

"Up-Side-Down" Tournament Scheduled Saturday on Local Links

PLAYERS TO SHOOT COURSE BACKWARD FOR BEER REWARD

'Duffers' at Home in Rough Will Find Unique Tourney Easy—Members and Out-of-Town Guests Only

A unique, not to say, "nutty" tournament will be staged Saturday afternoon at the Rogue Valley Golf course for members and out-of-town guests only.

The tournament committee's plan to members explains the plan as follows:

"The course is to be played backwards reminiscent of way back in the early days when Chan Egan conducted a 'Cross Country' tournament from present site of the local court house to the old golf club where the golfers putted down the paved streets and over fences with a few clubs and a pocket full of old balls, negotiating the route in some 112 strokes, the winner being Chan himself and Alfred Carpenter.

"This was the impulse that guided us to the 'Up-Side-down' tournament next Saturday and, likewise to the old days, the '19th' hole will be played legitimately without violation of the prohibition law with beer given as prizes to the winners. The tournament is to start from an improvised tee beside the 18th green and the 17th green to be negotiated over a wide space of rough and likewise to the 16th, 15th, 14th, 13th, etc.

"This should be a great inducement to the duffers who have in their early experiences ably encountered the rough. Handicaps will be figured on a per centage basis so that all handicaps will be equal to the course if played under normal conditions.

"A great deal of interest has been aroused particularly as it will cost the members nothing. Arrangements have been made to have plenty of beer on hand and as its initial introduction, will be given to the golfers at cost which will not exceed 15c a bottle. The winners can drink all they want.

"We might say that the committee is looking for crazy ideas and we anticipate that a good time will be had by all. Talk it up—make up your foursome now and be visualizing playing the golf course backwards."

DERN PINS KRUSE IN DECIDING FALL

PORTLAND, Ore., April 13.—(AP)—Ira Dern of Salt Lake City, Utah, took two falls out of three to defeat Bob Kruse of Oswego in the main event of the wrestling matches here last night. Dern weighed 210 and Kruse 211.

The Utahman won the first fall on a side chancery in 8 minutes, but found the contest evened less than three minutes later when Kruse executed a double wristlock. Dern took the deciding fall in 22 minutes with a body press.

Joe Farrell, 168, Italy, won the semi-windup from Glen Stone, 165, Olympia, Wash., taking two straight falls. Bulldog Jackson, 154, Chicago, won the opener from Des Anderson, 154, Seattle, with one fall.

YANKEE ROOKIES AND VETERANS AT FLORIDA CAMP

Although their star performer, Babe Ruth, is still in disagreement with the front office over his salary, the New York Yankees are hard at work on their training chores at St. Petersburg, Fla. The Babe is working out with the team and is shown at left shaking hands with Manager Joe McCarthy. Two hard clouting veterans, Bill Dickey (left), catcher, and Tony Lazzari, second baseman, are shown at right. Above is a string of promising rookie pitchers. Two of them will get jobs. M'CARTHY FIGHTS DRAW WITH NEGRO ON ARMORY CARD

Jack McCarthy found Roman Street, Salt Lake negro brawler, a hard nut to crack in their six round main event at the armory last night and despite the fact that the local Irish boy threw leather at the invader throughout their engagement, Referee Les Weiss figured the bout a draw. Owing to Street's almost impregnable defense and refusal to open up or lead, McCarthy did not look as good as in former bouts here, and was only able to reach his taller opponent with a looping right to the head which did little damage. McCarthy left which threatened the negro's face at all times, kept the duty battler at a respectable distance. Johnny Compagne and Tony Oris, dynamic pair of bantamweights, gave another exhibition of their hammer-and-tongue battling, going six rounds to a draw which met with popular favor. The little men worked hard for a knockout and gave a fast, scientific, and at times vicious display of fistcraft.

Bob Irwin and Frankie Roberts, fighting around 125 pounds, went four rounds to a draw while Flash McCann, pride of Prospect, knocked out Roy Harris, of Phoenix near the end of the third round in their curtain-raising four rounder. Harris had slightly the better of the argument in the first round but wilted fast under the powerful swings of the Prospect boy. Despite the fact that a flock of knockouts had been expected due to

the grudges between some of the fighters and the anxiety to make a showing on the part of others, the opening bout was the only one in which a sleep producer was landed. All the bouts were hard-fought and pleased the large attendance of fans.

Promoter Mack Lillard will use Herb White and some led from the bay region in the top spot on his next card scheduled Wednesday night at the Armory.

