISES HEAVY ACTION

## WHITE, MONROE ENCOUNTER IS HEADLINE BOUT

### Four Hot Preliminaries to Support Main Event — Elks and Friends to Attend On Low Admissions

A fancy dish of leather pushing will be spread before members of the Elks' lodge and their friends this evening when Herb White, local fighter, and Frankie Monroe, Klamath slugger, met in the main event at the club house, with four red-hot preliminaries to whet the appetite of the customers.

White is carrying a slight edge in the betting, the "wise ones" holding that his boxing ability and rugged jaw will offset the boring-in tactics of the lad from across the mountains.

The local lad has become a great favorite during his comparatively short time in fistic affairs and should he win tonight from Monroe his backers expect to send him ahead fast with an eye on the big money.

In the preliminaries Matchmaker Mack Lillard has provided eight boys, all young ambitious, game, and mostly well acquainted with the leather mittens. Any one of the four 4-round supporting bouts has all the elements necessary for a hectic battle.

Billy Dale and Bob Irwin will swap punches in the 130-pound class; Johnny "Kid" Bell meets Ernie Daniels at 145 pounds; Stanley Reed and Carl Carpo are scheduled for a fracas in the 148-pound class and Tony Ortis and Jimmy Compagne a pair of clever little men, will entertain the on-lookers with an engagement in the 120-pound division.

Tonight's smoker is intended as a money-raising effort on the part of the Elks, who have been heavily taxed of late by charitable demands. Because of the necessity to meet this added expense the Elks have issued an invitation to the general public to attend, the admission price being kept to a very low figure.

Arrangements for the bout have been in the capable hands of P. O. Bigham, chairman of the Elks' committee, assisted by a corps of lodgemen.

## Will Local Boy Make Good?

## PRESCOTT FORCED TO SERVE WARRANT BY LAWS OF LAND

(Continued from Page One)

wife, then fired the fatal shot. The law could not foresee the desperate defiance and murderous intent of the slayer.

Banks had threatened many times to slay any officer who came to arrest him, and made good his boast. The state policemen stationed at the back exit heard a muffled sound, followed by the flight of E. A. Fleming, Jacksonville orchardist, who was armed. They arrested him. They had never seen Banks and thought at first that Fleming was the ex-editor and agitator instead of a "congressman."

The statement of the authorities is as follows:

"The grand jury returned an indictment charging several persons with the theft of election ballots. The indictment was returned in open court and the circuit judge ordered the issuance of bench warrants for all these persons immediately.

"The warrants of arrest were issued in accordance with the order of the circuit court and were signed by the county clerk as the law requires.

"Since the sheriff was one of the persons indicted, he could not serve the warrants, and therefore it was necessary that the clerk issue the warrants in the name of someone else, and they were issued to George Prescott, the regularly elected constable.

"Mr. Prescott, as is customary, called to his aid three Oregon state policemen and went to the home of L. A. Banks to place him under arrest.

"Banks had threatened to kill ANY officer who came to arrest him."

## PORTLAND BEER LICENSE SLASHED

PORTLAND, Ore., March 23.—(AP)—Early action to make beer available in Portland was anticipated today after all members of the city council had indicated they would vote favorably on such a regulating and taxing ordinance as might be submitted by the city attorney. With no negative votes and the emergency clause attached the ordinance would become effective immediately. A drastic reduction in the originally proposed tax of $3600 for breweries, $1800 for restaurants and $1200 for groceries was promised after a storm of protest had been directed at the city council.

## WOMEN TIE FOR GOLFING HONOR

Mrs. J. C. Thompson and Mrs. Delroy Getchell tied for first place in the blind-hole tourney for women at the Rogue Valley golf course yesterday while a three-way tie developed for second place, with Mrs. S. M. Reum, Mrs. Larry Schade and Mrs. D. G. Tyree sharing the honor.

Seventeen women participated in the tournament, which by reason of the uncertainty, with two of the holes blind, gave a measure of handicap for more adept players.

Twenty women enjoyed luncheon which was served at the course. Following the luncheon A. P. Johnsen, tournament chairman of the club, gave an interesting talk on the mixed foursome play scheduled for next Sunday.

## PETROLLE LOSES TO CHICAGO BOY

CHICAGO, March 23.—(AP)—Barney Ross, a youngster from Chicago's Ghetto, has earned himself a chance at Tony Canzoneri's world lightweight championship.

By outpointing Billy Petrolle, the Fargo, N. D., old gentleman, who has been the yardstick by which lightweight contenders are measured, last night in the Chicago stadium, Ross certified himself as about the best of the field seeking to dethrone the champion.

Ross didn't beat old Billy by a mile, but he did a good enough job to convince the title holder, Canzoneri, who sat at the ringside and watched it. Apparently he hadn't expected much of Ross, for he said the 22-year-old Chicagoan had surprised him. He said he would be glad to meet Ross.

The battle was a simiar every step of the way.

### *Veteran King Tut Loses By Decision*

SAN FRANCISCO, March 23.—(AP)—Seven knockdowns were scored in the 10-round decision fight here last night in which Babe Marino, San Francisco welterweight, overcame the veteran King Tut, of Minneapolis. Marino weighed 150 pounds to Tut's 147.

### JAP WINS NOD FROM IRISH YOUTH IN TEN

OAKLAND, Calif., March 23.—(AP)—Jo Tieken of Japan gave a boxing lesson to an Irish boy, Baby Palmore of Ventura, Calif., here last night and emerged victor in their 10-round bout. Tieken weighed 116¾, a pound less than his opponent.

Palmore some weeks ago knocked out Speedy Dado, Filipino boxer, in their first round.

**WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL**

**And You'll Jump Out of Bed in the Morning Rarin' to Go**

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul; skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931 C. M. Co.
