

Pairings Announced for Mixed Foursome Tourney Here Sunday

UNIQUE TOURNEY TAKES INTEREST LOCAL GOLFERS

Eighteen Foursomes Listed —Prizes for Ladies Only —Lunch Will Be Served at 3 o'Clock at Course

By ROGER EARLY
Eighteen foursomes have been matched so far for the two-ball mixed foursome golf tournament to be held Sunday at the Rogue River Valley golf course, and more entries are coming in hourly, according to A. P. Johnson, chairman of the tournament committee of the club.

Johnson said yesterday that he wanted all golfers who have entered to study the pairings so far and if any are not satisfactory to report to him, and changes will be made.

Start at 11 A. M.
Johnson and Harry McMahon have been working on the tournament for several days and, with weather permitting, the foursomes will start playing off at 11 o'clock Sunday. If rains prevent play, Johnson said, the tournament will be merely postponed for one week and no change in schedule, pairs or pairings made.

Response with which the tournament is meeting is gratifying, Johnson said, because 36 women are registered to play so far and heretofore only about 25 women have been actively golfing at the course. Many women who have not taken interest in the game for years are planning to play and a new interest in the course is developing.

Prizes for Ladies
Prizes will be given to the ladies only and the men will play the green fees Johnson said. All men playing are asked to see Jack Hueston before teeing off.

Lunch will be served at 3 o'clock and refreshments at odd times. Herman Burgoyne of the Rex cafe will furnish the lunch and Flavia West, Standard Oil, will furnish the refreshments.

The public announcer system will be in full swing Sunday, Johnson said, but remarks to players will be confined to those coming up to the ninth and eighteenth holes. No secrets or family scandals will be told either," he said, "which is something."

Lady Expert Here
Mrs. Mona Jones, one of San Francisco's leading women golfers, who plays with a four handicap, and who is visiting with the J. C. Thompsons here, will play Sunday, matched with Don Clark, who plays with a six handicap. The Clark-Jones duo is expected to turn in a low score, but will have to play for it, Johnson said, as others have been showing good golfing form. All handicaps must be established before play starts.

For the ladies who do not know their handicaps and for those who have not played for some time a maximum handicap will be given, Johnson said.

Agnes Smith, chairman of the women's tournament committee, has been working with Johnson preparing schedules and making pairings for the Sunday tournament, which promises to be the best of its kind ever held here.

Hueston, professional at the club, has made ample arrangements for caddies and all other incidentals have been cared for.

An attempt has been made to reach every member of the course by telephone, and Johnson said that some could not be reached. These members are asked to call Johnson at the Standard Oil office or at his home, and make arrangements to enter. Entries will be accepted until the last minute before play starts he said, but he also urged early en-

try to insure satisfactory pairings. A list of the entries follows:

YAQUI AND MOBLEY ARE RE-MATCHED TO GRAPPLE HERE

Yaqui Joe, the Sonora Indian, and Rex Mobley, the bone-crusher from Alabama, are to be pitted again next Wednesday night, March 29, at the Medford Armory, according to Mack Lillard, wrestling and boxing promoter. These two men introduced the highest type of wrestling entertainment the Oregon fans when they met two weeks ago.

They have been booked to decide the draw decision of their last meeting, in an hour and one-half session, as the main event. Both men weigh in at 180 pounds, and both are exponents of the cleaner demonstrations of strength and skill.

In a semi-windup event, Roland Warren, Klamath Falls Copco engineer and Harry (Duke) Elliott, former wrestling instructor of the University of Oregon, are scheduled to grapple for 45 minutes—or less. Elliott also is present referee for the Eugene and Portland matches.

Lillard announced that a new price schedule will be put into effect. This show, which will be the peak of entertainment for wrestling fans of the region, can be seen for a very nominal sum.

Yaqui Joe and Mobley have been the strongest card in several years, and fans are urged to make early reservations. The card will begin promptly at 8:30 p. m.

AMERICAN OWNED HORSE IS WINNER

KELLSBORO JACK SETS RECORD IN GRAND NATIONAL

Mount Entered by Mrs. J. Ambrose Clark Clips Seconds From Best Previous Time on Famous Course

AINTREE, Eng., March 24.—(AP)—For the third time in the history of the classic, an American owned horse galloped home the winner today in the spectacular grand national steeplechase as Kellsboro Jack, at 25-to-1, scored a decisive record breaking victory in the colors of Mrs. F. Ambrose Clark, new York social registerite and prominent sportswoman of Long Island and South Carolina.

While disaster overtook the American owned favorite, Heartbreak Hill, as well as Dusty Foot, ridden by Geo. H. (Pete) Boewock, Kellsboro Jack won by three lengths from Really True long shot owned by a British army officer, Major N. Furlong.

Third place went to sister, a neck behind Really True.
Fourth among the 17 horses which completed the treacherous four and a half mile jumping course, out of a starting field of 34, was another American owned entry, J. B. Snow's Delanage.

The favorites, as usual, had plenty of trouble. Heartbreak Hill, owned by Mrs. C. S. Bird Jr., of Boston, fell in front of the grandstand after completing the first round of the course. The Irish bred jumper had gone to the post an 8-to-1 favorite.

