## Shriners Announce Big Party For April 7

One of the outstanding social events on the Shriners program for this spring is scheduled for Friday evening, April 7, when southern Oregon wearers of the "feds" and their wives will enjoy a pot luck dinner party at the Ashland Masonic temple. The women are requested to bring covered dishes.

## Dancing and cards will complete the party, following the dinner hour.

and the committee in charge promises a good time for everyone. Members of Hillah Temple and those affiliated with any other Shrine Temple are invited. A large delegation from Medford is planning to attend.

## Activities of Legion Auxiliary

By MRS. COLE HOLMES.

Last Monday evening the American Legion post, No. 15, and the Auxiliary of the post had a jolly time. There were 90 present at the covered dish dinner. The business meeting was well attended and many important matters were brought up for discussion. Mrs. Lee Bricker, Americanism chairman, said plans were under way for the Americanism essay contest held regularly in the public schools. Mrs. Leo Williams reported on the poppy poster contest. The children have begun work on these in many classes of the public school. These awards are made near Memorial day. Mrs. Belva Alken, chairman of membership, has presented a plea for 28 more members to fill our quota.

The membership committee and officers of the auxiliary would like to call on all eligibles but the task is almost more than they can do at this time. Just come to our meetings and we will be glad to meet you and make you feel at home. The annual Easter Monday ball given by the American Legion auxiliary is to be held at Oriental Gardens on Monday evening, April 16. This is the one dance of the year given by the auxiliary. Every one is urged to reserve this date. The committee for arrangements includes Mesdames Henselman, Cleaves and Kunz. The committee for decorations, Mesdames Alken, Miller and Coddling. Mrs. Overmyer is in charge of the tickets. Mrs. Maude Coddling won the lark for the month of March.

Thursday evening Ashland post and Auxiliary have invited Medford post and auxiliary for a covered dish educational dinner. The dinner is to be held in Pioneer building at Ashland, State Legion officers are to be present. After the dinner and program a dance is to be held. Those who are planning to attend will ring Mrs. Ross, phone 640 or 1043-Y before Tuesday, April 4, as Ashland auxiliary has to be notified of the number attending. The Ashland unit is to furnish coffee, rolls and butter. Be prepared to tell Mrs. Ross what you intend to take in the form of a covered dish.

We talk of national expense. Has the National Economy league or U. S. Chamber of Commerce informed the general public that figures of the department of agriculture in the year of 1911 amounted to \$20,000,000 and for the year 1932 to \$488,000,000. This is an increase of this department in 21 years of \$468,000,000. This department was created solely to benefit the American farmer and agriculturist. We can not say that it has benefited the farmer, for in every part of the United States they are losing their farms and their homes. A survey through the department of agriculture itself recently reported that one out of every ten farms in the United States has been surrendered through mortgage foreclosures or sales. There must be something wrong in the management of such a department of the government to incur such a tremendous increase in expense and to not accomplish satisfactory results. Yet the National Economy league blame all government deficit on the paltry sums paid to disabled service men who risked their lives for their country.

Here are some interesting figures, showing appropriations by congress.

1927	1932
War dept.....	\$350,000,000 \$488,000,000
Bureaus and Comms.....	25,000,000 57,000,000
Com. Dept.....	30,000,000 55,000,000
Treasury.....	151,000,000 312,000,000
Agriculture.....	156,000,000 488,000,000
P. O. (Def. Cl.).....	27,000,000 129,000,000

The Sewing club of the American Legion Auxiliary is to meet at the home of Mrs. C. E. Kunz, 1036 West 11th street on Monday evening, April 3, at 7:30 p. m. All are urged to be present, as there is quite a lot of work prepared.

Garden Club Meets Thursday Evening. The Medford Garden club will meet Thursday evening at 7:30 o'clock at the court house auditorium. Myrtle Carl Swigart, program chairman, has secured L. P. Wilcox, horticultural agent, as speaker to address the club on "Protection and Care of Shrubs and Plants in Small Gardens."

Mrs. Burke Hostess To Alpha Sigma Class. Mrs. F. P. Burke entertained the members of the Alpha Sigma class of the First M. E. church at her home at 83 Rose Ave., Thursday evening.

