## Society Brings In Choice Blossoms For Daffodil Show

Society folk walked into their gardens yesterday morning as sunshine and showers brightened the petals of the narcissus and turned all thoughts to the selection of choice blossoms for the first show of the season the daffodil display of the Medford Garden club at the chamber of commerce.

The brightest flowers were brought to Medford, where appreciative on-lookers strolled through the chamber again and again to catch the fragrance of hyacinths, flowering shrubs, the pumila and various members of the narcissus family.

Blossoms were entered by Mrs. Lewis Ulrich, Mrs. T. W. Miles, Mrs. George Phyllis, Mrs. W. W. Howard, Mrs. L. A. Mott, Mrs. A. E. Reame, Mrs. Carl Swartz, Miss Mae Carlson, Mrs. L. Bundy, Mrs. J. W. Jacobs, Mrs. H. D. McCaskey, Mrs. Lewis Brown, Miss Kelleher and L. Colvig.

Committee members, arranging the event and acting as hostesses throughout the day were: Mrs. Lewis Ulrich, Mrs. H. W. Spitzer, Mrs. George Phyllis, Miss Helen Bulla, Miss Ann Livingston and Mrs. L. Bundy.

Other social activities of the past week have been small and delightfully informal. At the Slater Johnsons entertained at dinner Tuesday evening, inviting Mr. and Mrs. G. Robinson and Mrs. Alfred S. Carpenter to join them. The Carpenters were hosts last evening at dinner with Mr. and Mrs. Donald Clark, Mr. and Mrs. Leonard Carpenter, Mrs. H. Chandler Egan and Robert W. Ruhl as guests.

Mrs. Margaret Biddle, who was in-ventive for much of the entertainment of the preceding week, left Medford for Yamhill ranch in Klamath county. She motored over with her sister, Mrs. Gordon Voorhes, and Miss Margaret Hubbard, who returned to Medford after a very short stay in Klamath Falls.

## Women's Greater Oregon Group to Meet on Monday

All women of this valley are most cordially invited to attend the April meeting of the Medford branch of the Women's Greater Oregon association. It will be held in the club rooms in the city hall, April 10 at 2:00 p. m. Mrs. M. Scherer of the E. O. S. and G. A. Barr of the Mutual Feed company, will be the speakers for the afternoon and the Anita Dress company of Portland will have an exhibition of dresses on display.

There are now between 23,000 and 24,000 loyal Oregon women enrolled in this organization. All are becoming better acquainted with the resources of our state, through just such meetings as our local organization holds here the second Monday of each month.

Quoting from a recent letter received from the state president, Mrs. Beade M. Ireland, in regard to the "Buy American" campaign: "We are entirely in sympathy with buying Oregon and American goods. The advancement of Oregon's industries is our aim, but we are not in favor of buying only American goods—that is short sighted and poor business. We need certain products from other countries, we have to sell Oregon and American goods to other countries, we do not expect the ships to return to their home ports empty of cargo. So the Women's Greater Oregon association says 'Buy American' intelligently, educating ourselves accurately along the lines where buying will help our community and country to the best advantage."

**THE WOMAN PAYS**

**THIS IS TOO MUCH TO ASK OF ANY WOMAN FOR 1¢ A WASHING**

An electric washer will do the entire family washing for about 1 cent's worth of electricity and save the wear and tear of a wash-board on the clothes. (To say nothing of the wear and tear on nerves, health and appearance.) Electric service is cheap, by far the cheapest service you can buy. It will perform nearly all of your household tasks perfectly, in a fraction of the time required to do them by hand.

Complete "ALL ELECTRIC" service for an entire month (which includes everything from sunshine for the baby to cooking and refrigeration for the entire family) for less than the weekly wage of a good servant. Electricity is so clean, quiet and convenient that it is hard to realize the extent of the service we receive for the small amount we pay.
