Medford Firms Feature Specials and S & H Stamps

Wednesday, Thursday, Friday and Saturday have been designated by Medford concerns featuring S. and H. green stamps as Jubilee Days and these local firms will offer exceptional specials and additional stamps during these four days. The S. and H. premium parlor is located in the M. M. Department Store in this city and a special showing of attractive premiums is being featured there during Jubilee Days.

"Never before have finer premiums been offered to stamp savers and greater premium values for one and two books of S. and H. stamps been available." B. M. Gould, representative of Sperry and Hutchinson, said today. "The condition of business during the past two years has substantially stimulated the premium or trading stamp business. With the reduced incomes of today the public is keenly interested in the opportunity stamps afford to secure added savings in the form of valuable premiums."

Among the Medford concerns featuring special values and additional stamps for the four S. and H. Jubilee Days are: The M. M. Department Store, Fick & Lindley, Jarmin & Woods, West Side Pharmacy, the Home Grocery, Reinking Trucking Company, Val J. Fischer's Sixth Street Service Station and Mutual Mill & Seed Company. A cordial invitation has been extended by Mr. Gould for the public to visit the S. and H. premium parlor in the M. M. Department Store and see the many fine premiums on display there. Another interesting fact pointed out by the Sperry and Hutchinson representative is that S. and H. stamps, regardless of where they are secured, are redeemable at the S. & H. premium parlors in Medford.

Egyptian Uncovers Four Cities
 CAIRO (AP)—Remains of four cities adjacent to the four pyramids of Giza have been discovered by Prof. Semil Hassan. He found the city gates a few feet below the surface and a great enclosing wall.
