

# Entry List Grows for Mixed Foursome Tourney at Valley Course

## 120 NOW LISTED TO PLAY SUNDAY IN UNIQUE TEST

### Postponement From Last Sunday Serves to Extend Numbers — Ask Captains to Instruct Cohorts

Postponing of the mixed foursome golf tourney at the Rogue Valley course to next Sunday has apparently added interest in the event with a greatly extended entry list. Thirty foursomes are now recorded with probability of more before play actually starts Sunday morning.

"What a shame we didn't have good weather last Sunday, but everything happens for the better, because as a result of the inclement climatic condition, additional registrations have been received so that we now have 60 twosomes or 30 foursomes, a total of 120 participants, which promises to be the largest event in the history of the golf club.

"There has not been a withdrawal on the part of the list of participants and it certainly is a great pleasure for the tournament committee to receive such response.

"The weather man predicts a typical spring Sunday and if we are fortunate, it promises to be a gala event. A suggested change in the operation of the tournament, we believe, is a good one. We ask that the man in the first twosome act as captain of the foursome, and call each one of his players, notifying them that the tournament will be on Sunday and to confirm the selections.

"Team captains should determine from those whom he will play whether or not they wish to play 18 holes or 9 holes and immediately notify Jack Hueston at the club, so that he will have an idea how to distribute prizes. The plan is that all those who wish to play 18 holes should tee off at 10 o'clock and all those who wish to play 9 holes tee off at 11:30.

"This will provide that everyone will finish at approximately the same time, not requiring those who only play 9 holes to wait an hour and a half before the prizes are distributed, refreshments and lunch are served. This is very important for the success of the tournament.

"Everyone must tee off on No. 1, as prizes will be based on the net score for the first 9 holes and additional prizes for those who play 18 holes. The committee would appreciate it, if each team captain would notify Jack Hueston, club pro, that he and all members of his foursome have a definite understanding of this change over last week, so that there will be no confusion.

"We should also like to suggest that if any of the players know something that would be worthwhile announcing over the broadcaster, to please make a note on a small card and hand it to the tournament committee for discussion at the proper time."

## RING EVENTS ON BASEBALL BENEFIT

An evening's entertainment program of wide variety has been lined up for tomorrow night in the Armory, in an effort to raise funds for equipping the Medford Merchants' baseball team.

A four-round boxing bout between "Dynamite" Matthews and Blondie Lewis, both boys in the 140-pound class, will open the program at 8:30 sharp. Stub Gelm and Buster Gilman will follow in a half-hour wrestling match, and a four-round session with the gloves between K. O. Pichtner and George Harrington will conclude the ring entertainment, after which dancing to the music of Dinty Moore's Little Giants will be the order of the evening.

The baseball prospects are brightening daily, according to George Sowers, who is acting as manager until the team is definitely launched. Prospective players work out twice daily at the Junior high school grounds, at 2 p. m. and 8:30 p. m., and a large number of good looking baseballers are to be seen in action daily.

## ROBIN REED WINS GRAPPLING MATCH

PORTLAND, Ore., March 30.—(AP)—Robin Reed of Reedsport, Ore., took two falls out of three to win from Jack Gorman of Dallas, Texas, in the main event of last night's wrestling card here. Reed weighed 144, Gorman 145.

The Reedsport wrestler won the first fall in 17 minutes with a "Farmer Burns" handcuff" hold. Gorman evaded it up 9 minutes later with a body scissors, but lost the deciding fall in four minutes when Reed successfully applied a backward body slam.

Henry Jones, 147, Provo, Utah, took one fall to win the semi-windup from Bobby Novak, 148, Cleveland. Novak was unable to return after the fall.

Wildcat Pete, 158, of Eugene, Ore., won the preliminary when he took one fall from Wildcat Gray, 156, Chadrone, Neb.

## BUNION DERBY IS MIAMI'S NEW FUN

MIAMI, Fla.—(AP)—Folks hereabouts grew tired of marathon dances as a form of amusement, so now they have the "walk-a-thon."

Besides, the dance was banned here by municipal ordinance. But crowds are still turning out to watch the "bunion derby."

"Contestants walk 23 of the 24 hours a day, with 15 minutes to rest and sleep each hour. All they do is walk—there's no risk, but they must keep moving. Three meals and five lunches are served those engaged in the contest and some gain weight. "It's easier than dancing," says a veteran on the marathon dance game.

## CRAIG WOOD GAINS CHAMPION THRONE WITH SUPER GOLF

CHICAGO, Ill., March 30.—(AP)—The big winter campaign of American golf was over today with Craig Wood, the blond shotmaker from Deal, N. J., firmly seated on the champion's throne.

Burgling to the top with a game so brilliant and consistent that it averaged approximately 71 shots for each 18-hole round, Wood easily ended the two-year winter golf reign of Gene Sarazen by winning four important championships, placing no lower than tenth in 11 others, and amassing a total purse of \$5789.08. Sarazen, caught in a slump since his victories in the British and American opens last year, finished far down the list.

