BETTY AND JIMMY WILL BE MARRIED ABROAD IS RUMOR

CANNES, France, April 3.—(AP)—Former Mayor Walker of New York, and his friend Betty Compton, the actress, called at the city hall today and received full information about the marriage regulations here.

"We are just getting the necessary information," Walker said, when he was asked about a rumor that he and Miss Compton had been married. "When I get married, I'll let you know."

Alfred Sharon, Walker's lawyer, went to the marriage bureau with them.

Officials at the bureau said Walker had notified them several days ago that he would be married soon. They refused to disclose the date he had set, explaining he had asked them to keep that a secret.

Walker is an honorary member of the municipal council of Cannes and probably would be permitted to waive the ordinary regulations such as the posting of banns ten days in advance of the wedding. No banns have been posted up to now.

ALVIN TOLLEFSON BECOMES NUMBER IN STATE PRISON

Tollefson, in accordance with prison rules will be confined in the "fish cell" for ten days, with other new prisoners. There he will learn the prison routine and rules. At the end of this period he will be assigned to work. He will be assigned to the clerical department of the prison—his civil life pursuit.

Under Oregon law, and as a first offender, Tollefson will be amenable to parole after he has served half his sentence, with time off for good behavior. This will be in ten months, from the date of his prison entry.

Tollefson is married, and a former University of Oregon student, where he was a tennis star. As cashier of the Central Point bank, he reported shortly after noon on May 10 last, that a lone unmasked bandit, entered the bank, and at the point of a revolver held him up and robbed the bank. State police immediately became suspicious, and the next day, Tollefson admitted the hoax to cover up his own delinquencies. All the money was recovered, most of it hidden in a coffee pot at Tollefson's home.

Tollefson entered a plea of guilty a month later, and was sentenced by Circuit Judge Norton. At the time, widely signed petitions for leniency were presented. The young man then through counsel, began a legal fight to keep from prison, and both his rehearing pleas were denied, by the state supreme court. As a final move, petitions asking the governor for executive clemency were filed. The governor has so far refused to act.

SHASTA TO STAY AS THRU TRAIN IS WORD BY S. P.

Definite assurance that the Southern Pacific train, the Shasta, will be continued between Portland and San Francisco was contained in an announcement released by J. A. Ormandy, traffic manager with headquarters in Portland, today.

"Not only will the train be retained intact, as through train, but its south bound schedule will be cut twenty minutes between Portland and San Francisco, effective April 15," he stated. "The train will leave Portland, southbound at 8 a. m., as at present, arrive at Ashland at 7 p. m., and at San Francisco at 9:30 a. m. The northbound train will leave San Francisco at 7:40 p. m., arrive at Ashland at 9:50 a. m., and Portland at 9:20 p. m.

"Trains No. 329 and No. 330, known as the "Oregonian" will continue to operate on overnight schedule between Portland and southern Oregon points. The south bound departure from Portland will be advanced from 3 p. m. to 7:15 p. m. Northbound No. 330 will leave Ashland at 7:15 p. m. instead of 6:15 p. m., and arrive in Portland at 8:15 a. m. instead of 7:35 a. m."

The announcement continues to state that "included in the Shasta route train service changes which will be effective April 16 will be the removal of the \$3 extra fare charge from the "coaches" between Portland and San Francisco, and the adding of day coaches and tourist sleeping cars to this train."

BILLS FOR COUNTY RELIEF ARE EYED TO CURB ABUSES

The governors relief committee met today and approved and disapproved bills submitted for the operation of the county commissary for the months of January, February and March up to last Friday, when it was closed, ending a hectic period of mixed charity and politics.

James H. Owen, chairman of the committee, State Senator George Dunn of Ashland, and A. S. V. Carpenter of this city, were the checkers of the bills. Relief is now issued on restricted requisitions for necessities only, and is on a systematic basis. They are issued from a list. Work is furnished to the worthy poor whenever possible. Transient indigents are receiving short shrift, with the result that the complaint, "strangers get the best of it" is seldom heard.

The governor's committee has investigators at work to determine the worthiness of applicants, and to weed out charity racketeers, if any. A number of abuses that prevailed heretofore have been corrected.

In San Francisco recently, charges of petty theft were filed against a number of well-to-do receivers of county charity. One was found to have a \$22,000 bank account, and another a \$15,000 deposit. The petty theft charge was dropped when refunds were made to the county and city for aid received under false pretenses.

It is expected that the approved relief bills will be paid by the county court at its Wednesday session.

Desirable houses always in first-class condition for rent, lease or sale. Call 105.

RUMOR SPREADING TO BE UNPOPULAR IN THIS VICINITY

It will be the future policy of the county court, when sensational and unfounded rumors are brought to their attention, to call the authors before the court, for proof or denial. It is thought that in this manner, the epidemic of rumor mongering will be curbed, to some extent.

People hearing these rumors, are asked to report to the county court, and to investigate for themselves, before giving credence to them.

UNFAITHFUL WIFE BURIED ALIVE BY FILIPINO CULTISTS

(Continued from Page One)

Leon Kantinello, 40-year-old Jersey island labor camp foreman and alleged leader of the cult, which has a large membership, confessed to the burial, District Attorney P. J. Hoey said.

"It was justice," Sheriff R. R. Veale quoted Kantinello as saying. "Our justice. She was an unfaithful wife."

The story of her death was brought to authorities by Pablo Busbriante, a Filipino who had quarreled with the cult leader. The grave diggers—Eustaquio Cadog and Espiridon Kang—pointed out the grave.

"At least seven or eight murder charges will be brought," said District Attorney Hoey who declared he would ask the grand jury today to indict all connected with the death ritual. He said he had obtained a roster of the
