

BARRE HILL GIVES MUSICAL TREAT IN SEASON'S WINDUP

By Jeunesse Butler. Sincerity, modesty, generosity. What more could one ask of an artist than the expression of such qualities?

After his first number, we understood why Barre-Hill liked jazz and modern music and was honest enough to say so.

Barre-Hill may be termed a high baritone, although his deeper tones may come with the years.

His enunciation is excellent in a language (English) which would reveal imperfections, his phrasing original, and his use of pianissimo something for the aspiration of fellow artists.

Having started in opera, Barre-Hill has that advantage over other concert artists, since from that experience comes the ability to dramatize numbers, and this he does but never unpleasantly, and always within the proper confines, so to speak.

Since his accompanist, Mr. Rafael Meritis, gave a group of four solos with encore, he surely deserves more notice than is usually accorded to those necessary but often neglected (by the reviewers) assistants.

Honest, hard-working young men, these two, with their art coming first in their lives, one may be sure, give the last local concert of the year, they leave musical Medford in happy mood and with grateful memories.

The concert grand, nine-octave Baldwin piano from the Baldwin recital hall, was used for the first time, the instrument being one of three in the Pacific northwest.

The program was as follows: "I Saw a Stranger Yesterday" ms. by Geo. "Rastlose Liebe" Schubert "Der Sieger" Kaun

Recitative and Aria—Avant de Quitter ces lieux (Faust) Gounod "Comin' Home" Wilbey "Mid-October" Tale-Smith "Legacies" Hill

"Possession" ms. by Sandoval "Wurra" Ermano "Shoes" Kathleen Manning "She's Somewhere in Sunlight" Bennett

"Vielon" Kriens "Carnaval" Fourdrain "Encore 'The Sleigh'" Waller "Encore, 'Her Dream'"

Encore, "All for You" Bertrand-Brown "To Still My Heart" Taber "The Cherry Tree" Hageman "Do Not Go My Love" Geel "Wine" Del Reigo

Encore "For You Alone" Geel "Encore, 'Homings'" "Encore, 'Fairly Story by the Fire'" Merikanto

Mr. Meritis' piano numbers were: Etude de Concert, D flat Liszt Etude de Concert, F minor Liszt Etude, E major, Op. 10, No. 3 Chopin Etude, A minor, Op. 25, No. 11 Chopin

Encores: "The Flight of the Bumble Bee" and his own arrangement of "The Old Refrain."

Seaman Finds This Delicious Cereal Relieves Constipation

Here is an unsolicited letter from Mr. Darragh:

"I have been going to sea for the past fourteen years. Every trip, I underwent severe headaches, nervousness, and sleeplessness. Tried all sorts of remedies, and received only temporary relief.

"So hearing about Kellogg's ALL-BRAN thought I would get a box, which I did. That was six months ago, haven't been without it at home, and when I go to sea a box of Kellogg's ALL-BRAN is always with me."—George D. Darragh, 1914 32nd Avenue, Oakland, California.

Tests show ALL-BRAN contains two things for common constipation: "Bulk" to exercise the intestines; vitamin B to help tone the intestinal tract. ALL-BRAN also supplies iron for the blood.

The "bulk" in ALL-BRAN is much like that of lettuce. Inside the body, it forms a soft mass, which gently clears the intestines of wastes.

How much pleasanter this is than taking pills and drugs—so often harmful. Two tablespoonsful of ALL-BRAN daily will correct most types of constipation. If not relieved this way, see your doctor.
