Miss Bullis Chairman of Benefit Bridge Party.

Miss Helen Bullis is chairman of the large party to be held in the city club rooms Friday afternoon as a benefit to aid the membership drive of the Jackson County Public Health Association, which will open May 1. With members of the executive board of the Greater Medford club she will complete arrangements for the affair, which promises to be one of the outstanding events of the spring season, interesting all club groups and health workers throughout the county.

All women who enjoy an afternoon at cards are asked to form their own tables and enjoy tea at the club rooms. The small fee to be charged for the afternoon's events will bring with it for each person in attendance a membership in the health association, without further cost.

The next meeting of the Greater Medford Club, it was announced yesterday between party plans, will be held Monday, May 1. Election of officers will be in order and important business will be transacted, calling for a large attendance.

Washington P.-T. A. Plans Spring Carnival.

At the meeting of the Washington Parent-Teacher Association last Monday plans were made for a May festival to be held about the middle of the month. New officers were elected and the following were the successful candidates: Mrs. Jack Heyland, president; Mrs. Carl Bennett, vice-president; Mrs. W. H. Cool, secretary, and Mrs. D. L. Flynn, treasurer.

Several speakers brought inspiring messages to the group. Mrs. I. E. Schuler reviewed the address of Mrs. Sadie Orr Dunbar on child health work, recently given at the home of the Misses Carlton. Mrs. E. Wilson described the garden club project sponsored among the Parent-Teacher group to enter the garden competition.

Mrs. Wayne Keesee is the garden project leader. R. G. Fowler, county agent, was also present to describe the garden plans for Medford children.

The short entertainment for the afternoon was furnished by pupils of Mrs. Canode's and Mrs. Beeson's rooms.

May Day Dance Plans Inquire Many Folk

May day is the time for dancing! So it has been for many, many years, in many, many lands, and Medford and 1933 will not be exceptions. The party announced by the Elks for the evening of the day, when males are said to bathe the faces in dew from the "hawthorn tree, to ever beautiful be," is already the center of interest with men and maids. They may not arise in time to catch the dew from the hawthorn tree but they will be dancing at the Elks' temple when evening comes. If talk is any indication of what's going on in Medford society.

Special decorations and novelty features are promised by the committee arranging the dance for next Monday evening at the temple, and all Elks and invited guests are included in the plans.

The committee for the affair is composed of Bob Strang, Grover Corum, Charles Gilbert, James Daily and Harry Barneburg.

Garden Club Committee Plans for Annual Show.

The home of Mrs. A. E. Reames was the meeting place yesterday of members of the annual flower show committee of the Medford Garden club. Plans for the annual show, dates for which have been changed to May 31 and June 1, were discussed. Mrs. Reames, club president, leaves today for a trip to the national capital with Mr. Reames. She will return, however, before the garden show. The lateness of blossoms as a result of cold weather has necessitated postponement of the show and it is hoped that the new dates chosen will find all early summer flowers in their prime.

Attending the meeting yesterday were Mrs. Lewis Ulrich, Mrs. Leland Mentzer, Charles Voorhies, Mrs. H. D. McCaskey and Misses Helen and Mae Carlton.

Post-Deiphans Invite Guests to Meeting.

It is tomorrow morning that Hon. E. B. Day will address the Post-Deiphans club at the courthouse auditorium at 10 o'clock, and an invitation to interested men and women of the city has been issued by the club. Legislation passed at the last session will be discussed by the local representative, who will place special emphasis upon the sales tax.

Post-Deiphans are asked to be at the auditorium at 9:30 to complete business before the program opens.

Card Party at Parish Hall Interests Many.

Numerous social groups are making plans to meet at parish hall this evening for the card party planned by St. Ann's Altar society as the first of a series to grace the spring and summer calendar. Bridge, auction and contract, and 500 will be played. Guests are asked to arrive at 8 o'clock.

Daughters of Nile Plan May Festival

The Daughters of the Nile are among Medford's social groups who will observe the arrival of the month of May with appropriate festivity. They have announced a festival for May 5 at the Masonic temple. The party will be a costume affair and very informal. Guests are requested to wear gingham frocks, "rags" or costumes. There will be prize dances and refreshments and much gaiety, is the forecast.

Music for dancing will be played by Whipple's orchestra. The party is planned as a benefit to finance the patrol trip and the committee making arrangements is composed of Mrs. Albert E. Peasley, Mrs. O. D. Frazee, Mrs. E. H. Hedrick, Mrs. Paul Rynning and Mrs. George Porter. SOC—

Parent-Teacher Council Announces Benefit

May 6 is the date announced by the city council of the Parent-Teachers' association for a benefit dinner-bridge party at the Junior high school auditorium. The party has been arranged to raise funds to send a delegate to the national P.-T. A. convention in Seattle next month.

SPRING TOURNEY PUBLIC COURSE

The Medford Public Golf course will stage a spring tournament open to all golfers of the Rogue River valley. Qualifying round for eighteen holes will take place next Saturday and Sunday to determine pairings. Elimination play to be concluded each Sunday following or game forfeited. Weather permitting, the tournament will be concluded by the end of May.

Suitable prizes will be awarded winners and runner-up in all flights and a most attractively low green fee will prevail for the occasion with no entrance fee for participants.

F. W. Chausse, owner of the course, says the fairways and greens are in prime condition and offer a much better chance for par than last year, when the course was played in par but once. On that occasion Keith Baughman made a 39 going one under the goal.

PLAN TULIP SHOW FOR GRANTS PASS

The Grants Pass Garden Club will sponsor a tulip show at the Rivoli theater in Grants Pass next Friday and Saturday. It was announced today. Southern Oregon tulips are at their best now and advance reports indicate there will be a large display of the beautiful flowers. Jackson county growers are invited to enter their choice tulips.

Sterling G. Mendenhall, manager of the Rivoli theater, will give fifteen pieces of power ware to the fifteen first prize winners. Other winners will receive ribbons. Prizes will be given for the best single, the best three and the best six, all colors and for the best mixed basket and the best single color basket.

Manager Mendenhall says he will have the display over Sunday for the benefit of Medford people who wish to attend.

C. P. ORCHESTRA IN CONCERT OVER AIR

The Central Point high school orchestra entertained from KMED last night with a concert, which was much enjoyed by radio listeners of the valley. Difficult numbers were mastered in a very pleasing and surprising polished manner by the young players and the voice of Elizabeth Southwell, soloist, added much beauty to the program.

The orchestra consists of the following instruments and players: Piano—Ruth Ramstrom. Piano-accordion—Violette Pearson. Violins—Berenice Reames, Ralph Botta, Buddy Cowin, Ruby Webster, Gladys Churchill, Lauretta Williams. Clarinets—Alvin Maple, Jack Hall, Donald Richardson.

Saxophone—Mona Lewis. Trumpets—Alan Fiescher, John Eddy.

Drums—Ethelyn Scott. Vocalist—Elizabeth Southwell.
