

Frisbie-Belcastro Showdown Provides Wild Night

FANS RUSH RING FOLLOWING KAYO FOR LOCAL MAN

Frisbie Fells Foe After Scheduled Fight Over — Anderson Sonnenbergs Italian in General Melee

"Once a wrestler, always a wrestler," was proved again last night when Ray Frisbie, Medford fireman and Pete Belcastro, Weed Italian, donned boxing paraphernalia to see which was the better man in the art of fist-cuffs. Belcastro laid the local giant out for the count in the final seconds of the first frame of their scheduled 10-round main event, but not before Frisbie had felled him three times with powerful punches to the head.

The affair was one of the wildest melees ever seen in a Medford ring and wound up with a surge of spectators into arena where Belcastro was dancing about, trying to get past referee Jack McCarthy, apparently for the purpose of pinning his fallen foe's shoulders to the mat in true grappling style.

One of the first to climb through the ropes was Harold ("Swede") Anderson, former Medford high school and Oregon university football star. Belcastro jumped at Anderson and knocked him down. Belcastro was pulled off and the griddon hero backed off and crumpled the Italian on the canvas with a perfect Sonnenberg. At that stage of the fracas a dozen or more fans had entered the ring in an attempt to corral the pug-nacious Pete, while Frisbie regained his feet from listening to the birdies sing, and advanced on Belcastro, and in a general melee hooked one to the jaw which raked the belligerent one like a polled ox. The Army was in an uproar throughout the short-lived festivities and a veritable bedlam broke loose when Frisbie was felled.

Both men used combination wrestling and boxing tactics in their offensive, grabbing their opponent around the neck with one arm and pumping punches to the head with the other hand.

A semi-windup which had all the mirth-provoking qualities of a Charlie Chaplin picture and the viciousness of a real battle, whetted the fans' appetite for the final bout. Spider "Bones" Molloy, a spending Pelican City lad, gained the decision over Tony Orta after six rounds of wild flailing. Orta, much shorter than his opponent, elected at the outset to fight in close and for the first four rounds the boys flailed away in a partial clinch. The "Spider" was as hard to hit as a shadow and despite the apparent lack of a punch, had Tony in a bad way in the final frame.

Roy Harris, Phoenix pride, landed one of his haymakers on Neldo Ginnotti, Pelican City boy, in the first round, which took much of the steam from the visiting battler, and proceeded to give his opponent a lacing in the following frames which earned the nod.

Emerson Babb, Medford, and Red Melhorn of Klamath Falls, went four rounds to a draw in the curtain-raiser, both boys swinging lusty round-house blows, few of which found their mark.

It was announced from the ring that Jack McCarthy, Medford light-heavyweight, would meet Battling Beno of Pelican City on the next card. Frankie Monroe, lightweight, issued a challenge from the ring, which was promptly accepted by Herb White, for a later date. Local fans will be given a rare evening of fist-cuffs at Promoter Mack Lillard's next show.

TED THYE PINS ROMALLI TWICE

PORTLAND, Ore., April 26.—(AP)—Ted Thye of Portland defeated Silvio Romalli of New York, taking two falls out of three in the main event of last night's wrestling card here. Thye weighed 200 pounds and Romalli 209.

The Portland wrestler used a series of wristlocks to win the first fall in five minutes. Romalli took the second in 16 minutes with an arm lock. Another series of wristlocks gave Thye the deciding fall in less than three minutes.

Joe Farrell, 160, Italy, and Bob Myers, 161, Tillamook, Ore., went five rounds to a draw in the semi-wind-up. Each won a fall.

Police Sergeant Chet Wiles, 175, Portland, threw Heinie Olson, 178, Salem, Ore., to win the three-round opener.

SEMI-FINALS FOR SCHOOL NET ACES SCHEDULED TODAY

Five semi-finalists, survivors of a field of 40, will meet today to decide who wins through to the coveted final round for the tennis championship of Medford high school. The two finalists will meet tomorrow at 3:30 on the Junior high school courts for top honors.

Two veterans and stars in other sports, Red Scheel and Sam Kroeschel, and three sophomores, Verne Campbell, Frank Brown and Cleo Hicks, have gained the semi-final round and will vie today for a position as finalist, a shot at 1933 honors, and a beautiful silver trophy donated by Al Piche, local sportsman.

Today Red Scheel, football and basketball star, meets Brown, a sophomore, for one final spot, while Kroeschel, another griddoner, tackles Hicks and the winner advances to meet Campbell for the finalist position in the other bracket.