Boewock, ridden by the youthful American polo star and brilliant amateur rider, came a cropper on the first round. Bostwick was unhurt.

Rich Purse to Owner
The victory was worth approximately 13,000 pounds (about \$45,000) to the winner's owner.

Kellsboro Jack's time of 9 minutes, 25 seconds, established a new record for the grand national. The best previous time, 9:32 1/2, was made in 1931 by Grakle.

The only other victories for American owned horses were scored by Stephen Sanford's Sergeant Murphy in 1923 and A. C. Schwartz's Jack Horner in 1926.

One of the many riderless horses Apostasy, stayed on the course and finished about a length in front of Kellsboro Jack. Apostasy is owned by Lady Lindsay.

Dusty Foot broke away from handlers, throwing Boewock, and also completed the course riderless, coming in last.

WHITE, MONROE, IN DRAW BATTLE ON ELKS' CLUB CARD

Frankie Monroe, hard rock of the Klamath country, and Herb White, local corner, battled six stirring rounds to a draw in the main event of the Elks' club smoker last night before a highly appreciative crowd of fans.

Monroe fired the most shots in the melee, but the clever White shook them off or "went with the punch," and the boy from over the mountains was able to land but few clean blows.

On the other hand, White's punches went home with plenty of power behind them and he piled up sufficient points to convince Referee Fred Erickson that he had earned a draw. Hope for a rematch of the pair here was expressed by many who saw the bout, and it may be possible that a return engagement for the two battlers will be signed by Matchmaker Mack Lillard.

In the supporting bouts, Jimmy Compagne, Chilcoquin and Tony Ortiz, Klamath Falls, both in the 120-pound class, staged an interesting semi-final, the nod going to Compagne Billy Dale and Bob Irwin, 130-pounders, punched four rounds with Erwin winning Erickson's nod at the finish. Carl Carpo dethroned Stanley Reed in a four-round affair and Johnnie Bell won a technical knockout over Ernie Daniels when the latter was rendered helpless in the last frame of the curtain-raiser.

An interesting sidelight on the main event, in view of a possible rematch was the fact that the two game little battlers left the ring with the hope that a future match would be staged, as they want to "fight it out." They were in a furious exchange as the final bell rang, and continued to swap locks until Referee Erickson stepped between them.

The Elks' club band, under the baton of Wilson Wait, added to the enjoyment of the evening.

SAN DIEGO, Mar. 24.—(AP)—The sensational 17-year-old apprentice jockey, Lee Humphries, leading rider at the Agua Caliente racetrack across the border, was in a local hospital today in a serious condition, as a result of a bad spill at the track yesterday.

GRIMM CONVINCED CUBS WILL REPEAT PENNANT WINNING

Skipper Has Lumbago, But Team in Top Shape, Is Word From Camp—Herman Adds Bating Punch

By RUSSELL J. NEWLAND (Associated Press Sports Writer)

SAN FRANCISCO, March 24.—(AP)—Charley Grimm is starting his first season as manager of the Chicago Cubs with a smile on his lips and an ache in his back. He has been battling the lumbago for several weeks.

"The only grim part of the business is my being laid up when my feet are itching to get out on the field," said the likeable skipper of the defending National league champions. "Boy, that's not a bad line, is it? 'Grim details worry Grimm.' Well, I've got it licked now. Expect to be back at first base in a few days."

Herman Adds Punch
"There is nothing to worry over so far as the club is concerned, with Babe Herman in right field we have added batting punch that should mean a lot more runs this year. Our only weakness, as I see it, is a lack of experienced left-handed pitching. Still, we've had the same weakness for four or five years and managed to win pennants."

"We want a great young club. I never played with a finer bunch of fellows. If we don't win it won't be because of poor team work."

The Cubs' pilot starts this season with a stronger club largely because of the acquisition of Floyd "Babe" Herman, for years Brooklyn's clouting mainstay. Herman's presence

should relieve Riggs Stephenson, left fielder, of some of the cleanup-hitting burden. Kiki Cuyler will roam center field, as usual. Frank Demaree, who made good in his first season up last year, will be on hand for emergency fly chasing duties and either Vince Barton or Paul McCarron will round out the outfield delegation.

Grimm is impressed with the work of McCarron, recruit picked up this year from the Albany, N. Y., club. He may stick with the team if Barton does not come through. Barton, who has had three trials, is nursing a bad arch in his left foot.

The Cubs are "set" in eight pitching positions with Burleigh Grimes, Guy Bush, Leroy Herrmann, Pat Malone, Lou Warneke, Charley Root, Lyle Tinning and Carroll Verkes, the latter a left-hander. Two other southpaws, Beryl Richmond and Roy Henshaw, and the right-handers, Lynn Nelson and Lyle Newcom, are fighting for the ninth place on the chucking staff.

The three mucketeers behind the plate are "Gabby" Hartnett, Zack Taylor and Bill Campbell.

The infield is unchanged with

Grimm at first; Bill Herman at second; Bill Jurges at short and Elwood English at third. Mark Koenig, who served long and honorably with the Yankees; Stanley Hack and Harvey Hendrick, will do the general utility chores.
