

HOMEMAKERS OF COUNTY ATTEND ANNUAL MEETING

Annual Conclave Draws 102 Women—Seventeen Units Engaged in Extension Project Work in County

One hundred and two homemakers, representing 18 communities, attended the second annual County Homemakers' Day held at the Christian church in Medford Wednesday, May 3.

The meeting opened with the singing of a group of songs directed by Mrs. Mabel Sims of Jacksonville and Mrs. George Wendt, pianist.

Mrs. Alice Hanley, chairman of the county extension committee, who was presiding, welcomed the delegates and explained that the purpose of the meeting was to review the recommendations of last year, measure the progress of work, and make recommendations for the extension projects to be included next year.

Mrs. Claribel Nye, state leader of home economics extension, gave a very interesting and enlightening talk on "Counting the Costs," which showed the division of federal funds, and the small percentage of the department of agriculture funds that is used for extension and experimental work.

Mrs. Mabel C. Mack, home demonstration agent, explained the recommendations of last year's homemakers' day. The program adopted and the results achieved. Seventeen units are actively engaged in home extension project work at the present time and are carrying on an average of three projects a year. Nineteen communities were enrolled in foods and nutrition projects last year, with 692 enrolled. This included projects in low cost meals, food preservation, healthful sweets, milk, eggs and cheese.

Twelve communities were enrolled in clothing work, eight in child development and 22 in recreation and dramatics. Mrs. Mack stated:

Following this report the assembly was divided into five interest groups, as follows:

Organization—Mrs. Effie Birdsaye, chairman; Mrs. Claribel Nye, secretary.

Foods and Nutrition—Mrs. Ethel Lathrop, chairman; Mrs. Lucy Case, secretary.

Child Development—Mrs. Eudora Bohmert, chairman; Mabel C. Mack, secretary.

Clothing and Textiles—Mrs. Susie Maust, chairman; Mrs. Analea Sager, secretary.

Recreation and Dramatics—Mrs. Sara Wertz, secretary.

Mrs. Bertha Glasgow, a member of the county extension committee, presided at the noon luncheon, which was a demonstration of the low cost meals project and was served by the Women's association of the Christian church. Mrs. Glasgow introduced the guests. Mrs. Claribel Nye, state leader; Mrs. Analea Sager and Mrs. Lucy Case, extension specialists; Mrs. Sara Wertz, home demonstration agent from Josephine county; Ralph Billings and R. E. Nealon, county commissioners and R. G. Fowler, county agent. Mr. Fowler gave a short talk on the home vegetable garden.

This was followed by reports of chairmen of the home extension units of work done during the past year. Interest group meetings were resumed after lunch to complete discussions and write recommendations. When all gathered in the auditorium at 2:30, Mrs. Nellie Niedermeyer of Jacksonville entertained by reading a collection of kitchen sonnets, written by Mrs. Ethel Romig Fuller, Oregon poet.

A style show was given as a practical demonstration of the clothing renovation project, with Mrs. Ralph Wilcox, Phoenix; Mrs. Effie Birdsaye, Rogue River; Mrs. Ashley McCleod, Mrs. Ragsdale, Trail; Mrs. Ireta Ralston, Evans Valley and Mrs. G. E. Queterhaut, Eagle Point, participating. The garments remodeled included suits and dresses and costume jackets.

Reports of the interest groups were read by the respective chairmen and adopted by the assembly. The meeting adjourned.

The county extension program will be arranged by the county extension committee, from these reports and recommendations.

MCCARTHY GIVEN NOD OVER BENO IN ARMORY BOUT

Jack McCarthy, Medford's light heavyweight hope, found Battling Beno, Klamath product, a difficult target in their main event at the armory last night, but managed to land enough of his hooks and jabs to convince Referee Lea Welas that he should have the decision.

Beno was too respectful of Jack's longer reach to get close, except when he had the local lad tied up in a clinch, which was most of the time. Cort Mitchell, Medford, was knocked out by Jimmy Bell of Klamath in the third round of their scheduled six-round semi-final bout. Mitchell carried the fight to Bell in the opening round but fell victim to a right on the jaw as the round ended. He came out strong in the second round and had an edge in that frame, giving the Klamath boy a battering about the body. A right to the button made Mitchell's knees sag, however, and before he could clear his head another right went crashing home which spelled curtains.

In a four-round special event, Spider Bones McElroy, Felton City, won the nod over Jimmy Compagne of Chiloquin. Bones leveled the little Indian for a count twice during their fast milling.

Emerson Babb had only one good eye after the second round in his curtain raising four rounder with Rusty Melhorn and couldn't see all the gloves coming his way, with the result that Melhorn gained the decision.

MEDFORD WILL PLAY EAGLE PT. SUNDAY

The Eagle Point Chessmakers will play host to Medford's Merchants next Sunday on the Eagle Point baseball lot. Hoosier Haffard, the Chessmakers' manager, has added considerable new talent to his lineup with the result that a close and hard-fought battle is in prospect.

A dance will be held at Eagle Point Saturday night for the benefit of the baseball team.

WHITE AND MONROE MATCHED FOR BOUT

Herb White and Frankie Monroe have been signed by Promoter Mack Lillard for the main event on the next armory fight card, Wednesday night. The boys have met once before and their draw battle left fans with a strong desire for a rematch. Monroe holds from Klamath Falls, is a great drawing card in his home town and is rated among the best fighters at his weight in Oregon. He has defeated many of the best, although he has not yet had a try at Ah Wing Lee, Portland Chinese.

FEWER TEACHERS AND SHORT TERM TO AID ECONOMY

Economies in school administration, outlined for the coming year by the Medford school board, were announced to the teaching staff last night at a meeting called by Superintendent E. H. Hedrick and include probable removal of six or seven teachers from the system, heavier salary cuts for those remaining, lengthening of school days and awarding of contracts for only four and a half months of school.

