ASSOCIATED OIL AND LAMPOR IN INAUGURAL TILT

Schedule for First Half Season Drawn With Six Teams—Office Boys Gird to Defend Last Year's Title

By Roger Early.
Lampor and Associated Oil will cross bats in the first kitten ball game of the season Monday, April 10. Balm spring weather has brought on an early season, and interest runs high as the first half of the league gets under way.

At a meeting held last night at the Office Stationary and Supply Co., under the direction of Sam Colton, league manager, new rules were drawn and the schedule for the first half of the season was made out.

Six teams entered.
Six teams have signed to play in the league. Lampor's, winners of the first half of the league last season, are back and have hopes of repeating their record of last year. The Office Boys, winners of the second half, are confident of giving the other teams a run for their money.

The six teams signed to play this season are: Lampor's, Associated Oil, Office Boys, Junior High, Active Club and Jennings'. Many stars of high school days will be seen in action. The committee decided last night that any player participating in a game will be ineligible for any other team for that half of the season. The committee also decided to draw numbers again at the beginning of the second half to give each team the same chance. As it stands, some team will have to play two games in a row.

Schedule Drawn.
The schedule drawn for the season is as follows:
Lampor's play Associated Oil Monday, April 10.
Office Boys play Junior High Tuesday, April 11.
Active Club plays Jennings' Wednesday, April 12.
Lampor's play Office Boys Thursday, April 13.
Associated Oil plays Active Club Friday, April 14.
Office Boys and Jennings' play Monday, April 17.
Associated Oil plays Jennings' Tuesday, April 18.
Office Boys and Active Club play Wednesday, April 19.
Lampor's and Junior High play Thursday, April 20.
Associated Oil and Junior High play Friday, April 21.
Lampor's and Active Club play Monday, April 24.
Associated Oil and Office Boys play Tuesday, April 25.
Junior High and Active Club play Wednesday, April 26.
Lampor's and Jennings' play Thursday, April 27.
Junior High and Jennings' play Friday, April 28.

HIGH SCORES AT BOWLING TOURNEY

COLUMBUS, O., April 7.—(AP)—Predictions that the general scoring in the twenty-third annual American bowling congress would be exceptionally high have come true.
With the meet winding up Monday, five doubles teams already have counted better than 1300 in the two-man event class. Nine individuals have scored 700 or better in the singles and ten bowlers have scored over the 1900 mark in the all-events.
The 2000 leading all-events count and the sensational 1413 doubles top both are all-time A. B. C. records.
While only two totals of better than 3000 have been recorded in the team division, 55 more top-notch out-of-town quintets are scheduled tonight and many more will be in action Saturday and Sunday.

LONDOS AND SAVOLDI TO GRAPPLE TONIGHT

CHICAGO, April 7.—(AP)—Jim Londos of Greece risks his claim to the world's heavyweight wrestling championship against the rube of Jumping Joe Savoldi of Notre Dame football fame tonight. A crowd of 20,000 was expected to jam the Chicago stadium to watch the match.
Some of the so-called "wise ones" of the wrestling game predicted that Savoldi would win or hold the Grecian Adonia to a draw.

SCHOOLBOY HURLER GETS TRYOUT TODAY

NORFOLK, Va., April 7.—(AP)—Lynwood (Schoolboy) Rowe, late of the Texas league, has never been seen in big league baseball park, either as a spectator or player, but he is going to see one tomorrow—from the pitcher's box. Manager Bucky Harris of the Detroit Tigers has announced that Rowe will pitch at least part of the game with the Giants at Polo Ground, New York.
The Tigers and Giants resume their training season here today. The Giants won yesterday's tilt at Asheville, N. C. 4 to 2.

PIVOT PLAY GETS COMMITTEE'S EYE

NEW YORK, April 7.—(AP)—The "post" or "pivot" play in basketball was expected to get a thorough going-over today at a meeting of the rules committee of the national association of basketball coaches in which the teachers of the game were to settle on what changes in the rules, if any, they would recommend to the joint rules committee later this week.
Most of the suggestions for rule changes so far deal with the "post" play in that section of the court within the free throw area. Present rules say a guard may not come within three feet of the pivot man in that section of the court. The coaches contend this favors the offense over the defense, at least in some sections of the country.

OAKLAND RETAINS SPOTLESS RECORD IN COAST LEAGUE

Portland Manages to Take One From Seals, 6-4 — Angels Find New Hero in Young Hurler, Newson

(By the Associated Press.)

With the Coast league race three days old, Oakland remained the only undefeated team in the circuit as a result of its third straight win over the Missions and Portland's 6-4 win over San Francisco, the 1933 champions' first triumph of the season.
Oakland pitching again held the Missions completely in check Thursday. Three hits, including a triple by First Baseman Anton, and an error by Centerfielder Malho of the Missions gave Oakland four of its runs in the fifth inning. Batteries: Missions—T. Pilleite, Johnson and Fitzpatrick; Oakland—McEvoy and Veitman.
Seal Errors Aid.
Pitcher Curt Davis of the Seals held Portland's sluggers to two earned runs, but errors by Osterberg, Gellan and Thomas gave the Beavers four more scores and the Seal boots gave the visitors three unearned runs in the third and another in the fourth. With the count 4-6 in the ninth and three Seal men on base, Jim Keesey, Portland first baseman, made a fine stop of Sullik's liner to right field to retire the side. Batteries: Portland—Koupal and Palmisano; San Francisco—Davis, Douglas and Melasos, Sinibaldi.
Angel fans found a new hero in youthful "Buck" Newson, newly acquired from the Chicago Cubs, when he shut out the Seattle Indians, 2-0, at Wrigley field. Newson let the visitors down with seven well-scattered hits.

FISHERMEN COUNT 20 MEN, 12 BOATS AS STORM'S TOLL

ABERDEEN, Wash., April 7.—(AP)—The fishermen of the Grays Harbor salmon trolling fleet, safely within the harbor at last, today counted the loss from a disastrous spring storm as at least 12 boats and the lives of 20 men.
With moderating weather last night, after riding out the storm outside, the remainder of the fleet safely crossed the treacherous bar, while the coast guard cutter Snohomish and the cutter Red Wing patrolled the seas outside for any more disabled craft.
Meanwhile, with the number of the small craft which had safely made the harbor, after living through a turbulent squall late Wednesday afternoon, being counted to learn definitely the extent of the losses from the storm, tales of heroism were recounted.
A life saving crew which put out from the Westport coast guard lookout station, at the height of the squall, got a line on the Caroline, Oscar Hauru related, and piled him to safety, but a huge comb over tore the two boats apart. The Caroline capsize and Hauru's son, Eli, was drowned.
Eli Niemela, Aberdeen fisherman, who rode the bar safely in his boat, the Seabird, described the storm on the bar.
"It was every man for himself and get in the best you could," he said. "The water was very choppy and a big ground swell was running. If a swell broke as you were crossing, you didn't have a chance. . . . The Alki was just behind me. When I looked back, it was gone."

BAN ON BEER TO REMAIN TIGHT FOR COLLEGE MEN

NEW YORK, April 7.—(AP)—So far as college athletes are concerned, the ban on beer remains.
Almost to a man, authorities at representative colleges and universities informed the Associated Press they would continue to forbid beer to their athletes except under special circumstances.
Legalization of the beverage, in the opinion of most of these leaders, will create no problem at all for the colleges simply because training rules will be just as rigorous as ever.