Refreshments were served by the committee assisted by little Carl Burke.

## Mrs. Canfield Is Auxiliary Hostess

Mrs. Ira Canfield was hostess Wednesday afternoon at dessert bridge for members of the Auxiliary of Veterans of Foreign Wars and their guests. Dessert was served at 1:30, after which cards were enjoyed by all.

The next meeting of the auxiliary will be Monday evening at 8 o'clock at the club rooms in the Armory. A short business meeting will be followed by cards, after which refreshments will be served.

## W. C. T. U. Notes

By Mrs. Wm. H. Hill.

A Silver Medal contest was held Sunday evening at the First Methodist Episcopal church under auspices of the local W. C. T. U., directed by Mrs. Ruth Bigler, local and county chairman. The three adults, who won medals in the past, made interesting and helpful talks. They were: Dr. Hedges, Ray Henderson and Mrs. Minnie Heine.

Mrs. Wade and daughter, Doris, gave two piano and violin numbers, which were much enjoyed and a vocal duet was also added to the program by the Misses Newman and Bennett. Participating in the contest were Charles and Robert Waldron, Chester Cole, Harold Gillett and George Bigler. The first prize went to Harold Gillett. Judges were Mrs. Jennie Butler, Rev. Millard and E. H. Hedrick, superintendent of schools.

Rev. A. G. Bennett led the singing and gave the invocation. The contest was the first of a series to be given here and was much enjoyed by those in attendance.

## SHELL AND PLANT FOSSILS ADDED TO ROCK COLLECTION

E. R. Santo of 820 South Ivy street, local gem stone cutter and collector, announces that to his large collection of thousands of rocks, he has added a number of rare fossils during the past two weeks.

Included in the new "rocks" Mr. Santo now has, are shell fish and plant fossils of Oregon, petrified clam, ammonites, and two rare pieces, which as yet have not been classified, also shale fossil with leaf imprints, cup, white and rose coral, petrified fern leaf in sandstone, coral in agate, white and fire opals and red, brown and blue tiger eyes.

Mr. Santo stated that he is expecting a shipment of rare fossils from the south, as well as Alaskan garnets, ivory and jade, and some additional petrified roses. The local collector trades any duplicates he might have, and in this way increases the assortment, which he has been working on for over two years.

In the collection, a recent addition was a scarab, the sacred beetle of Egypt. At his home here, Mr. Santo has an oak log 22 inches in diameter and 36 inches long, which weighs about 650 pounds. Petrified, it has numerous colors, consisting of agate, opal and takes a high polish.

Mr. Santo has suggested that the Boy Scout troops of this district become interested in rock collections, and states that their numerous outdoor trips would prove profitable to them, for the wealth of valuable stones in southern Oregon could be recognized by the scouts, with each troop keeping a display case.

## PYROIL GAS AT LOCAL STATIONS

Pyroil treated gasoline is being introduced to southern Oregon motorists by the following dealers who are offering an exceptionally low price for a limited time: Medford Oil Depot, Chris Wolff and Frank Hull; W. N. Cope, Pacific Highway; Nip and Slip Service, Central Point; 4 Corners Service Station, Midway road; Armstrong Motors, North Riverside; Ever Shady Auto Park, South Pacific Highway; and the New Way Garage, Bill Offutt, manager, North Riverside. # PYROIL

(Simply Add to Oil and Gas)

## REDUCES NOISE ... Let Your Ear Decide

... A NEW LUBRICATING PROCESS HIGHLY ENDORSED

All too soon noises creep into any motor. This happens from the moment WEAR begins... on the delicate surfaces of pistons, cylinder walls, valves, crankshaft, bearings. And, wear develops because even the best of lubricating oils fall to FULLY LUBRICATE during various stages of motor operation.

PYROIL PROTECTS WHEN OIL FAILS

Simply ADDED in small quantity to your favorite lubricant and gasoline, PYROIL creates a "triple film" of protection that keeps metal from metal—pistons, cylinder walls, valves, crankshaft, bearings. And, wear develops because even the best of lubricating oils fall to FULLY LUBRICATE during various stages of motor operation.

PYROIL is highly recommended for any type of motor — industrial machinery and equipment.
