

WELFARE REPORT SHOWS RELIEF TO QUAKE ZONE LAGS

A shortage in the Jackson county Red Cross chapter's quota to earthquake relief work was reported by Mrs. Frederick Johnson at the last meeting of the Allied Welfare association at the Hotel Medford. Jackson county's quota was placed at \$180 and only \$55.50 had been raised last Friday.

Mrs. Johnson also reported that the last car of flour made available to the needy through the Red Cross is being distributed and that 306 garments were given out last month, and 36 yards of material for quilt tops.

Dr. C. L. Drummond, county physician, informed the group that county indigent work has increased greatly during the past few months and that the health clinic is now operating three days, instead of one, a week.

Mrs. Jack Heyland of the Parent-Teacher association reported that hot lunches are still being served in the schools and that they will be, if the need is felt, until the close of school.

Mrs. Carol J. Parker, representing the American Legion Auxiliary, announced that a donation of \$10 had been given the Parent-Teacher association school lunch fund. It was also announced that the Mail Tribune cake contest proceeds would be added to the relief funds.

Mrs. I. E. Schuler of the Y. W. C. A. reported that every possible effort is being made by the "Y" group to make the rooms available to all girls of the city as a place for rest and entertainment. The aim is to make the "Y" headquarters stand for a definite purpose in the community. The rooms are being made comfortable and attractive and are supplied with good literature. The support of the Business and Professional Women's club was pledged the project by Mrs. Edwina Welshaar, club president.

New representatives attending the last meeting of the Welfare association were Mr. Levesay and Mr. Cameron of the Four Square Gospel mission. Mr. Levesay reported that a total of 3430 garments and 1280 pairs of shoes had been given out during the winter as well as milk and other food.

The next meeting of the association will be held April 28, according to announcement of the president, John C. Mann.

STUDENTS REMEMBER GEORGE PRESCOTT IN MEMORIAL DONATIONS

In view of the considerate services that Constable George Prescott rendered the school of Medford, and because of his regard for and help to students of the city, many clubs and societies of the Medford high school have made donations to the Prescott memorial fund independent of considerable contributions by the faculty members.

At a meeting Wednesday, April 5, the student council of the high school, in order to express fittingly its appreciation, unanimously passed the following resolution:

"Be it resolved, on the 5th day of April, 1933, by the student council of Medford high school, that the students of the school deeply regret the death of Constable George Prescott, who in his high position as an officer of the law, was ever a respected friend to the students of the school, always willing and cheerful to render any service; be it further

"Resolved, that the treasurer of the Associated Students of the Medford high school be instructed to withdraw \$2 from the general funds of the student body, the said amount to be devoted to the fund now being raised for a memorial to that valiant officer, Constable Geo. Prescott."

(Signed) DAVID LOWRY, President of the Associated Students of Medford High School.

BACK TO FARM MOVE AIDS OKLAHOMA BANK

OKLAHOMA CITY—(P)—A "back to the farm" movement is proving a boon to Oklahoma rural banks, says E. H. Kelley, assistant state bank commissioner.

A surprising increase in the number of small-scale farmers has enabled many village banks to weather adverse economic conditions and continue dividend payments, according to Kelley.

On a recent 127-mile drive in the eastern Oklahoma hills, Kelley said he counted 54 new log cabins as compared to 47 old ones.

BIRTHS

Born to Mr. and Mrs. J. C. James of Foster Lane, a son weighing 8 1/2 pounds, Wednesday morning. The baby has been named Donald Ray.

W. C. T. U. Plans for Educational Forum.

The W. C. T. U. met Wednesday afternoon with Mrs. Oldenburg and arranged for the April meeting on Thursday the 13th, at 2:30 p. m. with an educational forum, conducted by the president. This promises to be an exceptional program and a good attendance is urged.

A food sale was planned at this time to be held on Saturday, April 15, at the Reliable Grocery.

The Ashland W. C. T. U. will give a broadcast on Sunday morning, April 9, at 9:00 o'clock. In the evening they will have a group of young people here to give "The Wet Parade," a pageant of great merit. This will be given at the North Methodist church.

Everyone is invited to attend any or all of these meetings.