Wood, known as one of the few golfers who can recover quickly from a slump, was as consistent as he was brilliant in hanging up his glittering record. He missed the rich Miami open because of his campaign in the far west or his earnings might have been above the \$5000 mark. Denny Shute finished second in money winnings for the winter with a total purse of \$4171.40.

## DUCKS IN MIGRATION HALT AIRPLANE TESTS

DAYTON, Ohio, March 30.—(AP)—Ducks, some 3,000 strong, taking a liking to the puddles and marshes at Patterson aviation field, have temporarily closed the United States air corps speed course. All efforts to frighten the ducks away have proved unsuccessful.

Because a plane striking a bird might cause an accident, officers have ordered all speed tests deferred until the ducks see fit to push on.

## KIKI CUYLER BREAKS LEG BONE IN PRACTICE

LOS ANGELES, March 30.—(AP)—For the second time in as many seasons, the name of Hazen (Kiki) Cuyler has been stricken from the Chicago Cubs' starting lineup today because of injuries.

The veteran centerfielder fractured the smaller bone of his right leg yesterday when he stole second base in the fourth inning of an exhibition game with Hollywood of the Pacific Coast league and will be out at least until the middle of June.

## Tulsa Basketball Quint Wins Opener

TULSA, Okla., March 30.—(AP)—The Tulsa Diamond Oilers, National A. A. U. basketball champions, were one up today on the Winnipeg Trollers, Canada's best, in a 5-game series for North American laurels and the Jacobs France challenge trophy.

"Little Bill" Miller's Tulsa quintet romped to victory, 32 to 13, in the series opener here last night.

## YAQUI JOE TAKES 'RUBBER' GRAPPLE FROM ALABAMAN

By Roger Early  
Yaqui Joe's flying body scissors again won a wrestling match for him at the armory last night. The tussle, between Rex Mobley from Alabama and Yaqui Joe, the Sonora Indian, was even more exciting than their draw battle two weeks ago.

In last night's encounter Mobley took the first fall with a full Nelson in 22 minutes and 29 seconds. The second fall went to the Indian with a body slam. This fall appeared to hurt Mobley and he quickly tired. The third and deciding fall of the match Yaqui Joe won with his well known flying scissors. Yaqui's unequalled leg strength won a good percentage of his matches for him in the past several years.

Duke Elliott, wrestling instructor at the University of Oregon, won easily from Roland Warren, the Copco engineer from Klamath Falls. Elliott, because of his weight advantage, seemed to have the match his own way from the start. Warren fought gamely and took the first fall with a "surfboard" in exactly 10 minutes and 10 seconds. Elliott, master of innumerable holds, won the second fall with a Boston crab in 9 minutes and 30 seconds. The third and deciding fall came as a surprise, Elliott, using an airplane spin to win the match.

All the wrestlers on last night's card used a host of holds to the gratification of the fans.

Hay Frieble, the slide of Medford, accepted a challenge from Pete Delcastro of Sacramento for a winner-take-all match to be staged here next week. Fans will remember the last encounter of these two boys on the same card as the first Yaqui Joe-Rex Mobley meeting, and is confident he can repeat the performance. Warren, after his match last night, issued a challenge to any Pacific coast 150-pound wrestler.

Fans of the valley witnessed two of the finest and cleanest matches put on here for some time when Yaqui Joe and Rex Mobley met in their first and return bouts.

## National Track Meet Will Go On

CHICAGO, March 30.—(AP)—University of Chicago athletic officials today denied reports that the national track and field interscholastic meet would not be held this spring. Sanction for the meet, which annually draws some of the greatest prep stars in the nation, has already been issued, they said.

## FRISBIE TO MEET PETE BELCASTRO IN TITLE GRAPPLE

Promoter Mack Lillard has secured a return match between Ray Frieble, the pride of Medford, and Pete Belcastro, the heavyweight champion of northern California, and as Frieble is the champion of southern Oregon this will be a title bout. The two boys will tangle in a winner-take-all match at the armory Wednesday, April 5.

Fans will remember the first meeting of Frieble and Belcastro here two weeks ago. Belcastro was barred from four northern California towns because of his rough tactics. Frieble, in their last bout, showed he could take it, and also dish it out. With a whirling semi-windup scheduled, this is predicted to be one of the best matches staged in the valley for some time.

Roland Warren, who was seen in action here last night, will tangle with Fireman Coy of the Weed fire department. Coy is a great favorite with northern California fans and has thrown all the 150 pounders he has encountered. Warren was greatly handicapped last night because of a 13-pound weight advantage Elliott held over him. These two boys are evenly matched and a fiery tussle is predicted.

Depression prices will reign and fans are being urged to obtain their tickets immediately.