Superintendent Hedrick, emphasizing the need for drastic retrenchment, told the teachers that the board's problem is three-fold in nature: "First to protect the financial solvency of the district. This must be done whatever else happens. Second, to run as much school as possible under the circumstances. Third, to take care in so far as possible, of the teaching personnel."

The board is being forced to make these reductions, he further pointed out. They have not been decided upon as a matter of choice, but through necessity to maintain the financial standing of Medford.

The local school district is financially solvent at this time, Superintendent Hedrick pointed out, and is going to be kept so.

Opening his address to the teachers last night he said: "Medford schools, like all other school systems, are suffering from delinquent taxes, which have been accumulating over the last three-year period. While business conditions appear to be improving a little, that improvement will not do the schools any good until people can and will pay their taxes."

Some of the cuts, according to the board's program released last night are:

1. Remove six or seven teachers from the system, chiefly from the high and junior high schools. To accomplish this the day will probably be lengthened in each of these schools about 45 minutes, also some work will probably be dropped in those schools.
2. That much heavier salary cuts than have heretofore been made will be ordered. This will be a graduated cut and will fall most heavily upon employees in the upper brackets. The exact amount of the cuts will be determined by later action of the board.
3. That contracts for not to exceed 4½ months will be made at this time. If tax collections on the second half payments and on back tax delinquencies warrant it, contracts for the remainder of the school year can be made at that time.

KITTENBALL SKED DRAFTED TONIGHT

Managers of kittenball teams will meet tonight at the Office Stationery and Supply company store to arrange the schedule and make plans for the second half of the league. League managers are all urged to attend the meeting, according to Sam Colton, as it is expected two new teams will enter.

Jennings Tire and the Associated Oilers plan to play off their tie tonight, provided the weather breaks in their favor. Each has won four and lost one game in the first half of the season.

TRIAL TO JURORS BY WEDNESDAY IS GUESS IN EUGENE

(Continued from Page One.)

defense is expected to rest upon At-torneys Hardy and Lonergan.

Banks was cited with his counsel until late Tuesday night in his cell in the county jail here, and another conference was held Wednesday morning.

Attorney William E. Phipps of the defense has announced that both Banks and Mrs. Banks will be called to the stand in their own behalf and as chief witnesses for the defense.

Interest of Eugene in the trial is still normal and lacks the local angle, intensely. The afternoon crowds so far have been large, but many empty seats at the morning sessions. The trial lacks the fervor of recent similar gatherings in Medford, in which Banks was an actor. Here it is only a passing topic of conversation in hotel lobbies, cigar stores and on street corners.

The court room where the drama of Jackson county will be retold is about the size of the court house at home, and seats 225 people. A liberal space is roped off for jurors and witnesses and the balance of the space is open to spectators. A stern bailiff stands at the main door. When the court room is comfortably filled the spectators are barred. There is no further entrance until recess.

Circuit Judge Skipworth is strict disciplinarian. Any giggling, or undue commotion, brings immediate rapping of the gavel and the words: "Mr. Bailiff, maintain order."

The opening statements Wednesday afternoon brought a number of Medford lads and lassies, now at the

University of Oregon, to the trial, including a number of law students. High school students of civics are also desirous of seeing court procedure at close range.

What happens to a young girl out of prison on parole, is the theme of "Parole Girl" at the Rialto theater today and Friday. Mae Clarke appears in the title role, with Marie Prevost and Ralph Bellamy.

It tells the story of a young girl innocently drawn into a confidence game by a slick racketeer, her capture and prison term, and then parole. Once out of the penitentiary, she seeks revenge on the man who was directly responsible for her incarceration, only to discover that she is in love with him.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rain' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salt, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul. Skin often breaks out in blotches. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, assuring when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c all stores. © 1931 C. M. Co.

IF your purse is lean (and whose purse isn't?) we have FRONT-PAGE NEWS for YOU!

SERVICE You Can Depend on

—we are equipped to offer the very best of the service... The latest facilities plus years of experience in taking care of southern Oregon motorists' tire needs spells UNEXCELLED service at prices you can afford to pay. The next time you have a tire repair job just 'phone us or bring your troubles here... You're sure to be pleased and satisfied!

IT'S news when anyone builds a better tire for the price than the 17 million Pathfinders which have already made a great name for thrift.

It's double news when anyone can give more safety, more style, more mileage than Pathfinders ever gave before, and at a lower price!

But that's exactly what Goodyear has done in the new 1933 Pathfinder—a tire that's certainly built and priced in tune with the times.

It will pay you to look it over, because you'll see for yourself that it has more actual quality than many top priced tires of other makes—and it certainly gives more for your money than any tire selling for less.

Watered Stocks

are no more fraudulent than Watered Paint

Men are being sent to jail for "watering" stocks and mulcting the public. Men can be sent to jail for watering milk, or otherwise adulterating food products. BUT THERE IS NOTHING IN THE LAW TO PREVENT A CHEAP PAINT MANUFACTURER FROM WATERING PAINT! Maybe there ought to be such a law. We think so. BUT AT PRESENT THE ONLY PROTECTION YOU HAVE AGAINST PAINT RACKETEERS IS YOUR COMMON SENSE. Use it.

So-called "bargain" house paints can be made to sell at most any price you want to name, simply by adding water. YES, PLAIN TAP WATER. You can get it for nothing, so why pay for it in your house paint? GOOD PAINT THAT WILL GIVE GOOD SERVICE MUST BE MADE OF PURE, HIGH GRADE INGREDIENTS, AND THEREFORE MUST BE SOLD AT A FAIR PRICE. Go to a reliable store, pay an honest price—that's the way to get a REAL bargain in paint.