Daughters of Nile

To Meet Saturday

Zulema Temple, Daughters of the Nile, will meet in Grants Pass Saturday afternoon at 2 o'clock for regular lodge session. The meeting will be preceded by luncheon at 12:30, which will be served by the Cave Shop in the Masonic hall. Mrs. O. C. Boggs of this city, queen of the temple, will preside. A large delegation from Medford will be in attendance, according to plans today.

Tom Swem to Speak Before Dramatic Club

Tom Swem, one of Medford's favorite followers and directors of little theater activities, will be guest speaker this evening at the meeting of the Dramatic club at the Y. W. C. A. His subject will be "The Art of Make-up." The program will open at 7:30 o'clock and all members interested, whether or not members of the club, are invited to attend the lecture.

County Teachers' Chorus to Sing at Sams Valley.

Members of the Jackson County Teachers' chorus will motor to Sams Valley Friday evening to appear in a program before the grange meeting. Cars will be leaving from Merriam's camp at 7:30 o'clock, where all members are asked to assemble.

Royal Neighbors Regular Meeting Thursday.

The Royal Neighbors will hold their regular meeting this evening. All members are urged to be present.

Betty Jean Drummond to Be Flower Girl.

Little Miss Betty Jean Drummond, just two years old, will be flower girl at the Tom Thamb wedding Friday evening at the First Methodist Episcopal church. It was announced today, Leon Pellett will act as best man for the groom, Clark Burk.

Members of Medford's very young set are reported just all-a-flutter with wedding plans today and the charming little bride-to-be, Betty Ann Conroy, is the center of the social whirl.

A large crowd is anticipated for the pageant, which, under the able direction of Mrs. A. F. Hauser, promises to be a lovely affair. From all cities, where she has staged the wedding, very favorable reports have come to Medford. One of the most recent presentations was at Ashland, where a large and appreciative audience watched the very dainty young bride and groom trip to the wedding march.

Other members of the local wedding party will be George Coddington, Jr., minister, Gail Coddington, maid of honor, and Shirley Barton, ring bearer.

Seven thirty is the hour set for the wedding.

Mrs. Lawrence Gives Paper at Book Club

Mrs. J. P. Lawrence read her paper on International Relations at the meeting of the Book club this week at the home of Mrs. David Yale. The same praise, which has been accorded the paper by other groups, was expressed again Tuesday and much appreciation of Mrs. Lawrence's work and understanding of her subject has been aired in social and club circles throughout the city. Persons who have not been so fortunate as to hear or read the paper, are advised by those who have, to make arrangements with Mrs. Lawrence to do so, as it contains a very enlightening summary of present-day history-making affairs.

Mrs. VanLewen Guest of Relatives

Mrs. E. B. VanLewen and daughter Jean Lee arrived Tuesday by motor from Riverton, N. J., to spend a month visiting relatives. Mr. VanLewen accompanied them as far as Portland, then went on to Yakima, Wash., he having been transferred from Riverton. He is in the U. S. department of agriculture service. Mrs. VanLewen lived here two years ago and is remembered by many as the former June Hinman, prominent in musical circles.

Lady Kivanians

Mrs. E. B. VanLewen and daughter Jean Lee met Monday afternoon at the home of Mrs. Frank Dillard and devoted the afternoon to sewing on a welfare project. Following sewing, tea was served with Mrs. C. Y. Tengwald assisting the hostess at a lovely table centered with jonquils and freesias.

College Women Meet Saturday with Miss Burr

Miss Elizabeth Burr will be hostess at the home of Mrs. D. W. Luke, Orchard Home drive, Saturday, to members of the College Women's club. Those wishing transportation for the meeting are asked to call Mrs. B. B. Hammond, 484.

Garden Club Meets This Evening

The regular meeting of the Medford Garden club will be held this evening at the courthouse auditorium beginning at 7:30 o'clock. L. P. Willcox, county horticulturist, will be the speaker.

Guests from Capital City Visit Porters

Mrs. W. Al Jones and Miss Mabel Creighton of Salem are guests in Medford this week of Mr. and Mrs. Jack Porter. Mrs. Jones is Mrs. Porter's mother and Miss Creighton her aunt.

MINING INDUSTRY TO REAP BENEFIT OF MEETING HERE

By L. R. Shurtleff.

Arrangements are being made by the Southern Oregon Mining Association, Inc., for a meeting of all miners and others interested in the industry at the Medford Army Saturday, April 22, beginning at 10 a. m. The meeting is designed to co-ordinate and amalgamate the entire mining interests of southern Oregon in an endeavor to foster and encourage the mining interests as a whole.