Hicks reached the semi-finals with a surprising victory over Hotel, who himself had a couple of surprises to his credit. Kroeschel spanked Merriek Brown conquered Applegate, and Scheel and Campbell kept pace with wins over Eas and Grove, respectively.

Following the finals playoff Friday and the opening match with the Medford Tennis club, billed for Sunday, Director E. M. Kirtley will release the schedule for the spring campaign. The big field of 40 youngsters while mostly inexperienced, should furnish Medford high school with a strong squad before the season's finish.

IRA DERN SIDESTEPS GRAPPLE WITH THYE

SPOKANE, Wash., April 27.—(AP)—Harvey Miller, a promoter, said today he would attempt to have Ira Dern, Salt Lake City wrestler, barred from appearing in matches in Washington unless he reported for a match here next week.

Dern was billed for a match here Tuesday night with Ted Thye of Portland, but Miller announced from the ringside that "for reasons best known to himself," Dern did not come to Spokane.

SQUEEZE PLAY IN TENTH WINS, 4-3, FOR PORTLANDERS

(By the Associated Press.) Only Sacramento could today claim an advantage in this week's Coast League engagements after making it two straight over San Francisco yesterday, 9-8. With Oakland, Seattle and Portland reversing their first day defeats, the other three series were even.

Portland had to resort to a tenth inning squeeze play to even its series with the Missions, 4-3. Blackberry singled in the extra inning, went to third on Sankey's single and crossed the home-plate when Palmiano's bunt caught the Reds by surprise.

Once again Manager George Burns had to go into action to give his last-place Indians a 4-1 victory over Hollywood. The Seattle first baseman cracked out a homer and a single, accounting for three of the four Indian runs.

CHILLED BATTERS UNABLE TO SOLVE MAJOR PITCHERS

(By the Associated Press.) Regardless of the quite logical explanation offered by Will Harridge, American league president, that the weather is to blame for all this remarkable early-season pitching this spring, the fact remains that the slab departments of the two major leagues are doing outstanding work against the chilled batters.

The latest additions to the list of April heroes are LeRoy Parmelee of the New York Giants, and Oral Hildebrand with the Cleveland Indians, each barely missing the no-hit hall of fame. Parmelee turned back the slugging Phillies, 3 to 1. The only hit off Parmelee was a smash by Mickey Finn in the third inning. It went for a double when Johnny Verge found it too hot to hold.

Hildebrand came just about as close to a no-hit feat but lost it when Art Scharen cracked out a snappy single. The Indians, however, had little trouble blanking the St. Louis Browns 2 to 0.

In support of the Harridge theory that cold, damp weather is responsible for such flinging feats, both teams found it too hot to hold.

Chicago-Pittsburgh National League game and the New York-Philadelphia contest in the American were postponed because of cold, and Washington and the Boston Red Sox were rained out.

In the remaining game on the program the Detroit Tigers went 11 innings to give the Chicago White Sox their fourth defeat of the season, 5 to 4.

HEAVY BOWLING IN ELKS TOURNEY

Kelly and Bowman were high bowlers in the Elks' doubles tournament last evening, garnering a total of 1132 pins. Kelly annexed a total of 320 for best individual score of the match. Sanderson and White chalked up high score for single game with 324 in the final set-to.

On Tuesday night Eads and Gilbert were in rare form, topping 419 pins

OPTIMISM SEEN IN OREGON FOR WORK INCREASE

SALEM, April 27.—(AP)—While there has been no change in the unemployment status in Oregon the past month, there has been a noticeable increase in optimism over the state, Charles H. Gram, labor commissioner, said here today. There has been no increase in the number of men put to work, nor has there been any decrease over the previous few months, he said.

"People are feeling freer with their money," Gram said, following a recent survey of conditions in the state. "Some business firms have declared business better, saying that where before people ate sandwiches, now they order fine steaks. They are spending their savings, having the feeling that better conditions are in the offing."

"The people, however, are spending money they have saved, employment has not increased, but the attitude of optimism is bound to help some, just how much or how soon we do not know," Gram said.

Beaumont, Tex., is expected to move 300,000 or more bales of cotton yearly through its port, following a favorable railroad rate decision.

Dr. T. D. Gunter, county health officer, says Palm Beach county, Fla., has never had a case of typhoid, according to records of his office.

The Ozark region of southern Missouri experienced its heaviest April snowfall in history this spring.