TROUT FISHING OPENS SATURDAY; SIZE LIMIT REMOVED BY NEW LAW

Several changes in the state game laws have been reported for this coming fishing season, which opens Saturday. Section 17 of House bill 442 removes the minimum size limit from trout, which heretofore has been six inches, in all counties except Union and Willows.

Section 4 authorizes arrest for game violations by citation, by giving the person arrested summons directing him to appear at the justice court or other court having jurisdiction, to answer to a complaint, charging violation of the game laws.

The section also carries a penalty for any person refusing to obey the summons, separate and apart from the penalty provided for the unlawful act for which the person might have been arrested, and provides that an officer making the arrest may

seize as evidence the fire arms, dogs, or boat of any person arrested.

Section 34 is the penalty clause for this act and it provides a minimum fine of \$25 and a maximum fine of \$500 or imprisonment in the county jail for not less than 30 days or more than six months or by both such fine and imprisonment.

JEW BARRED FROM GERMAN ATHLETICS

BERLIN, April 13.—(AP)—Further restrictions against Jews in Germany went into operation today when the football federation voted to bar Jews from international matches and the track and field sports federation took similar action in its sphere.

The National Federation of the German press, comprising practically all Germans engaged in journalism, also voted to eliminate Jews, approving the dictum of the new president that the days of nonpartisan newspapermen's organizations are over.

Crowder Holds A's to Six Hits — Fine Weather in Western Sector Fails to Entice Fans to Park

By HUGH S. FULLERTON, JR. (Associated Press Sports Writer)

The grand pageant of baseball has begun its six-month parade through America attended by crowds only slightly smaller than those of a year ago and with a lot of very unpleasant weather to account for the decrease.

Nearly 100,000 fans, ranging from the President of the United States down to the humble holders of bleacher tickets, saw the five major league gateway games yesterday and the displays of fine pitching that went with them. Although the total was some 20,000 lower than the 1932 opening-day attendance, there was no defection on the part of fandom.

Three Postponed

Rainy, cold weather, winding up in a freak April snowstorm, forced the postponement of three games along the eastern seaboard that were expected to attract more than 70,000. Last year's figures of about 117,000 attendance covered six games.

Opening day is still to come in New York where 40,000 or more are expected to see the world champion Yankees open their new season against the Boston Red Sox; in Boston, where the Braves face the New York Giants and in Philadelphia, where the aspiring Phillies tackle the equally hopeful Brooklyn Dodgers. With clearing weather predicted, all three delayed openings were due today.

Warneke Airlight

Lennie Warneke, young ace of the National league hurlers last season was one of the four-hit moundmen as he started the Chicago Cubs along the right road toward their second championship in the elder circuit by shutting out the St. Louis Cardinals 3 to 0. After a bad first inning Warneke pitched near perfect ball while the Cubs clouted Dizzy Dean for three runs in the second frame.

Pittsburgh's Pirates, considered the most serious threat to the Cubs, got the benefit of the five-hit twirling job with Bill Swift doing the elbowing and defeated the Cincinnati Reds 4 to 1.

Eddie Durham, ex-Bostonian, and Joe Heving, up from Indianapolis, combined for the second four-hit game and with the aid of Red Kress and Al Simmons gave the Chicago White Sox a 4 to 2 victory over the St. Louis Browns. The day's smallest crowd, 4,500, saw Jim Kress bat in three runs while Simmons, who came to the Sox from the Athletics in one of the many winter trades, clouted the first home run of the season in the fourth inning.

FIVE BIG SALMON CAUGHT IN ROGUE DURING MORNING

GRANTS PASS, April 13.—(Sp.)—"Rainbow" Gibson reported Wednesday afternoon from Weasuku Inn that the Chinooks were striking in record breaking time during the morning when five splendid fish were taken. He stated that it was the first real fishing sportmen had enjoyed this season, and the remainder of the week was looked forward to as one of an exceptionally good Chinook run.

The five fish caught Wednesday were reported as follows: Mrs. Carey Snider of Grants Pass, 28 pounds; F. L. Migel of New York City, 24 pounds; Gilbert Banister of Savage Creek, 31 pounds and the largest for the day: Merle Mock, 23 pounds; "Rainbow" Gibson, 22 pounds.

The Chinook run, unusually late this spring, was believed to have arrived in double numbers Wednesday and fishermen were kept busy with the numerous strikes. All those lucky enough to make catches reported a good fight, and the fish are as game as their reputation credits.