Robert M. Betts of Eugene, president of the Oregon Mining congress, and E. C. Harlan, secretary, also of Eugene, will attend and outline the purposes of the Oregon Mining congress, and what has thus far been accomplished by it.

B. K. Lawson of Portland, first vice-president of the congress, Dr. Warren D. Smith of Eugene and several others will discuss various phases of the industry, including a talk on geology as applied to mining in language that all miners can understand.

Many important matters concerning the mining industry are scheduled to be discussed and it is being given wide publicity, the attendance expected may exceed 12 to 15 hundred.

Plans are being made to show the visitors through the Sterling, Applegate and Jacksonville districts and send them on their way with the knowledge of the facts as we know them, that this district is destined to be the greatest mining center of the state.

The regular meeting of the Southern Oregon Mining Association, Inc., will be held Friday evening at the Chamber of Commerce at the usual time and a full attendance of the membership is desired as the progress of the mining school, as well as arrangements for the coming mining congress will be reported and perfected.

CHANGE MEETINGS OF UNEMPLOYED

Change in meeting dates for the Medford Association of the Unemployed was announced today. Meetings in the future will be held on the second and fourth Thursdays of each month at the court house auditorium. The change was necessitated by conflicting meetings. Harry Moore, manager of the association, stated today.

The Medford Association of the Unemployed, it was again emphasized, is not a branch of the Unemployed Council and has no connection whatever with that group. It has a large program of work outlined for spring and summer and all persons interested in getting work are asked to call Mr. Moore at association headquarters, phone 1079.

Planting of 20 acres to vegetables and a large wood cutting program are under way.

RELIEF PLAN WORK PROVING BOON FOR COUNTY RESIDENTS

Men assigned to public projects in Jackson county under the relief plan being carried out by the governor's committee, have practically all reported for duty when notification was given, according to information received at the headquarters here.

This week, names of one hundred men were turned over to City Superintendent Fred Scheffel for work in Medford and 90 of them reported for duty, it was learned.

At the present time there are 433 men at work on projects in Medford and the surrounding vicinity, which include road work for city and county, schools and wood yards.

One of the relief crews is busy at the present time leveling the playground by hand labor, at the Roosevelt school. This work, it was pointed out by Superintendent E. H. Hedrick, is being carried out with no cost to the school district.

No direct report on the relief work in the Ashland, Jacksonville and Butte Falls district is available at the headquarters in the city hall, as such work is being carried out under supervisors appointed in these areas.

SMUDGE NEAR AS BUDS COME OUT

Rapid progress has been made since Sunday by budding fruit, due to the warm days and nights, according to the county agent's office. Grain has also made headway during the same period—the first real growing weather this year.

Preliminary preparations for the smudge season are under way. Over 200 orchard thermometers have been tested. About 100 more are expected. Orchardists are urged to report for their traps at once.

The season this year is about three weeks behind, and continuation of the present weather conditions will bring out the buds and blossoms rapidly.

Traces of frost have been noticeable every morning recently, but no heavy frosts. A "high pressure" area in the Alaska region "might cause some trouble as it moves south," it is said.

Top soil in the orchards is dry, and orchardists would like to see a good rain. Spraying is under way in many orchards.

FOR THE PRINCESS CHAVCHAVADZE'S LITTLE BOY... AND FOR YOURS!

Extra Health BENEFITS

added to Salads by this Quality Mayonnaise

LIKE the Princess Paul Chavchavadze, every intelligent mother will welcome these important new health facts!

Read them! Then you will see why millions of mothers who want their children to be healthy, active and mentally alert are now serving Best Foods Mayonnaise instead of other types of salad dressing!

For recent scientific research has shown that this finer, quality mayonnaise, made with breakfast eggs and fine salad oils, adds six special health benefits to your salads... six extra food elements in addition to those you get in lettuce and tomatoes alone.

What these benefits are

Yes, in Best Foods Mayonnaise you get all six of these very elements so vital to health, so urgently necessary—

1. To help build rich blood and strong bones
2. To offset wear and tear on nerve and muscle tissue
3. To help maintain mental health and alertness and furnish energy
4. To help eliminate toxic products from the body
5. To maintain glandular and organic health
6. To maintain normal digestion and assimilation.
