Annual Flower Show Announced For May 25, 26

Dates for the annual flower show, sponsored by the Medford Garden club, were announced at the Thursday meeting of the club at the court house auditorium. The show will be held May 25 and 26 in the high school auditorium on South Oakdale as last year. A new plan of instruction of potential flower show judges, as worked out by many garden clubs, will be followed in anticipation of the judging of the May show.

The 4-H garden project to be sponsored here by the Medford Garden club is in charge of Mrs. E. E. Wilson and parents and teachers are asked to urge children to enroll with County Agent B. G. Fowler or Mrs. Mabel Mack at the court house. They will explain just how the home garden and beautification plans will be made.

Entries in the contest will be children of from eight to 18 years of age. The best results, viewing the original garden tract and worked out plan with the final development of the garden, will be considered when the prize is awarded. A two-weeks' summer course in 1934 at Oregon State college will be awarded the winner.

Mrs. R. E. Blankenburg and Mrs. Earl Moore of Gold Hill were present at Thursday evening's meeting in the interest of a garden club to be organized at Gold Hill in the near future.

The civic achievement committee, Mrs. Leland Metzger, Mrs. Lewis Ulrich and Colonel W. H. Paine, will supervise the landscaping of the court house grounds. Through cooperation with Professors Peck and Cuthbert, Oregon State college, plans are being developed.

Mrs. L. Bundry reported a successful plant sale. Objection to the sign board in the city park has been voiced by the Garden club. Announcement that the sign is on private property which will be separated from the city's buildings and beautification plans carried out on city property only, was made.

Trees owned by the Garden club will be offered for beautification of parks, Bear creek banks, or any civic area in need of such planting. The club will cooperate with the chamber of commerce next week in the clean-up campaign.

A nominating committee, consisting of Mrs. G. Goff, Mrs. Glenn Patrick and Mrs. Edwin L. Knapp, was named, election of officers to take place in May.

Mrs. Beames reviewed the state garden club meeting held in February. Mrs. Agnes Hines of Forest Grove was a visitor at the club meeting.

Wednesday Study Club Adds Prescott Fund
The regular meeting of the Wednesday Study club was held at the club room Wednesday afternoon. Mrs. Laura West was given membership into the club to fill the vacancy caused by the removal of Mrs. Van Scoyoc to her home in California.

The club voted \$5.00 to the Prescott Relief Fund. A very interesting program was given.

Mrs. B. B. Hammond gave an excellent talk on Freedom of Speech, using as her foundation, Everett Dean Martin's later book "Liberty." He says freedom of speech is the liberty upon which all other liberties depend. It is commonly abused and often spreads error as well as truth.

Tolerance of freedom of speech has also its errors by allowing discord and wrong propaganda to spread which should demand action instead of tolerance. Attention was called to the drastic measure along this line just passed by an overwhelming majority of the house.

Mrs. W. J. Warner reviewed in an interesting way the late book of Alexander Powell, "Yonder Idea Adventure." This is an autobiography of Colonel Powell and is written in a very pleasing manner. He says he has traveled around the world forty times in every mode of locomotion. He fought in the late war, and has been sent as press reporter to many nations. He is also the author of thirty books.

Mrs. B. G. Harding closed the program by giving a very instructive talk on the Pan-American Union, giving its objects and benefits. This union provides an opportunity for the American republics to manifest their friendliness toward each other. In 1930 the ambassadors and ministers assembled together at Washington, D. C., and completed this union, secretary of state acting as chairman. April 14 was designated as Pan American Day and asked that upon this date all national flags of this union be displayed. Mrs. Harding having visited the Pan-American building, gave a very comprehensive description of its beauty and the grounds surrounding it. The cost was \$1,000,000, contributed by Andrew Carnegie and the 21 American nations, including the U. S., which formed this union. Of special interest is the fact that Oregon fir was used for the finishing of the reception room.

Weekly Bible Class Holds Instructive Lesson.
(Contributed)
The Weekly Bible class enjoyed another interesting and instructive meeting Tuesday evening at the Y. W. C. A. An invitation is extended to anyone who is interested in the Word of God.

The lesson last week covered the book of Numbers. Typically it is the book of service and work. Nothing was to be said. Every servant in the family, and had his own definitely assigned service. I Corinthians, chapter 12 shows this similarity: As Israel was one nation with many members and each assigned to his particular service, so the church is one body in Christ, with many members of that body and each assigned to his particular service.

Two of the great chapters in Numbers were dwelt upon particularly in this lesson. They were the ordinance of the red heifer, which is a type of the sacrifice of Christ as the ground of the cleansing of the believer from the defilement contracted in his pilgrim walk through this world, and the illustration of the method of his cleansing. And the brazen serpent which is a type of Christ "made sin for us" in bearing our judgment and shown in John 3:14, 15, "and as Moses lifted up the serpent in the wilderness, even so must the son of man be lifted up: That whoever believeth in him should not perish, but have eternal life"; 2 Cor. 5:21, "For he has made him who knew no sin to be sin for us"; and 1 Peter 2:24, "Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness." Such were the ideas brought out in the lesson.

The lesson for Tuesday, the 11th, will take the book of Deuteronomy, which completes the pentateuch. For those who come now, there will be review of much of the few lessons already had.
